The department responsible for addressing the needs of homeless and/or displaced students is responsible for implementing the provisions of this policy that apply to homeless and/or displaced students.

II. STUDENT ASSIGNMENT AND TRANSFERS

Student Assignment

All school aged students attending school within the Shelby County Schools boundaries are assigned to schools based on their residence, as is reflected by the residence of their custodial parent/legal guardian/custodian. A child whose care, custody and support has been assigned to a resident of the County of Shelby in the Shelby County Schools District by power of attorney or order of the court shall be enrolled in school provided appropriate documentation is reviewed and approved by the District. Thereby all students who live in the County of Shelby in the Shelby County Schools District with their parents/legal guardians/custodians shall be admitted to the public schools without payment of tuition. Proof of legal residence and legal custody may be required.

Student Transfers

The Board believes in developing and maintaining superior curricular and programmatic offerings in all schools. The Board's expectation is that all schools demonstrate commitment to academic excellence within a stimulating and safe teaching/learning environment. The Board recognizes that parents/legal guardians/custodians make educational decisions to fit the varying needs, interests, and academic goals of each of their children and that they may wish to have their children attend a school located in an area other than that of their assigned school.

Therefore, the District shall offer student transfers that provide options for parents/legal guardians/custodians and enhance the educational environment and overall school community at individual schools.

The feasibility of allowing transfers into schools within the District, at a minimum, shall consider the educational capacity of the school including space allocation for specialty programs, staffing, general program offerings, and crowding/overcrowding.

The District shall also review transfer trends to prevent unintended effects such as inequities, disparities, and instability/underutilization in certain schools or attendance zones.

The school system shall provide parents/legal guardians/custodians with information regarding the educational programs available and shall consider student transfers according to the provisions outlined below.

A. Specialized Programs

Specialized programs (e.g., International Baccalaureate Programme, Optional Schools) have unique academic and/or behavioral criteria that must be met. The appropriate transfer period and application process for specialized programs will be posted on the District's web site.

B. General Transfers/Open Enrollment

The general transfer process/open enrollment is designed to give all families the opportunity to select the best educational experience available for their children.

Transfer Period

The transfer application period/open enrollment period for all students will be communicated to the public annually by the District. Submissions should be made prior to the upcoming school year. Transfer requests will not be considered after these dates **except** for those that qualify as an eligible circumstance.

Eligible circumstances include:

- Death of parent/legal guardian/custodian
- Divorce of parent/legal guardian/custodian
- Change of residence

Eligible circumstances are intended to allow a child to remain and/or transfer to a school when the above circumstances arise during the course of a regular school year. The District may also make student placements outside of the transfer period if required by law or determined necessary by the District (e.g., special education, safety, adjustment, psychological, or medical needs of a student).

General Transfer Provisions

All Shelby County Schools students residing within the Shelby County Schools attendance zone boundaries, including the children of non-school building employees, may request a transfer to any school within the Shelby County Schools System. These requests will be considered, after the school District grants transfers requested pursuant to Transfer Priorities 1-4 below, on a space available basis in the order each application is received.

The following general provisions apply to student transfers:

1. **Previously-Granted Transfer Renewal** - A previously granted transfer will remain in effect through the child's exit grade at a particular school, provided the child continues to meet the eligibility requirements. Written confirmation will be sent to the parent/legal guardian/custodian prior to registration each year.
2. **Current Sibling Transfer Renewal** - If a student has been granted a transfer based on their siblings' enrollment at a school, the student shall be permitted to attend the school to which they were transferred through that particular school's exit grade level.
3. **Exit Grade (last grade in the school) Request** - A student entering an exit grade may request to remain at the current school if the parents/legal guardians/custodians move to another attendance zone within Shelby County School District.

Transfer Priorities

Transfer requests shall be considered by the following priority schedule:

1. **Shelby County Schools School Building Employee Transfer Requests** - Shelby County Schools' school building employees, upon request, shall receive transfers for their children to their base/assigned work location, a school within the feeder pattern, or a school near their school (base/assigned work location) with applicable grade levels to serve their children. Educational capacity or other factors deemed relevant by the District may be considered for feeder pattern or nearest appropriate schools. Eligible individuals must be permanent

full time employees. This designation does not include interim employees. Additionally, tuition may apply for employees residing out-of-county or out-of-state in accordance with Board policy.

