CURRENT/RETURNING SCS STUDENTS

If my child is a current SCS student and will be returning next year, is he/she required to register?

No. However, parents must confirm and update the registration information on file for the student and acknowledge SCS agreements. You can make those changes in your [PowerSchool](#) parent account.

For security reasons, some information can only be updated at the child's school. Also, please note that two (2) proofs of residence must be presented to the school if your child's home address changes. Immunization records must also be submitted for Kindergarten and 7th grade.

What if my child is a current/returning SCS student, and I have no changes to last year's registration information?

If you do not have any changes, you just need to confirm that the information is correct and acknowledge some agreements in your [PowerSchool](#) parent account.

If my current/returning SCS student is on an approved School Choice transfer (General Choice or Optional Schools), do I need to reapply each year?

No, as long as your child is returning to the same approved school and meeting all of the requirements (attendance, behavior and grade, etc.), the transfer is good through the exit grade. For additional questions about General Choice transfers, please contact the S.E.E.D office at (901) 416-6007. For additional questions about Optional Schools transfers, please contact the Optional Schools office at (901) 416-5338.

If my child has an approved School Choice transfer, do I need to complete registration?

If the student is a first-time SCS student, he/she must complete new student registration. Parents of current/returning students must confirm and update the registration information on file for the student in their [PowerSchool](#) parent account.

If my child is a current/returning SCS student and his/her home address changes, what is required?

You can make those changes in your [PowerSchool](#) parent account. Additionally, you must submit two (2) proofs of residency to the school to verify your address is zoned to the school.

What items will be accepted as proof of residence for registration?

- Lease/rental agreement
- Mortgage statement or deed

To check the status of an Optional Schools Application, please contact the Optional Schools office at (901) 416-5338.
