

# FALL ATHLETICS UPDATE

Based on scientific data and ongoing consultation with the CDC, Health Department and National Federation of State High School Associations (NFHS), the 2020 fall sports season is postponed until further notice. Despite collaborative efforts in the District and locally to reduce the spread of the Coronavirus, the risks of exposure for our student athletes, coaches and their families is still too great. That said, if conditions improve and we resume in-person learning this fall, families will be given an option to return to play.

## KEY FACTS

- Fall practices and competitions are postponed until further notice.
- Sports conditioning may continue with approved safety protocols in place.
- Showcases and combines are being planned for junior and senior athletes interested in playing college sports.
- Workshops are being planned to assist student athletes and families with proactive recruiting efforts.
- If conditions improve and we return to in-person learning this fall, families will be given an option to allow their student athletes to participate.
- No decisions have been made regarding Winter or Spring sports seasons.

## SHOWCASE ACTIVITIES FOR JUNIORS & SENIORS

Our Athletics and Student Support teams are working closely with coaches and community partners to coordinate athletic showcases and experiences that will give juniors and seniors opportunities to display their talents for local and national college scouts.

- Multiple local and regional events this fall for interested student athletes
- Exposure to local and national coaches and scouts
- Academic recruiting seminars for players
- Safety protocols in place for all events
- No cost for students
- More info to be shared by coaches
