Microsoft Announcement

Educators, as we continue the work of virtual learning for all students in SCS, it is important to ensure standard procedures are taking place:

- All classes should be created as a Classroom Team
 - Any additional Teams created should be set to PRIVATE
 - All meeting settings should be set to ONLY ME for Lobby Admittance
 - All meeting settings should be set to ONLY ME for Presenter
 - Remove any student names that are not officially assigned to the class
- This will assist in avoiding many classroom interruptions and unassigned students