2. New Requests for Sibling Transfers - Students with siblings already at a school may request a transfer to the same school as their enrolled sibling. If a student is granted a transfer based on their siblings' enrollment at a school, the student shall be permitted to attend the school to which they were transferred through that particular school's exit grade level. Siblings must be enrolled at the requested school during the school year for which sibling attendance is requested.
3. Transfer Requests Based on Rezoning - Students whose school assignment has been changed due to rezoning will be considered for transfers to the last school attended where space is available if they are entering an exit grade the year that rezoning occurs.
4. High School Course of Study Transfer- High school students may request a transfer to a school that offers a course of study that is not currently offered at their assigned school. Requests will be evaluated based upon spaces apportioned for the course and if granted, the student will be required to enroll in the requested course upon admission and continue in the course of study to maintain the transfer. (This does not include the International Baccalaureate (IB) Programme or Optional Schools Program). All course of study transfers will be reviewed centrally with input from the involved school in order to evaluate academic course offerings and to ensure equitable access to course offerings.
5. All Shelby County Schools Students NOT classified within priorities 1-4 above.
6. Transfer Requests from Non-Resident Students (excluding the children of Shelby County Schools employees) - Non-resident students may request a transfer. Said transfer requests may be considered provided all renewals and transfers have been granted under the sections on General Transfer Provisions and Transfer Priorities immediately above and space is available. Non-resident transfer requests shall be considered by the following priority schedule:
 - 1) Out-of-Shelby County Schools District within Shelby County (except where administrative waivers apply)
 - 2) Out-of-County within Tennessee – Tuition may apply in accordance with Board policy.
 - 3) Out-of-State - Tuition shall be charged in accordance with Board policy.

In accordance with the provisions above, the District shall endeavor to grant all transfers that are properly submitted in a timely manner. In the event that the District

identifies space/capacity or logistical issues during the transfer process, transfers shall be evaluated by the District in the order each application is received or, when necessary, on a case-by-case basis.

Denial/Revocation of Student Transfers

Student transfers may be denied or revoked at any time if the student fails to meet or maintain acceptable academic, attendance (including tardies and late pick-ups), behavior, and/or other eligibility criteria. Parents are encouraged to monitor their child(ren)'s behavior, academic performance, and attendance and work with the school if necessary to ensure their child(ren) successfully maintain their transfers. Students whose transfers are denied or revoked are to attend their assigned school, unless otherwise determined by the Superintendent (or designee).

Transportation

Transportation for students who are granted transfers by the District shall be the responsibility of the parents/legal guardians/custodians unless otherwise required by law or provided in Board policy.

Athletics

Under certain circumstances, a transfer could jeopardize the athletic eligibility for a student. Please refer to TSSAA rule/regulations/guidelines for complete information on athletic eligibility and student transfers.

Additionally, students who provide false, inaccurate, or erroneous information to obtain a student transfer may jeopardize his/her privilege to participate in student athletics within the District.

Additionally, no tuition shall be charged to a Shelby County Schools student of military parents/legal guardians/custodians who is placed in the care of a non-custodial parent/legal guardian/custodian or other person standing in loco parentis

The Board shall not deny enrollment beyond the length of the imposed suspension/expulsion.

The parents/legal guardians/custodians of homeless students shall not be subject to the

provisions outlined in the Shared Residency Requirements section above.

Fraudulent Enrollment

Suspicion of Fraudulent Enrollment

If the school suspects that a child is fraudulently enrolled but is unable to substantiate the suspicion, the principal will report the information to the department responsible for verifying residency for further investigation. The child will remain enrolled at the school while the investigation is conducted. All referrals for residency verification will come directly from the principal or the principal's designee.

If it is verified that a student is out-of-zone or out-of-District, then a letter will be sent to the parents/legal guardians/custodians advising that the student must be immediately withdrawn and should be enrolled by the parent in the appropriate school or District. The school will also receive a copy of this letter. When questions of residency cannot be conclusively determined by the department responsible for verifying residency, the cases will be referred to the Superintendent (or designee) for District-level administrative review.

