About SCBE

On July 1, 2013, Shelby County Schools (“SCS”) merged with Memphis City Schools to become one of the largest school districts in the country. During the 2013-14 school year, SCS Educated more than 140,000 students in over 270 locations. This included all public schools (traditional, specialty and charter schools authorized by the District) in Shelby County, located within the corporate limits of the city of Memphis, as well as in the six incorporated towns of Arlington, Bartlett, Collierville, Germantown, Lakeland ad Millington.

For the 2014-15 school year, approximately 33 schools joined one of six new municipal school districts in Shelby County reducing the student enrollment to approximately 117,269 students in grades kindergarten through grade 12. For the 2015-16 school year, the District projects an enrollment of 109,192 students. The District is comprised of 225 schools, which includes regular schools, charter schools, career and technology centers, special education centers and alternative schools.
**Background**

Project Prevent provides access to school-based counseling services for assistance in coping with trauma or anxiety through referrals to the district’s licensed Mental Health Center. Additionally, we work with community-based counseling services through providers with whom the Mental Health Center has a Memorandum of Understanding. The program also provides school-based social and emotional support for students. This will help address the effects of violence, conflict resolution and other school-based strategies to prevent future violence, and provide a safer and improved school environment. This will focus on decreasing the incidence of violence, gang involvement, and substance abuse. SCS has taken a pro-active approach at addressing the issue by providing services to this potentially highly volatile population which includes educational support, gang intervention, mental health services, and behavior development for students. Project Prevent will assist in decreasing suspensions, expulsions, gang related activity and positively impact and improve school safety and attendance. The program is funded through a federal Department of Education grant and the funds are contracted within the grant. The grant is funded for this current school year and four years following.

Interviews and oral presentations are strictly an option of SCBE or its evaluation committee and, consequently, may or may not be conducted. All travel expenses to and from the interview or oral presentation shall be the responsibility of the Respondent.

8.4 **Qualifications of the Respondent.** SCBE may make such reasonable investigations as deemed proper and necessary to determine the ability of the Respondent to provide the Services. The Respondent shall furnish to SCBE all such information and data as may be requested for this purpose. SCBE further reserves the right to reject any Proposal if the evidence submitted by, or investigation of, the Respondent fails to satisfy SCBE that the Respondent is properly qualified to carry out the obligations required in this RFP and the final contract and to provide the Services contemplated therein.
8.5 **Inspections.** SCBE reserves the right, at reasonable times, to inspect the part of the plant or place of business of the Respondent or any subcontractor thereof which is related to the performance of any contract awarded or proposed to be awarded by SCBE. SCBE further reserves the right, at reasonable times and places, to audit the books and records of any Respondent who has submitted a Proposal to the extent that such books and records relate to cost or pricing data contained in the Proposal.

9.0 **AWARD OF CONTRACT.** The final contract for provision of the Services will ultimately be awarded to the Respondent deemed by SCBE in its sole discretion to be the most responsive and responsible Respondent. In determining which Respondent is the most responsive and responsible Respondent, SCBE will consider which Respondent is fully qualified and best suited, offers the best Services for the most reasonable price and is altogether most advantageous to SCBE among those submitting Proposals in response to this RFP, as determined based upon evaluation of the criteria set forth in this RFP and upon the results of negotiations. Terms of engagement will be negotiated with the selected Respondent, and the final contract will be awarded in the manner deemed by SCBE to be fair and most advantageous to the District.

9.1 **Rejection of Proposal.** SCBE reserves the right to reject any or all Proposals and to waive informalities and irregularities in any or all Proposals submitted. In this regard, SCBE, at its own discretion and at any time prior to award, may cancel this RFP or reject any Proposal, in whole or in part, and is not required to furnish a statement of the reason why a particular Proposal was rejected or was not deemed to be the most advantageous.

9.2 **Bid Preferences.** SCBE applies a five percent (5%) bid preference to Respondents, which qualify as local businesses. This preference shall not apply to purchases or contracts that are funded in whole or in part by a governmental entity if the laws, regulations or policies governing such funding prohibit application of the Local Preference; when exigent emergency conditions or noncompetitive situations exist; and when a particular purchase, contract, or category of contracts for which SCBE is the awarding authority is waived upon written justification and recommendation of the Board.

