Victor  
the  
Vulture

Victor the vulture was a vicious bird.  
He drank vinegar, and he never spoke a word.  
He lived up in Vermont in his village home.  
But he never had a visitor, he was all alone.  
Victor the vulture went to the village dance.  
He ran into Vanessa... It was just by chance!  
Her violet velveteen vest made her look so fine,  
That Victor sweetly asked her to be his valentine!
