

April 22, 2009

Dear Parents:

We would like to introduce you to a new system Shelby County Schools has acquired to help protect your children; it's called V-soft. V-soft helps track visitors, students, faculty, contractors, and volunteers at our school, thus providing a safer, more monitored environment for the students.

Upon arriving on campus visitors, volunteers, contractors, or parents coming to pick up students, are asked to **report immediately to the Main Office and present a valid, state-issued ID**. The ID will be entered into the system which has the ability to provide alerts on people who may jeopardize the safety of the campus.

We feel certain that this will help us keep our campus a little safer, and we appreciate your cooperation in presenting your valid, state-issued ID when checking in at the school. Thank you in advance for your help in this matter.

Sincerely,

David A. Stephens
Principal, Bolton High School