9.3 **Negotiation and Approval of Contract.** Should, at any time, SCBE determine in its sole discretion that only one Respondent is fully qualified or that one Respondent is clearly more qualified than the others under consideration, a proposed contract may be negotiated for award to that successful Respondent. SCBE shall have no obligation to include in any such proposed contract any part of any sample contract submitted by the Respondent. The proposed contract must be presented to the Board Members of the SCBE (the “Board”) for final approval of award. Provision of the Services may not commence until: (i) a contract between SCBE and the successful Respondent is properly negotiated, executed and entered; (ii) the contract is approved by the Board, as required; and (iii) SCBE issues to the successful Respondent a written notice to proceed. In the event that a contract is not successfully negotiated within 30 days of the notification of the recommendation of award, and/or if the contract is not approved by the Shelby County Board of Education for awards totaling $100,000 or more, the vendor may no longer be considered, and the district reserves the right to contact the Respondent with the next highest ranking or issue a new RFP.

9.4 **Compensation.** The successful respondent will be compensated upon the completion (of each phase) of the project’s objectives and have met or exceeded the District’s Scope of Services requirements. More specific guidance regarding compensation may be set forth in Section B of this RFP.

9.5 **Price Adjustment.** The price to SCBE, including fee, profit or any other portion of the compensation payable to the Respondent, shall be adjusted to exclude any significant sums by which SCBE finds that the price was increased because the fees, costs or pricing data furnished by the Respondent were inaccurate, incomplete or not current as of the date of the contract.

9.6 **Charges Not Required.** The successful contractor and SCBE both shall agree that SCBE shall not be required to pay to the successful contractor any cost, fee or charge which is not specifically required to be paid by the contract.

9.7 **Performance.** SCBE and the successful contractor each shall agree to fully perform all of their respective obligations under the Agreement. However, failure of SCBE to perform such obligations shall not automatically relieve the successful contractor of its obligation to perform under the contract.

9.8 **Protests.** SCBE will consider all protests filed in a timely manner regarding the award of a contract, or the process
of awarding a contract, in relation to this RFP, whether submitted before or after award. All protests are to be submitted in writing.

10.0 GENERAL TERMS AND CONDITIONS.

10.1 No Commitment. This RFP does not commit SCBE to award a contract, pay any costs incurred in the preparation of any Proposal submitted, procure or contract for Services from any Respondent or any other person. Accordingly, each Respondent shall be responsible for all costs incurred in the preparation and submission of its Proposal or in any part of its participation in the pre-award process.

10.2 Conditions and Assumptions. All Proposals and related documents submitted shall be based on the same conditions and assumptions that will underlie any prospective final contract between SCBE and the successful Respondent. Thus, in establishing the terms of any resulting contract, SCBE may assume the conditions and assumptions underlying the Proposal submitted by the successful Respondent are accurate.

10.3 Termination. Failure by the successful contractor to comply with the terms and conditions of this RFP or to deliver the Services identified in this RFP or the contract at the prices quoted shall void the contract award. In the case of the successful contractor’s failure to deliver the Services in accordance with the contract terms and conditions, SCBE, after due oral or written notice, may procure such Services from other sources and hold the successful contractor responsible for any resulting additional purchase and administrative costs.

SCBE reserves the unilateral right to cancel and terminate any resulting contract, in part or in whole, without penalty, whenever SCBE in its sole discretion determines that such a termination is in the best interest of SCBE. Any such termination shall be enacted by delivery to the successful contractor by certified mail, at least thirty (30) calendar days prior to the termination date, a notice of termination specifying the extent to which performance shall be terminated and the date upon which such termination shall become effective. After receipt of a notice of termination, the successful contractor must stop all work or deliveries under the contract on the effective date and to the extent specified in the notice of termination. However, any such contract termination notice shall not relieve the successful contractor of the obligation to deliver and perform on all outstanding orders issued prior to the effective date of termination. No payment shall be made for anticipated profit on unperformed services.

