SCHOOL TO HOME CONNECTION

From the Principal's Desk

As the educational leader of Woodstock Middle School, my goal is to ensure that every student leaves eighth grade with the knowledge and skills necessary to be successful in a rigorous high school curriculum and to consider goals in future education in an ever-changing technological society. We work diligently to ensure that all students learn well in a safe, orderly, responsible, and inviting environment. We encourage our students to challenge themselves intellectually and physically, to take risks, and to be upstanders, not bystanders. *With your participation and support*, your child will embark on a journey of academic and personal success during his or her tenure at Woodstock Middle School.

AGGIE "WEDNESDAY" DETENTION

As part of our school-wide discipline plan, every Wednesday morning from 7:45 to 8:30, two staff members will hold detention in the cafeteria. Students assigned detention have violated either the school dress code three times (Agenda Book pp. 10-12) or our Character Skills (Agenda Book p.7). During Detention students complete assignments from their teachers. Students must report to Detention on time; failure to do so will result in additional consequences.

TITLE 1 CURRICULUM NIGHT

The Aggie Staff enjoyed meeting and sharing their curriculum with the numerous parents/guardians in attendance on August 25th.

Congratulations!

P.McLaughlin, E.Smith, and J.Ferrell

Team 6A had the most participating parents.

PTSA

The PTSA offers a variety of programs designed for parents as well as students. Parenting is not easy—it helps to share ideas, concerns and experiences with other parents and educators. WMS PTSA functions are opportunities to meet other parents and school staff, building rapport and discussing issues that are on your mind. By volunteering with our PTSA, provides you with the opportunity to put your skills and hobbies to good use for a good cause—your child and all children of WMS. The number-one reason to join our PTSA is to benefit your child. In doing so, you also help your school. Dues \$5
