OPTIONAL SCHOOLS HANDBOOK

"In the Optional Program, we focus on cultivating students' strengths and interests through engaging, hands-on learning. Whether in performing arts, world languages, leadership, or STEM/STEAM pathways, our teachers use specialized instructional approaches that enrich the standard curriculum and create a more personalized, dynamic learning environment."

Optional School Students

Optional Schools: Pursue the Possibilities

No matter what your child's goals and interests are, you can find a great fit in one of our unique and competitive Optional programs. With 45 elementary, middle and high school programs across Memphis-Shelby County, you can always find an Optional school close to you!

Prospective parents,

Your commitment to finding the best educational environment for your child is commendable. Choosing the right school is a significant decision and an exciting journey.

I am Dr. Katrina Taylor, and I have had the privilege of serving families within the Memphis-Shelby County Schools (MSCS) Optional Program for over 20 years. As parents, we have the critical task of selecting school placements that meet the needs of our children, but also enable them to develop in areas of interest and cultivate their talents and abilities. No matter what path your child may choose in life, he or she needs a strong educational foundation that includes rigorous learning opportunities, high expectations, highly qualified and supportive teachers, a safe and nurturing environment, and a well-rounded educational experience.

The MSCS Optional Program has a long-standing tradition of excellence. Our Optional Program has served thousands of students throughout Shelby County and placed them on a trajectory for success in college, careers, and other future endeavors. Optional schools provide challenging coursework and authentic instructional experiences led by teachers who inspire and challenge high-performing students to achieve their best. Every Optional school has a specialized learning focus, such as Enriched Academics; Science, Technology, Engineering, Arts, and Mathematics (STEAM); College Prep; International Baccalaureate (IB); Creative and Performing Arts (CAPA); International Studies; Environmental Science; Information Technology and many more.

Every child has his or her own path to success, and I invite you to discover that path in one of our 45 Optional schools. We can't wait to show you what we have to offer!

Sincerely,

A handwritten signature in black ink, appearing to read 'Katrina Taylor', with a long horizontal flourish extending to the right.

Dr. Katrina Taylor
Director of Optional Schools and Advanced Academics
Memphis-Shelby County Schools

SCHOOLS**

Discover Your Options

I love my Optional Program because I get to learn in two languages, and we get to learn about different cultures. I can communicate with my friends in English and in Spanish!

Optional School Student

The Optional Program's emphasis on rigorous academics and socio-cultural competence provides a unique foundation for students right here in MSCS. By investing in their knowledge and their interpersonal skills, we are growing students who are ready to lead in our diverse community...and around the globe!

Optional School Coordinator

Balmoral Ridgeway Elementary (1-5)

International Baccalaureate Primary Years Programme

At Balmoral Ridgeway, we are proud to be an International Baccalaureate (IB) World School, offering the Primary Years Programme (PYP). Through the IB framework, students are empowered to think globally, act locally, and connect classroom learning to real-world experiences.

The Primary Years Programme (PYP) is one of only two primary-level IB programs in the district, designed to foster inquiry, collaboration, and student agency. At Balmoral Ridgeway, students grow into compassionate learners who excel in the Middle Years and Diploma Programmes, becoming leaders in their communities and beyond.

Points of Pride

- Balmoral-Ridgeway has been designated a 2024-25 Reward School due to our strong academic performance and growth.
- Our open-concept learning environment fosters collaboration, communication, and inquiry. Without traditional classroom walls, students engage in flexible, shared spaces that encourage teamwork and creativity.
- Our students grow as internationally minded learners who demonstrate the IB Learner Profile traits: caring, principled, knowledgeable, thinker, inquirer, communicator, balanced, risk-taker, open-minded, and reflective.
- Our teachers and staff foster a caring community where every child is seen, supported, and challenged to reach their highest potential.