10.4 Ethics in Public Contracting. By submitting its Proposal, Respondent certifies that its Proposal is submitted without collusion or fraud, that it has not offered or received any kickback or inducement from any other Respondent, supplier, manufacturer, subcontractor, customer or other person in connection with its Proposal and that it has not conferred on any public employee or official having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, employment, service or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

10.5 Prohibited Contact. Registered and non-registered lobbying of SCBE staff members or Board members with respect to a pending project or award is prohibited during the time period between the date the RFP is advertised and the date a final contract is awarded. Any contact between SCBE staff members or Board members and any representative of a Respondent relating to a pending project or award (whether by writing, telephone, e-mail or otherwise) outside of properly scheduled meetings, other than as intended and initiated by an SCBE staff member or a Board member, shall be grounds for disqualification of the Respondent from the bid process. By submitting a Proposal, the Respondent represents and warrants that it has not made, and will not make, any contact prohibited by this paragraph.

10.6 Conflict of Interest. Respondent certifies that no SCBE Board member, staff member or any SCBE employee has a financial or beneficial interest in the Respondent.

10.7 Mandatory Use of Form and Modification of Terms and Conditions. Failure to submit a Proposal on any official form provided for that purpose may be cause for rejection of a Proposal. Return of the complete form is required. Modification of, or additions to, the general terms and conditions of this RFP may be cause for rejection of the Proposal. Notwithstanding, the SCBE Director of Purchasing reserves the right to decide, on a case by case basis, in his or her sole discretion, whether to reject such a Proposal.
10.8 **Errors or Omissions.** The Respondent shall not be allowed to take advantage of any errors or omissions in the specifications set forth in this RFP. Where errors or omissions occur in this RFP, the Respondent shall promptly notify the contact person listed in this RFP and report the identified error or omission. Inconsistencies in the specifications are to be reported before Proposals are submitted to SCBE.

10.9 **Liability for Improper Date or Time Processing.** By submitting a Proposal, the Respondent agrees that, if it becomes the successful contractor, the Respondent will indemnify and hold harmless SCBE and the officers, employees, Board members and agents of SCBE against any claim of, or liability for, breach of any contract related to the Services that is caused directly or indirectly by the failure of computer software or any device containing a computer processor to accurately or properly recognize, calculate, display, sort or otherwise process dates or times.

10.10 **Audit.** Unless the contract is a firm fixed price contract, SCBE shall be entitled to audit the books and records of the successful contractor or any subcontractor thereof to the extent that such books and records relate to the performance of the successful contractor’s contract with SCBE. Accordingly, the successful contractor agrees, and any subcontractor thereof will agree, to retain all books, records and other documents relative to this RFP and the related contract for a period of three (3) years from the date of final payment under the contract for the contractor and for a period of three (3) years from the date of final payment under the subcontract for the subcontractor, unless a shorter period is otherwise authorized in writing the SCBE. By submitting a Proposal, the successful contractor grants to SCBE the right to perform, or have performed by its authorized agents and/or auditors, an audit of the books and records of the successful contractor. Consequently, SCBE will have full access to, and the right to examine, any of said materials following the giving of reasonable notice during said period. RESPONDENTS ARE HEREBY NOTIFIED THAT ALL RECORDS OF ALL PERSONS CONTRACTING WITH THE SCBE MAY BE SUBJECT TO THE TENNESSEE PUBLIC RECORDS ACT.

10.11 **Compliance with Procedures.** The successful contractor will comply with all procedural instructions that may be issued from time to time by SCBE. However, the substantive terms and conditions of the contract shall not change without the written consent of all parties thereto.

10.12 **Obligation of Successful Contractor.** By submitting a Proposal, the successful contractor covenants and agrees, based upon its own investigation of the conditions to be met, that it fully understands its obligation and that it will not make any claim under, or have any right to cancellation or relief from, the contract because of any misunderstanding or lack of information.

