The Tennessee Department of Education (TDOE) has released scores for school accountability, a system that has been foundational to driving student growth and school improvements over the past several years. Even during an unprecedented year, 17 schools showed vast improvement to be removed from designation lists. The 2020-21 school year is considered a “hold harmless” year for SCS due to meeting the state's required TCAP participation rate.

The highest distinction a school can earn in Tennessee based on successful student achievement and growth, along with other performance measures.

**MIDDLE COLLEGE HIGH**

**EXIT STATUS**
The following schools have successfully exited the designation lists below:

**FOCUS EXIT TSI**
Targeted Support and Improvement Schools (TSI) Status falls in the bottom five percent for their weighted overall accountability score for any given student subgroup or racial or ethnic group.

- CHIMNEY ROCK ELEMENTARY
- EGYPT ELEMENTARY
- GARDENVIEW ELEMENTARY
- HICKORY RIDGE MIDDLE
- HIGHLAND OAKS MIDDLE
- OAKHAVEN ELEMENTARY
- SHADY GROVE ELEMENTARY
- SOUTHERN AVENUE CHARTER SCHOOL OF ACADEMIC EXCELLENCE
- TREADWELL ELEMENTARY
- WHITETHAVEN ELEMENTARY
- WILLIAM HERBERT BREWSTER ELEMENTARY
- WINRIDGE ELEMENTARY

**PRIORITY EXIT**
Priority Status Schools in the bottom 5%, most in need of support and improvement.

- SHEFFIELD ELEMENTARY

**FOCUS EXIT ATSI**
Additional Support and Improvement Schools (ATSI) A federal designation for schools that need particular focus on their student group performance.

- CRAIGMONT HIGH
- KINGSBURY HIGH
- OVERTON HIGH
- SNOWDEN SCHOOL*

*Snowden School exited the ATSI list but was placed on the TSI list.
SCS Board of Education Named 2021 CUBE School Board of the Year
Goals for Stock Take

**Purpose:** Stock take is a meeting to report to stakeholders' data, including Academic Return on Investment (ROI).

SCS will work with stakeholders through an ROI-like process that combines available evidence, budget data, academic and professional judgment to make informed decisions to realign spending to meet the district’s priority goals and aligned stakeholder goals—and then adjust investments as data come in.

**Next Step:** Develop stock take committees and set meeting schedule

Questions?
What is Reimagining 901?
Reimagining 901 Goals

• Increase and improve student achievement and growth by using effective and transformational strategies in Memphis-Shelby County Schools

• Implement foreign language immersion opportunities for all students

• Maximize digital 1:1 access (e.g., exposure to Level 5 teachers, increase student engagement, provide access to AP/honors/dual enrollment opportunities, access to dual language courses, innovative supports for fragile students)

• Connect students to the broader community (24 hours of Service Learning)

• Improve learning facilities through new buildings and strategic combinations

• Enhance community partnerships

• Strengthen connections between District-run schools and charter schools and share lessons from charter schools’ best practices
Reimagining Schools

- State-of-the-art buildings and school additions
- Improvements in learning conditions from strategic combinations
- Renovations to stadiums and playing surfaces to ensure student-athlete safety
- Repairs and upgrades to existing infrastructure
High-Impact Initiatives

• Reduce K-2 Adult-to-Student Class Ratio from 1:25 to 1:13 in August 2021
• Create a Medical District School in August 2021
• Provide enhanced Professional Development and accountability measures for teachers, principals, and district leaders in Summer 2021
• Offer After-School Tutoring Programs in August 2021
• Increase Advanced Placement and Honors Classes in August 2021
• Launch world-class Agri-STEM High in August 2022
• Implement foreign language immersion beginning in August 2022
• Provide additional quality Pre-K seats to all students, not just economically disadvantaged, by August 2026
Reimagining Education District-Wide

• Implementing innovative and transformational programs designed by the school community

• Providing a device for every student and teacher with digital pedagogy and professional development

• Expanding or creating new choice programs in every middle and high school

• Creating signature partnerships to ensure that students have the opportunity to participate in job-embedded learning

• Developing a new teachers academy

• Offering dual language and bilingual programs for all students Pre-K -12

ESSER Overview
ESSER Overview

ESSER 1.0- CARES; State Funding Amount: $260 million
- Purpose: To address the impact that the Coronavirus has had and continues to have on elementary and secondary schools.
- SCS Reimbursable Amount: $48.8 million
- Funding Availability: September 2022

