

Treat Yourself to an Upgrade. Download myCYC Today.

We've completely redesigned our mobile app with you in mind.

Our new mobile app, myCYC, drastically reduces the time it takes you to act on your **Health Savings Account (HSA)**, **Flexible Spending Account (FSA)**, and **Health Reimbursement Arrangement (HRA)**.

- ✓ **Stay on top of your accounts.** Check your balances, provider payments, and claims activity.
- ✓ **Fast track your payments.** Send payments to your providers or request reimbursements with just a few taps.
- ✓ **Eliminate documentation hassle.** Our painless photo upload process allows clear and accurate submission of claim documentation in just seconds.
- ✓ **Make your account work smarter.** Set up direct deposit, enter recurring claims, add family members, and more. If you have an HSA, you can also access mutual funds investment options.
- ✓ **Get instant answers.** View FAQs and eligible expenses. If you need more help, connect to our live expert care team with just one tap.

Life is easier with myCYC.

- Check account balances
- Review investment balance
- Enter a new claim
- Check claim status
- Submit provider payments
- Upload claim documentation
- Set up direct deposit
- Add a family member
- Tap to call Customer Care
- See eligible expenses and FAQs

"Nice and simple - I just want to see my balance and reimburse myself. This is a big improvement."