- A. District-level Administrative Review for Out-of-Zone Fraudulent Enrollment – Cases of out-of-zone fraudulent enrollment that are investigated and substantiated through District-level administrative review will result in immediate withdrawal of the student and advisement to the parent to enroll the student in appropriate school.
- B. Out-of-District Fraudulent Enrollment – Cases of out-of-District fraudulent enrollment that are investigated and substantiated through District-level administrative review will be forwarded to Shelby County Schools' General Counsel as deemed appropriate. After conferring with all offices involved in the investigative process, Shelby County Schools' General Counsel will make a determination about pursuing legal remedies pertaining to fraudulent enrollment. “Any parent, guardian, or other legal custodian who enrolls an out-of-District student in a school District and fraudulently represents the address for the domicile of the student for enrollment purposes is liable for restitution to the school District for an amount equal to the local per pupil expenditure identified by the Tennessee Department of Education for the District in which the student is fraudulently enrolled.” In the case of out-of-state enrollment, the “parent, guardian, or other legal custodian is liable for restitution to the school District for an amount equal to the state and local per pupil expenditure identified by the Tennessee Department of Education. Restitution shall be cumulative for each year the child has been fraudulently enrolled in the system.

Such restitution shall be payable to the School District and, when litigation is necessary to recover restitution, the parent, guardian, or other legal custodian shall be liable for costs and fees, including reasonable attorneys' fees, incurred by the School District.” TCA § 49-6-3003

In the event that a person, other than a student's parent, guardian, or other legal custodian, provides proof that the parent, guardian, or other legal custodian and child are residing in his/her home, that person shall sign a statement affirming that the student is in fact residing in their home. The person signing the statement affirming that the student is residing in their home shall also sign an agreement that if they are found to have falsely represented that the student is residing in their home, the person signing the statement shall be responsible for paying to Shelby County Schools, an amount equal to Shelby County Schools' local per pupil expenditure identified by the Tennessee Department of Education. A student relying upon proof of residency of a person other than the student's parent, guardian, or other legal custodian shall not be enrolled in Shelby County Schools unless the person providing the proof of the student's residence signs the aforementioned agreement, except where prohibited by law or policy (e.g., homeless students).

In accordance with state law, fraudulent enrollment cases which are substantiated and identified as being cases for which a legal remedy should be sought by Shelby County Schools' General Counsel, will be legally pursued using the remedies available under TCA §49-6-3003.

Determination of Fraudulent Enrollment

When it is conclusively determined that a student is out of the Shelby County Schools District or his/her assigned attendance zone due to fraudulent enrollment, the school will send a standardized letter to the parents/legal guardians/custodians stating that the child will be withdrawn. The withdrawal date provided by the school will be no less than two (2) and no more than six (6) business days from the date the letter is issued. Once a letter is sent to the parents/legal guardians/custodians, staff from the department responsible for verifying residency will conduct future dialogues with the parents/legal guardians/custodians, if necessary.

HOMELESS STUDENTS ADMINISTRATIVE RULES AND REGULATIONS

Enrollment/Placement

The choice regarding placement shall be made regardless of whether the student lives with the homeless parent/legal guardian/custodian or has been temporarily placed elsewhere. The District may require a parent/legal guardian/custodian of the student to submit contact information. The District shall provide a written explanation, including a statement regarding the right to appeal, to the homeless student's parent/legal guardian/custodian, or to the homeless student if unaccompanied, if the District sends the student to a school other than the school of origin ("school of origin" is defined as the school that the student attended when permanently housed or the school in which the student was last enrolled) or other than a school requested by the parent/legal guardian/custodian.

The student

parent/legal guardian/custodian shall be referred to the District staff charged with assisting homeless students, who will carry out the dispute resolution process as expeditiously as possible. If the parent/legal guardian/custodian continues to disagree with the District's final decision, he/she should contact the State McKinney-Vento Coordinator.

Services provided to each homeless student include, but are not limited to, transportation services; educational services for which the student meets eligibility criteria, such as educational programs for disadvantaged students, students with disabilities and gifted and talented students; vocational programs and technical education; school meals programs; preschool programs; before- and after-school care programs and programs for students with limited English proficiency. Information on fee waivers shall be made available to the homeless students or to the parents/legal guardians/custodians of all homeless students.

Records

Any records ordinarily kept by the school, including immunization records, academic records, birth certificates, guardianship records and evaluations for special services or programs of each homeless child or youth shall be maintained so that appropriate services may be given to the student, necessary referrals can be made, and records may be transferred in a timely fashion when a homeless student enters a new school District. Copies of record shall be made available upon request to students or parents/legal guardians/custodians in accordance with the Family Educational Rights and Privacy Act (FERPA).

District-level Assistance for Homeless Students

For a child of a military family, special power of attorney relative to the child's guardianship and executed under applicable law, shall be sufficient for the purposes of enrollment and all other actions requiring parental participation and consent. Additionally, no tuition shall be charged to a transitioning military child placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent. Further, the child may continue to attend the school in which he/she was enrolled while residing with the custodial parent/guardian.