Academics

- Learning at Balmoral Ridgeway is transdisciplinary, connecting reading, writing, math, science, and social studies through central ideas that connect to students' lives and the world around them.
- Students explore six transdisciplinary themes that connect subjects and encourage global thinking: Who We Are, Where We Are in Place and Time, How We Express Ourselves, How the World Works, How We Organize Ourselves, and Sharing the Planet.
- Spanish is offered to all students as part of our commitment to world language and intercultural understanding.
- Through ongoing assessment and intentional small group instruction, we provide targeted support that ensures every learner is challenged, supported, and successful.

Activities

We offer a variety of clubs and enrichment opportunities for all students:

- BRE Music Ensemble
- Student Council
- National Junior Beta Club
- IB Student Exhibition (PYPX)
- Community Partner Service Projects
- Spelling Bee
- Enrichment Clubs
- Sports (Soccer, Dance, and Cheer)
- Girl Scouts
- YMCA Before and After Care

Come See What We Have To Offer!

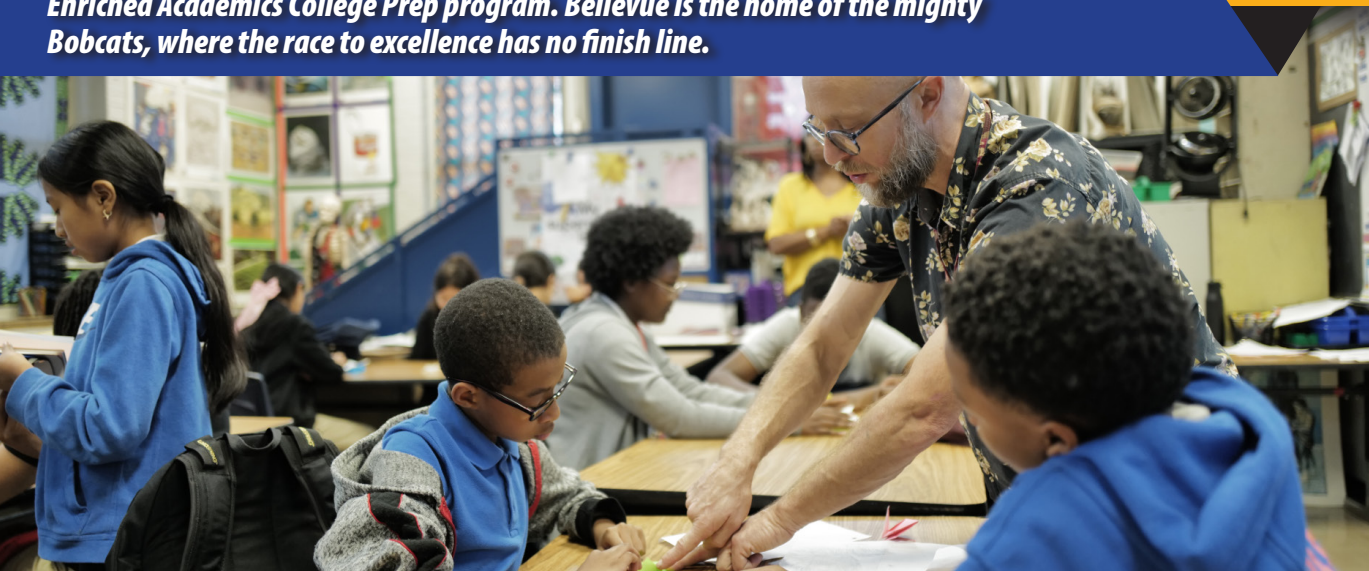

schools.scsk12.org/balmoralridgeway-es

(901) 416-2128 | 5905 Grosvenor Ave., Memphis, TN 38119

Located in the heart of Memphis, Bellevue prepares scholars to become creative problem solvers, confident lifelong learners, and responsible citizens through our Enriched Academics College Prep program. Bellevue is the home of the mighty Bobcats, where the race to excellence has no finish line.

Bellevue is in the medical and government districts, giving students opportunities to see how both fields work to support our community, city, and tri-state area. Our students take on a rigorous curriculum while building the confidence to be leaders in the community.

