Please contact www.studentaid.gov for more details. All applications for these Federal programs are available online. Financial health measures your ability to meet your financial needs and prepare for unexpected financial emergencies. MSCS wants to help you with your financial health by assisting you in managing student loan debt. MSCS has partnered with [Tuition.io](http://tuition.io) to help you identify strategies for managing and paying off college debt. Click here to register: <http://scs.tuition.io/>

FYI: The PSLF Program forgives the remaining balance on your Direct Loans after you have made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for a qualifying employer.
