

SAFETY DRILL LOG

School:	School Year:
Principal:	Phone Number:
Fax Number:	Date Submitted:

Use the following worksheet to plan drills for your school. Schools **MUST** submit your completed copy of the safety drill log to Emergency Management before the last day of school to **be in compliance with State Law**. Fire drills requiring evacuation will be held at least once every 30 school days, with one (1) additional fire drill within the first fifteen (15) days of school. Additionally, four (4) Fire Safety Educational Announcements, "not" requiring full evacuation. A record of all fire drills, including the response time and date, shall be kept in the respective school or institutional offices and shall be made available upon request to the state fire marshal, or the state fire marshal's deputies or assistants, for inspection and review.

Each school shall conduct at least one (1) Armed Intruder /Lock-Down drill annually. The Intruder/Lock-Down drill shall be conducted in the first thirty (30) days of school operations.

Four (4) Other Drills "not requiring full evacuation" during the school year, which shall include two (2) Earthquake Preparedness drills, one (1) Severe Weather drill, and one (1) CPR/AED Training drill.

Additional drills are permitted, if desired.