10.13 **Format of Services; Satisfaction of SCBE.** The Respondent agrees that, if it becomes the successful contractor, the Respondent will fully provide to SCBE, to the best of its capabilities, the Services in substantially the format, quality and scope required by, or indicated in, this RFP, including any modifications and additions hereto. Furthermore, the Respondent agrees to be responsible for providing the Services in a manner and to an extent satisfactory to SCBE.

10.14 **Delivery.** By submitting a Proposal, the Respondent agrees that, if it becomes the successful contractor, the Respondent will deliver to SCBE all items required to be delivered by this RFP and the Agreement in a form, which is complete and ready for use.

10.15 **Taxes.** The successful contractor shall determine, be responsible for and pay any applicable taxes related to the Services or the Agreement, including but not limited to any property tax, sales tax, federal excise tax or federal highway use tax. SCBE is a tax-exempt organization and shall not be billed for, nor be expected to pay, any taxes applicable to the Services. A COPY OF DOCUMENTATION VERIFYING THE “TAX EXEMPT” STATUS OF SCBE IS AVAILABLE AND WILL BE FURNISHED TO THE SUCCESSFUL CONTRACTOR UPON REQUEST.

10.16 **Support.** If it becomes the successful contractor, the Respondent agrees and affirms that, throughout the Agreement Term, it will utilize its best efforts to assist and support SCBE in addressing any problem whatsoever relating to the Services or the Agreement.

10.17 **Deviation from Specification.** Accountability for the Services will rest solely with the successful contractor. Any inaccuracy in or other deviation of the Services from the required specifications will be corrected by the successful contractor within two (2) weeks after the successful contractor is notified of the inaccuracy or discrepancy.
10.18 **Time for Performance.** In order to minimize the disruption of schools and other SCBE facilities, the successful contractor will perform the Services during hours, which will be determined by SCBE.

10.19 **Non-Discrimination.** The Respondent is obligated not to discriminate against any employee of, or applicant for employment with, the Respondent on the basis of race, color, religion, handicap, national origin, sex or socio-economic status. This obligation shall include, but not be limited to the following matters: employment, upgrading, demotion, transfer, recruitment, recruitment advertising, layoff, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Respondent is obligated to comply with all requirements of the Americans with Disabilities Act. In addition, all vendors wishing to do business with Respondent shall be afforded the same equal opportunity and non-discrimination. By submitting a response to this RFP, the Respondent confirms and asserts that it is not currently discriminating, and will not discriminate, against any person in any manner related to this RFP or to any Proposal or contract related hereto, including in the performance under any such contract.

10.20 **MWBE Policy and Local Preference Policy.** Respondent can view the requirements of SCBE Policy 2010 and 2011 in Section D of this RFP.

10.21 **Bonding or Other Security.** If the Services include any type of construction or maintenance of a public building, work or other project to be provided under a contract having a contract price of more than One Hundred Thousand Dollars and No/100 Dollars ($100,000.00), then, prior to the commencement of work under the contract, the successful contractor will execute and provide to SCBE a good and solvent bond to the effect that the successful contractor will pay for all the labor and materials used by the successful contractor or by any subcontractor, immediate or remote, in connection with the contract, in lawful money of the United States, as required by Section 12-4-118 of the Tennessee Code Annotated. The bond shall be for at least twenty-five (25%) of the contract price. The bond shall provide that the successful contractor shall promptly make payment when due of all taxes, licenses, assessments, contributions, penalties and interest on the project.

10.22 **Insurance.** By submitting a Proposal in response to this RFP, the Respondent certifies that, if awarded a contract, it will have the insurance coverage required for performance of the Services, if any, at the time the work commences. Additionally, the Respondent certifies that it will maintain this insurance coverage throughout the entire term of the contract and that all insurance coverage shall be provided by insurance companies authorized to sell insurance in Tennessee. During the term of the contract, SCBE reserves the right to require the successful Respondent to furnish certificates of any required insurance for the coverage required by SCBE, if any is required.

Accordingly, no claim of confidentiality or proprietary information in all or any portion of any Proposal submitted in response to this RFP will be honored unless a specific exemption from the Public Records Act exists and such exemption is cited in the Proposal. Any claimed exemption must be specifically cited by page and paragraph number(s). An incorrectly claimed exemption does not disqualify the Respondent.