ESSER 2.0- CRRSA; State Funding Amount: $1.1 billion
- Purpose: To support reopening of schools, facilitate continuity of learning, and measure and address the learning loss caused by a lack of in-person learning
- SCS Reimbursable Amount: $224 million
- Funding Availability: September 2023

ESSER 3.0- ARP; State Funding Amount: $2.48 billion
- Purpose: To help safely reopen and sustain the safe operations of schools and address the impact of the Coronavirus pandemic on the nations
- SCS Reimbursable Amount: $503 million
- Funding Availability: September 2024
Community Engagement: The district reached out to Stakeholders to receive community engagement and input on how these one-time funds due to COVID-19 could best be used in support of our students.

District Needs: District Teams reflected on challenges faced during the pandemic, identified and prioritized needs, recognized individual student groups most impacted by the pandemic, and summarized actions the district will take to address needs due to the pandemic.

Safe Return to In-Person Instruction and Continuity of Services Plan: District teams consulted with Stakeholders to receive input on maintaining a safe environment and ensuring continuity of services. Prevention and mitigation strategies were created in order to continuously operate in-person learning.

Public-Facing ESSER Plan: The district created a public facing ESSER plan to share our overall strategies, demonstrate how the district plans on addressing the impact of lost instructional time, exhibit intervention strategies to address the needs of students, and illustrate how all funds will be spent.

Engagement & Involvement
Stakeholder Engagement
Community Input

• In summer 2021, 4,957 stakeholders provided survey feedback on how SCS should prioritize ESSER funds.

• 56% of respondents were parents and 33.5% were teachers, and most remaining respondents were other school staff, school administrators and central office staff.

• Nearly half of respondents felt student academic needs were the top priority followed by socioemotional needs and family economic challenges.
Respondents also ranked the importance of different types of resources in the following categories: Student Academic Support, Other Student Support, Educator Support, and Strengthening the District. The top three weighted rankings for each category are provided below and align closely with how SCS allocated ESSER funds.

Academic Data Performance & Fast Facts
District Fast Facts: 2020-21

• Both SCS and the State saw large declines in the percentage of students On Track/Mastered (proficient) on TCAP at the end of the 2020-21 school year. This was true in math and ELA for all grade bands. The largest decline for both SCS and Tennessee was in 3-8 math.

• In 2021, 85% of SCS schools earned a TVAAS Level 1 composite score (significantly less than one year of academic growth) and 3% earned a TVAAS Level 4-5 (more than a year of growth).

• The District’s graduation rate remained steady from 2020 to 2021 at 77.7%
Comparing Fall 2019 to Fall 2021 iReady Diagnostic (all K-8 students) results, the percentage of students 2+ grade levels behind increased slightly in Reading (46% to 49%) and increased significantly in Math (38% to 51%).

The student attendance rate is 91.2% - four points lower than typical at this point in previous school years. About 5% of all absences to date have been coded as COVID-related.

SCS enrollment declined by roughly 5,000 students from 2020-21 to 2021-22. Kindergarten was the only grade level to gain students. The largest losses in enrollment were in the 1-8 grade band.

To ensure we get the maximum return on investment for ESSER and Reimagine 901, SCS has implemented these accountability structures:

- Two weekly project management and performance meetings with Cabinet members and program leads
- Data strategy/evaluation plans for every ESSER investment
- Recurring Superintendent’s Academic Leadership Team (SALT) meetings to monitor student outcomes and develop learning acceleration strategies
- Quarterly Stock Takes to report on investment progress and outcomes
Questions?
Facilities Capital Plans have been initiated to create relevant and equitable academic learning environments to ensure scholars are prepared for the global workforce.

The purpose of the Facilities Capital Plans Initiative is to improve learning conditions, address facility needs, and reduce deferred maintenance of school and central office buildings.
Who: SCS Facilities Management and Partner Contractors

What: Implementation / Execution of:
STATE-OF-THE-ART BUILDINGS and SCHOOL ADDITIONS
STRATEGIC COMBINATIONS OF SCHOOLS to improve learning conditions and reduce costs
RENOVATIONS TO STADIUMS AND ATHLETIC FIELDS to ensure student-athlete safety
REPAIRS AND UPGRADES to existing building infrastructure

When/Where: FY22 – FY24, Capital projects will be completed at various school locations across the District

How: County Capital (CIP) and ESSER 2.0 / 3.0 funds will be used to contract service providers and general contractors to execute, implement, and complete capital improvements.

