

READY4K

Simple literacy tips delivered
right to your phone!

SCSK12.ORG/READY4K

- Ready4k is a research-based text messaging program designed to help families continue their child's learning at home.
- The Ready4K app will deliver three (3) texts weekly (Mondays, Wednesdays, and Fridays) to **Pre-K thru 5th grade** families!
 - The texts contain fun facts and tips to provide parents with simple, engaging information.
- More than 4 million Ready4K text messages have been sent to MSCS families since we launched in Spring 2021.
- The messages match each child's age, even if the parent has more than one child.

DON'T OPT OUT!
