

December 15, 2024 Facilities Update

Intercom Projects

21 Phase I installations complete.
16 Phase II projects in progress; 4 installations complete, training pending; all equipment delivered; cabling in progress at 5; 10 switch installs complete

Project BUILD Phase I

52 total projects; 34 Board approved and in progress

Remainder estimated to be heard at January 2025 Board meeting

4 Outdoor athletic lighting projects
1 Track resurfacing project
10 LED gym lighting upgrades
3 Fire system replacements
3 Foundation repairs
11 HVAC upgrades
5 Paving projects
2 Plumbing projects
8 Roof replacements
5 Window replacements

Ongoing Capital Projects

53 total projects

1 Auditorium renovation
1 Building addition
1 Drainage/Building envelope repair
1 US Dept of Energy Grant (HVAC, Windows, Lighting)
15 Fire alarm upgrades
2 Foundation repair
2 Gym floor projects
7 HVAC Upgrades
12 Intercom replacements
2 New schools
1 Restroom renovation
7 Roof replacements
1 Insurance claim storm repair

Vacancy Report--50 total vacancies (46 in Maintenance); 8 offers made

					Resolution:
					Upon arrival, the panel had 18 troubles. All devices except 1 are known to be located in Annex 1 Bldg. The last device does not have a location or anything in the custom label. Went to Annex 1 and checked the wiring. The data wiring does not have power. I could not find the location of the power loss or disconnect. Upon departure the panel had 18 troubles.

New Frayser HS

Demolition began 8/14/24

Update – Last 30 Days:

TWF Builders office & safety trailer setup onsite

Construction fence installation complete

Earthwork mobilization and site clearing continues

Abatement Complete

Interior / Exterior demolition complete

Phase 1 erosion control installed

MLGW utility disconnect provided to MSCS

Steel order and specs to be determined

Content area meetings with District staff continue (low voltage, performing arts, STEM)

Awaiting District payment of ERP3 (Early Release Package funding for construction materials)

Value engineering/redesign reduced construction cost to \$120M

Groundbreaking planning ongoing

Mayor announced support for more funding from County

County Commission Committee voted in favor of funding Dec. 11 (not official)

County Commission Dec. 16

New East Region HS

NERHS Site

- No Additional Action Letter issued by TDEC for former CSX Rail Spur
- CSX removed the deed restrictions from the Rail Spur that currently limit school and athletic uses
- NERHS Planned Development APPROVED unanimously by the Land Use Control Board; heard in City Council Committee (Aug. 20)
- NERHS Planned Development scheduled for City Council vote in September

Site Next Steps:

- Continue due diligence on Baptist/Ferrell Paving site
 - Submit Baptist/Ferrell Paving site PD to LUCB for zoning
 - Design Development will continue pending:
 - Approval of VE Changes & Target Project Cost; under review
 - Recommendations on cuts to Program/scope to further reduce costs
 - ALTA Survey and Geotechnical Analysis Summaries - District authorization needed
- Cost to be updated by CMAR at 100% DDs
- City Council Meeting 9/10/24-removed from agenda
- City Council Meeting 10/2/24 (removed from agenda; second removal)
- City Council Meeting in November 12

CITY COUNCIL VOTED NO ON LAND USE ZONING CHANGE

NERHS CAN NOT BE BUILT ON SELECTED SITE

STAFF IS INVESTIGATING ALTERNATIVES AND WILL PRESENT OPTIONS