Capital Plans

- Increase in Air Quality Index measurements (% Acceptable) in buildings receiving improvements
- Increase in teacher Insight Survey perception (% who agree “My building is maintained and clean”) 
- Reduction of deferred maintenance backlog
- % of projects completed on time/performance to schedule
- 100% of schools have water bottle filling station by Jan. 2022
- 100% of schools receive assessment of lead in water supply every two years
- Increase in useable square footage in permanent buildings
- Increase in square footage per student ratio
- Reduction in the number of portable buildings used as classroom space
Educators
Foundations
Specialized Education
Assistants
The District is seeking to employ 750 Specialized Education Assistants to address the student learning loss attributed to the aftermath of COVID-19 and the interruption of teaching and learning in the traditional classroom.

The purpose of the Specialized Education Assistant (SEA) initiative is to reduce the student: teacher ratio, increase the literacy achievement of K-2 students and advance progress toward the Third Grade Commitment.
• **Who:** Up to 750 Specialized Education Assistants (SEAs)

• **What:** The primary role of the SEA is to assist classroom teachers in closing the literacy gaps of K-2 students by focusing on basic early literacy skills.

• **When/Where:** SEAs will be leveraged in K-2 classrooms to support foundational literacy skill development during whole group instruction, small group instruction, pull-out settings, and RTI2 lessons utilizing state-approved high-quality instructional materials.

• **How:** SEAs will reinforce skills and concepts, assist students with completing assignments, implement small group lessons with integrity, and provide immediate, specific feedback to students.

Status

There are 616 Specialized Education Assistants currently serving in K-2 classrooms.

**Forecast:** 750 SEAs will be hired by January 2022. These are the current reading levels depicting the percent of K-2 students scoring in the 50th percentile or greater on the Illuminate/Fastbridge Fall benchmark assessment.

**Forecast:** The percent of K-2 students scoring in the 50th percentile or greater will increase by at least 10% by June 2022.
• Increase in student mastery (Target: 10% increase in On Track/Mastery for students in 3rd Grade on TNReady by 2022-23)

• Increase in academic performance on K-2 formative assessments (iReady, Fastbridge Illuminate screener)

• Decrease in K-2 Teacher Vacancies (Target 5% reduction in teacher vacancies in 2022-23)

• Improved culture and climate (K-2 student discipline, Panorama Student Survey results)
SPECIALIZED EDUCATION ASSISTANTS (S.E.A.)
• The district will continue to develop the content knowledge of SEAs and provide ongoing support.

• Monthly professional learning experiences centered on the Wonders curriculum and instructional best practices in early literacy

• Observe and record SEA support in schools

• Provide real-time feedback and instructional guidance

• Supply SEAs with foundational literacy kits and model effective use of kit materials/resources

- **Who:** Students in grades 1-8
- **What:** Individualized support in reading and math
- **When:** 5 days/week beginning November and During RTI or other designated time
- **Where:** Elementary/K-8 schools
- **How:** High-dosage/low ratio tutoring (1:3 ratio) 1-hour sessions

Before & after school tutoring
- **Who:** Students in K-12
- **What:** Individualized support in reading and math
- **When:** 2-3 times/week beginning October 18 and 1 Saturday/month
- **Where:** Most elementary, middle, & high schools
- **How:** Small group tutoring (1:5-1:10 ratio) and 3 hours/week
Accountability for Outcomes Tutoring

**During the school day tutoring**
- By the end of the 2021-22 school year, elementary and middle students in the bottom 15% who meet tutoring participation criteria will show a 5% increase on pre and post assessment results.

**Before & after school tutoring**
- By the end of the 2021-22 school year, elementary, middle and high school students with a 95% participation rate will show a 5% increase on pre and post assessment results using the iReady diagnostic, EOC and ACT tests.

- By the end of the 2021-22 school year, elementary, middle and high school students in the bottom 20% who have a 95% participation rate will show a 5% increase on pre and post assessment results using the iReady diagnostic, EOC and ACT tests.

Book Nook Tutoring

Connected Literacy Grant

Partnership with Methodist Lebonheur & BookNook
This school year, BookNook will target 1st – 3rd grade students in all elementary and K-8 schools.

