How to Drill-through in Power BI

Where to go?

All student names have been redacted

You may access SCS data in the PowerBI platform by

- 1) **Logging** into PowerBI
- 2) Selecting **Apps** and the selecting a **profile** you have been granted access too

How to Drill-through?

- 1) **Hover** over a student's name and then **right-click** with your mouse
- 2) **Hover** over the Drillthrough tab
- 3) Select the **Student Review** option or the **School Review** option

NOTE
One method to obtain *Ready Graduate* status is by achieving a 21 or higher on the ACT. The table below shows scores in each ACT area. Students now have the ability to re-take individual ACT components to raise their score.
