

Well Child Annual Physicals and Eye Health Exams

KEEPING
STUDENTS...
HEALTHY
IN SCHOOL

All services are provided on-site at your child's school during the school day.

- No need to miss school or work
- No need to schedule an appointment
- No need to arrange transportation

READY
TO LEARN

Healthy students are more able to learn and be successful in school.

your school office.

SERVICES

Annual Physicals and Sports Physicals

Well Child offers physicals at school during the school day. Each includes:

- Height, weight, blood pressure, pulse and body mass index (BMI)
- Comprehensive health history evaluation
- Hearing and vision screening
- Head-to-toe physical examination
- Lab tests, as indicated by age, history or exam findings (finger stick)

Eye Health Exams

- Well Child offers eye health exams at school during the school day.
- If glasses are prescribed, a licensed optician delivers glasses to students at school, fitting and adjusting as needed.

Students typically only miss about 45 minutes of class. They bring their results home in a sealed envelope.

QUALITY STANDARDS

- Well Child annual physicals and sports physicals are provided by licensed and board-certified nurse practitioners and physician assistants.
- Eye health exams are provided by licensed optometrists. Glasses are fitted and adjusted by licensed opticians.
- Exam results and referral documents are sent home to parents/guardians.

We work to keep children healthy, in school and ready to learn.

Sign your child up for a Well Child exam today.