10.24 **Ownership of Computer Programs and Data.** Ownership of all computer systems, programs, software, data, materials, documentation or similar products purchased, created or compiled in connection with the performance of the Services or the performance of obligations under any contract resulting from or related to this RFP, now or hereafter, shall vest completely and exclusively with SCBE. Upon expiration of the term of the contract, the successful contractor will relinquish and convey to SCBE any right it may have in such computer systems, programs, software, data, materials,

MINORITY, WOMEN AND DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION

II. SCOPE

Therefore, the Board and administration will take concerted action to ensure that, to the maximum extent practicable, minority business enterprises will equitably share in the total volume of business awarded by the school system. This will be accomplished by developing and implementing a comprehensive supplier diversity program that will significantly increase the amount of business the school system does with minority, women, and disadvantaged-owned business enterprises without sacrificing quality, service, on-time delivery, and competitive value of the goods and services it purchases. LOCAL PREFERENCE PURCHASING

I. PURPOSE

To give a local preference to businesses located in Shelby County, Tennessee for the purchase of supplies, materials, equipment, and services.

II. SCOPE

This policy applies to District level contracts with a total dollar purchase amount of $10,000 or more.

III. DEFINITION

A. Local Preference Purchasing means giving preference to businesses located within Shelby County, Tennessee in the purchase of personal property, materials, and contractual services and in constructing improvements to real property or to existing structures.

B. Local Business means a vendor or contractor who holds a valid license to do business in Shelby County, Tennessee; has a street address within the limits of said locality for a continuous period of at least six (6) months prior to bid or proposal opening date; and has proof that Shelby County Personal Taxes are current (applies to local businesses who have been doing business in Shelby County, Tennessee for a year or more).

IV. POLICY STATEMENT

The Shelby County Board of Education recognizes that a significant amount of funds are spent on purchasing personal property, materials, and contractual services and in constructing improvements to real property or to existing structures. The Board also recognizes that dollars used in making purchases are derived largely from revenues generated from businesses located within Shelby County, Tennessee. The Board believes that funds generated in the community should be placed back into the local economy. Therefore, it is the policy of Shelby County Board of Education to provide
a preference to local businesses in procurement transactions whenever the application of such a preference is reasonable in light of the dollar-value of proposals received in relation to such expenditures.

In the bidding of, or letting for procurement of supplies, materials, equipment and services, with a total price of ten thousand ($10,000.00) dollars or more, if the lowest responsive bidder is a regional or nonlocal business, then all bids received from Local Businesses are decreased by five (5) percent. The original bid is not changed; the five (5) percent is calculated only for the purpose of determining the Local Preference. The Local Preference cost differential is not to exceed one hundred thousand dollars ($100,000.00).

In the case of request for proposals, letters of interest, best evaluated bids, qualifications or other solicitations and competitive negotiation and selection in which objective factors are used to evaluate the responses, Local Businesses will be assigned five (5) percent of the total evaluation points up to a maximum of five (5) points.

In the event of a tie between a local and non-local business, favor shall be given to the Local Business and a coin toss method will be used to break ties between two (2) or more local businesses meeting said specifications.

Exceptions
This preference shall not apply to purchases or contracts that are funded in whole or in part by a governmental entity if the laws, regulations or policies governing such funding prohibit application of the Local Preference; when exigent emergency conditions or noncompetitive situations exist; and when a particular purchase, contract, or category of contracts for which SCS is the awarding authority is waived upon written justification and recommendation of the Board.

Restrictions
The Local Preference shall apply to District level purchases only. The preference shall apply to new contracts for supplies, materials, equipment, and services first solicited after January 29, 2013.

1. By signing and submitting this proposal, the prospective primary and/or lower tier participant ("participant") is providing the certification set out below. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction, however failure of the prospective participant to furnish a certification or explanation shall disqualify such person from participation in this transaction. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including termination for cause or default, suspension and/or debarment.

3. The prospective participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including termination of this transaction for cause or default, suspension and/or debarment.
