Notice of Schoolwide Title 1 Program Eligibility
2007-2008

School: Highland Oaks Primary School

Dear Parent/Guardian:

We have been notified that our school qualifies to receive federal funds under the *No Child Left Behind Act of 2001, Title 1, Part A*, for the above indicated school year.

Our school is eligible for the following:

Schoolwide Title 1 Program: Schools may consolidate and use funds under Title 1, together with other federal states, and local funds, in order to upgrade the entire educational program in schools in which not less than 40% of the children enrolled are from low-income families.

We look forward to your involvement in school activities and your child's education. You will receive notices and information throughout the school year to keep you informed about the progress of your child and the status of the school in making progress towards helping all children meet high academic standards. We also look forward to your attendance at school meetings when we will discuss the development, revision, and the implementation of our Schoolwide Program Plan.

You are an important partner in our effort to provide the best education possible for your child. Please call the school if you have any questions or would like additional information.
