

GREATER SCHOOLS.COMMUNITY.

A NEW ONE-OF-A-KIND HIGH SCHOOL!

East High School is one of the most historic schools in Memphis. Now, leaders of SCS and partners from prominent businesses and higher learning institutions are working together to transform East into a new Optional high school unlike any other in our city. With rigorous requirements for incoming ninth graders, including grades, attendance, conduct and an entrance interview, success at East High will be driven by high expectations and academic excellence.

A WORLD CLASS EXPERIENCE

East HS will provide a cutting-edge T-STEM (Transportation, Science, Technology, Engineering & Math) Optional program.

The T-STEM program will be a pipeline to high-demand degrees and career fields in Memphis' renowned transportation, distribution and logistics sectors.

T-STEM students will benefit from unique resources and learning opportunities not found in traditional classrooms:

- Hands-on learning provided by corporate, government and university/college partners
- Job shadowing & internships
- Dual enrollment & after-school tutoring
- ACT prep, field trips, cultural experiences & more

East will continue to offer championship caliber athletic programs for boys and girls.

YOUR INPUT CAN HELP US PLAN A WORLD CLASS CURRICULUM FOR OUR NEW T-STEM PROGRAM!