Students will be offered virtual tutoring based on “approaching” or below grade level based on 2021 Fall Mastery Connect data.

Students will participate for 12 weeks after school for 30 minutes for 3 x weekly (Monday, Wednesday, Thursday) (1 to 3 student/teacher ratio)

Grant requires a minimum of 3,500 students attend 85% of BookNook sessions (31 sessions)
The goal is to have at least 5,000 (1st-3rd grade) students enrolled in the program.

Parents must register for the tutoring via state registration site (required by the state)

Projected district-wide start date: November 29

There will be 350 tutors (1 to 3 teacher/student ratio)

Tutors are from all states across the U.S. and have at least one year of teaching experience

Tutors have been fully trained on the BookNook program

They each will have received a passed background check prior to start date
SCS Tutoring Programs

Before and After School Tutoring

Purpose: Structured tutoring programs have been proven to significantly increase student achievement. The before and after school tutoring program is designed to support students’ academic needs and accelerate student learning. Tutoring sessions will create high impact learning experiences, focusing on re-teaching content, and connecting prerequisite skills to grade level content.

- Dates: October 18, 2021 - April 14, 2022
- Students in grades K-12
- 1.5 minimum to 1:10 maximum tutor-to-student ratio
- 2-3 days per week for 1-1.5 hours per day & 1 Saturday per month (optional)
- Elementary and Middle school students will receive additional instruction in ELA and/or Math
- High school students will receive additional instruction in ECC content (9-10) and ACT prep (11-12)

During the Day Tutoring

Purpose: Structured tutoring programs have been proven to significantly increase student achievement. The during the day tutoring program is designed to support students’ academic needs and accelerate student learning. Tutoring sessions will create high impact learning experiences, focusing on re-teaching content, and connecting prerequisite skills to grade level content.

- Dates: November 3, 2021 - May 20, 2022
- Students in grades 1-5; Elementary and Middle school students will receive additional instruction in ELA and/or Math
- Small group tutoring sessions will last between 30-45 minutes and occur 3-5 times per week
- 1:3 tutor-to-student ratio

BookNook After School Virtual Tutoring

Purpose: Provide small group virtual/online tutoring centered around phonics, oral reading fluency, and dialogic reading. The tutors will also provide scaffolding and guided instruction to ensure literacy success. Students will be able to participate in engaging activities that support mastery of the ELA standards.

- Dates: November 15, 2021 - March 4, 2022 (12 weeks / 31 sessions)
- Students in 1st - 3rd grade
- 20 minutes virtual tutoring (Monday, Wednesday, Thursday)
- 1:3 tutor-to-student ratio
- Parent can choose a 30 minute time slot between 4pm – 7pm central
- Parent must register on the state’s website state registration site by November 11, 2022

Rock and Learn

Purpose: To improve literacy rates and impact on community. This program incentivizes parents to ensure that their children are engaging at home with tools that teach phonics and reinforce foundational literacy skills through music and kinesthetic learning for at least 20 minutes a day. Families will be encouraged to move (ie. dance, exercise, etc.) while engaging with musical videos with humorous, lovable characters and catchy songs that help knowledge stick in the minds of young learners. Also, students are encouraged to engage in additional learning in the Ready platform at least 30 minutes outside the school day.

- Dates: March 29 - May 28
- Students in KK - 3rd grade
- 20 minutes per day (Rock and Learn) and at least 30 minutes of Ready weekly

Social & Emotional Strategies
Social and emotional learning builds social and emotional skills, help students to regulate their behavior, and provide concrete strategies for coping with stress. Strategies include: implementation of a universal screener to identify SEL needs; hiring additional behavioral specialists for Tier I and II needs; hire additional ReSET room assistants to decrease exclusionary consequences; and hire additional social workers to provide evening counseling services to families.

• **WHO:** SEL benefits all students in Pre-K through 12th grade and services are provided by classroom teachers, behavior specialists, ReSET room assistants, school counselors, social workers and school psychologists.

• **WHAT:** SEL provides supports to students through a tiered intervention model from the entire student body to students who require specialized assistance and support

• **WHEN AND WHERE:** SEL occurs both at school and during the school day and outside of school hours and off site (virtual- teletherapy)

• **HOW:** SEL can be provided during whole group/classroom format, small group, and individual sessions