Points of Pride

- Art students host/deejay for radio station 91.7 at the Crosstown Concourse and create props for theater shows at the University of Memphis like Carnival Vitas: Dance of the Animals.
- State champions in boys and girls basketball, girls and boys track, and football
- Our award-winning marching band and orchestra perform locally and regionally.
- Our superior majorette and drumline are frequently requested to perform in local and statewide parades.

Academics

- Students can earn high school credits in Algebra I, Geometry, Spanish I, Russian I, Culinary Arts, and Physical Science.
- Students can take up to three years of Russian or Spanish.
- Exploratory classes include drama, dance, Spanish, Russian, culinary arts, PE, band, orchestra, art, STEM, and Facing History.
- Bellevue Middle was designated a 2021-22 and 2022-23 Level-5 Reward school by the Tennessee Department of Education. Reward schools typically demonstrate high levels of performance and /or growth across all indicators.

Activities

- Football, basketball (boys and girls), volleyball, track (boys and girls), baseball, softball, soccer (boys and girls), and rugby (boys and girls)
- Students have the opportunity to partner with St. Jude Children's Research Hospital.
- Bellevue Beta Club members volunteer on Sundays at the Memphis Union Mission.
- The Student Council is very active at school and in the community, providing meals for our homeless community at Thanksgiving and Christmas.
- Bellevue Tech Experts assist students with technology needs to get hands on experience.
- Bellevue hosts a schoolwide club day with more than 30 clubs available for students.

(901) 416-4488 | 575 S. Bellevue Blvd., Memphis, TN 38104

College Preparatory

Bellevue Middle School (6-8)

William H. Brewster Elementary (1-5)

Science, Technology, Engineering, Arts, and Mathematics (STEAM)

STEAM education encourages creativity, critical thinking, and problem-solving skills by integrating science, technology, engineering, arts, and math. Students develop a well-rounded understanding of the world while making real-world connections and promoting hands-on learning experiences.

Our academic program promotes biliteracy and positive cross-cultural attitudes in an immersive, multicultural environment.

Points of Pride

- William H. Brewster is one of five MSCS schools that have the TN STEM designation.
- Partnerships with Brooks Museum, Clean Memphis, Junior Achievement, Junior League, the Memphis Zoo, Museum of Science and History, National Youth Leadership, Orpheum Theatre Group, Project Lead the Way, Rotary Club, St. Jude STEMM for Primary Grades, St. Jude. STEMM After-school Club, University of Memphis STEM Ambassadors
- World language course for grades PreK-2
- State-of-the-art science and technology lab
- Unique Outdoor Classroom and Learning Garden for students to plant, harvest and learn through experiences

Academics

- William H. Brewster Elementary was designated a Reward school by the Tennessee Department of Education for 2022-2023.
- Students are exposed to Project Based Learning that promotes real world engagement through problem solving skills, critical thinking, creativity, communication, and collaboration.
- Our STEM class and technology lab bring learning to life through hands-on interactive simulations.
 - STEM students participate and place at University of Memphis E-Day, Battle of Bots and MATE.
- Clue program is available for eligible students in grades K-5
- Quarterly Fieldtrips to extend the classroom learning and monthly Lunch Chats by Stakeholders.

Activities

- Student leadership opportunities: Student Council, Safety Patrol, Beta Club, Student Ambassadors
- Clean Memphis hands-on environmental science workshops in Grades 2-5.
- Monthly Day of Wonder: Wonderous Wednesday Power of One STEAM Club Day HOT Learning Experience (Higher-Order-Thinking)
- STEM -focused after school clubs: Digital Yearbook, GWC Coding Club, St. Jude STEMM Club, Bookworm Buddies Book Club, Crochet Circuit Club, Orff Music Choir, Strings Orchestra, and Broadway-style musical productions
- Amazon Future Engineer Program
- Annual Family STEAM Night
- NFL Night (Night of Family Literacy)

Come See What We Have To Offer!

schools.scsk12.org/whbrewster-es

(901) 416-7181 | 2605 Sam Cooper Blvd., Memphis, TN 38112

We develop innovative and culturally compassionate lifelong learners through international studies.

