

Make it an *i-Ready* Summer!

Dear Parents/Guardians,

Your children are able to continue their learning with i-Ready over school breaks, and summer is the vacation where they could use it most! i-Ready provides personalized academic and enrichment activities to meet your student's specific needs. These i-Ready MATH instruction lessons will support students' growth, development and Math grade level readiness.

By working on the prescribed (**green button**) and teacher assigned (**blue button**) i-Ready lessons, your child will be addressing individual skill deficits and key grade level skills/standards that will help ensure they are proficient on prerequisite skills for next year.

All you need to get started are a computer, internet, Adobe Flash Player, and the following:

- Run a **system check** on your computer at: <http://www.i-ready.com/support/>
- **Website:** <https://clever.com/in/scs>
- **Student Username:** *same as they use to log into Clever/i-Ready at school*
- **Student Password:** *same as they use to log into Clever/i-Ready at school*

In support of i-Ready, please monitor your child's usage and provide assistance when necessary. You may check your child's progress by having the student log in and click the "**My Progress**" tab. Here you will be able to see exactly what skills your student has been working on and how he/she is doing.

The program will be available for use through 7/28/18, when it locks for an 18-19 refresh.

Troubleshooting Assistance:

- **For help getting your students' login information:** contact the SCS Parent Welcome Center at **901-416-5300** (ask for Parent Welcome Center) or scshelp@scsk12.org
- **If your student's account is saying he/she has no more lessons, or for other technical issues:** please contact mricci@cainc.com and shelbyrostersupport@cainc.com

Have a great summer!

¡Qué continúe el aprendizaje durante las vacaciones con i-Ready!

Estimadas familias,

Su hijo(a) puede continuar aprendiendo durante las vacaciones usando su programa de aprendizaje personalizado en i-Ready. Solo necesita una computadora, acceso al internet, el programa Adobe® Flash Player y la información de acceso. Para confirmar que su computadora cumple con los requisitos para usar el programa, puede visitar i-ready.com/support y presionar el botón anaranjado.

- 1: Visite la dirección de internet: <https://clever.com/in/scs>
- 2: Entre su nombre de usuario _____ (docente – escribir esto aqui)
- 3: Entre su contraseña _____ (docente – escribir esto aqui)

Si usted necesita su nombre de usuario o su contraseña, solicítale a tu docente antes de verano, o llamar a su escuela.

Para ayuda:

- Para información de inicio de sesión del estudiante, contacta al centro de bienvenida para padres:
 - scshelp@scsk12.org or **1-901-416-5300**
- Si su cuenta de estudiante dice que se ha quedado sin lecciones, o para otro soporte técnico, póngase en contacto i-Ready Support:
 - mricci@cainc.com y shelbyrostersupport@cainc.com

¡Tengan un buen Verano!
