

NAF Academies are coming to

KINGSBURY HIGH SCHOOL

2019 - 2020 school year

***BE FUTURE
READY***

Academy of Health Sciences

Academy of Information Technology

In August, two NAF academies will be implemented at Kingsbury High School. NAF students will become a part of a national network with access many exclusive opportunities, including scholarships and preferential hiring at prestigious multinational companies. A cohort of 25 students will be inaugurated in the Health Science and Information Technology academies.

The benefits of being a NAF student include:

- Access to scholarship opportunities for undergraduate and graduate school
- Curriculum developed with the help of industry leaders
- Potential paid internship opportunities
- Opportunities to network with businesspeople
- Mentorship opportunities with successful NAF alumni
- Exclusive NAF networking and alumni events
- Preferential hiring at companies that recognize NAFTrack Certification
