Principal's Column

I am very excited to be a Lucy Eagle and look forward to becoming part of the school's long and rich history. I want Lucy to continue to be a place where learning is valued by students and adults alike by creating and sustaining a professional learning community focused on student's achievement.

The success of our children falls on ALL of our shoulders and high expectations need to be evident. Children learn best when they are in a learning environment that has been shaped by developmentally appropriate and research based practices. Here are just a few tips to make the first few days of school easier on your child

-
- ∞ Remind your child that she is not the only student who is a bit uneasy about the first day of school.
 - ∞ Point out the positive aspects of starting school like seeing old friends/meeting new friends.
 - ∞ Review the school rules and procedures with your child.
 - ∞ Create an environment that is conducive to doing homework.
-

Please do not hesitate to call the school if you have any questions.

Have a great year!

Safety Traffic Rules for

Morning Drop off

1. Make sure you drive the speed limit (15 mph).
2. Follow the traffic director's signals.
3. Make a complete stop before your child gets out of the car.
4. Wait for the staff to come to the door to help your child get out of the car.
5. Your child needs to exit on passenger side.

These rules are for the safety of each child and adult who is on the school's property. Please follow these rules so that everybody can have a safe day!
