**The Competency Test is only for students who entered high school prior to 2001-2002. NOTE: After the Summer 2004 administrations, the only students who will continue to have the opportunity to take the test are those who receive a Special Education (S.E.) Diploma and remain in school until age 22, or those who received a S.E. Diploma and want to return to take the test to attempt to obtain a regular diploma....these students cannot be over 22 years of age.
