

# HOW CAN A STUDENT RECEIVE SERVICES?

## Request support

Reach out to the school counselor or school team to express concerns and request services

## Complete referral

Obtain a referral form from the counselor or mental health clinician (MHC)

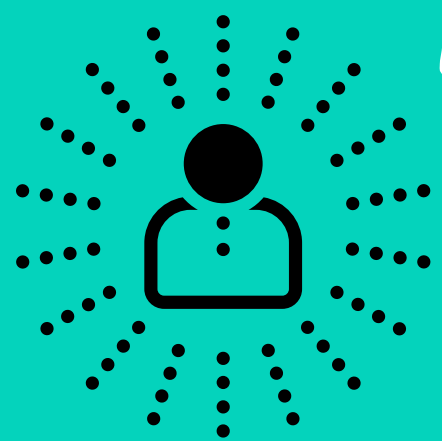

## Submit referral

Submit completed form to counselor or MHC for review

## Clinician reviews

Allow up to ten (10) days for the MHC to review and determine if services are appropriate

## Consent, if needed

If services are appropriate, MHC will reach out to get signed consent

## Services begin

Student will begin receiving Tier 2 or Tier 3 services, with progress monitoring