Our students gain global awareness in an internationally enriched academic environment. Students are involved in project-based learning that fosters collaboration.

Points of Pride

- Students develop global awareness as they complete an in-depth exploration of various countries.
- Our International Studies Showcase includes performances written and produced by students.
- Our International Library Center provides students with tools to sharpen their research skills.
- Brownsville Road Elementary designated a Level 5 Reward school twice in row (2022-23, and 2024-25) by the Tennessee Department of Education. Reward schools typically demonstrate high levels of performance and/or growth across all indicators.
- Each grade level learns about the customs, cultures, and languages of a specific country and uses this information to hold a mini cultural celebration.

Academics

- Inquiry-based lessons assist in developing student research and communication skills.
- Academically gifted students have access to the CLUE program.
- National Junior Beta School of Distinction with two top-three finished in the state competition
- Before school tutoring program for all students
- Optional scholars participate in a rigorous academic program that intentionally prepares them for Advanced Placement and honors courses. Instruction emphasizes higher-level thinking through project-based learning, academic presentations, and competitive academic experiences that challenge students to apply knowledge, think critically, and perform at high levels.

Activities

- Brownsville's Got Talent! -- an Orff music club that combines singing, percussion, recorders, and xylophones
- Our scholars participate in a Piano Enrichment Program that builds music theory, keyboard skills, and performance while fostering creativity, focus, and confidence.
- Enrichment activities include book, art, and garden clubs.
- We provide student leadership opportunities through Student Council, Peer Mediation, and Junior Beta Club.
- Our Kitchen Community Learning Garden provides students the opportunity to plant, grow, harvest, and cook vegetables and herbs.
- Our newly launched Boys Basketball Program offers students the chance to develop athletic skills while learning the values of teamwork, perseverance, and leadership.

Come See What We Have To Offer!

schools.scsk12.org/brownsvilleroad-es

(901) 416-6309 | 5292 Banbury, Memphis, TN 38135

Enriched Academics/International Studies

Brownsville Road Elementary (1-5)

Central High School (9-12)

College Preparatory

Known as "The High School" by parents, Central is large enough to offer a great variety of rigorous courses but small enough for a true family and community atmosphere.

Our stimulating and competitive College Preparatory Optional program leads students to top scholarships and acceptance to the most prestigious colleges. Our high standards and diverse interests prepare students to compete in the real world.

Points of Pride

- Seniors average \$20+ million in accepted scholarships every year, and many begin college with multiple credits.
- Central is honored to have multiple National Merit Semi-Finalists annually.
- Every year, at least 25 students are honored as AP Scholars by College Board based on their exemplary performance on multiple AP Exams.
- In 2022, 2023, and 2025, students have been awarded an AP Capstone Diploma.
- Central is represented at every U.S. service academy.
- 2025 1st Place High School Jazz Band champion of the 30th annual Essentially Ellington High School Jazz Band Competition & Festival
- Two track and field athletes have been honored with the Gatorade Track & Field Athlete of the Year award in the last several years.
- 2024 CMA Foundation Music Teacher of Excellence

Academics

- 20 Advanced Placement and 11 Pre-AP courses at all grade levels
- One of only 52 schools in the state offering the prestigious Flagship Scholarship for the University of Tennessee, Knoxville and other UT schools.
- Through Dual Enrollment and Dual Credit partnerships with the University of Memphis, Bethel University, and Southwest Tennessee Community College, students in grades 10–12 can select from over 20 college-level courses. These courses enable students to earn college credit that is directly transferable to their college transcripts.
- Multiple world language options, including Spanish, French, Latin, and Russian, with students winning related national and international contests

Activities

- More than 100 academic and social clubs: Student Council, Peer Mediation, E-Sports, to name a few; each one is connected to various community service projects.
- Award-winning ROTC program dating back more than 100 years
- Four-Time High School Traditional Marching Band National Champions, including back-to-back wins in 2024 and 2025 at the US BANDS/STATS Traditional High School Grand Championship.
- Championship athletic programs:
 - 2023 Tennessee State Girls Track and Field Champions
 - Four-time Tennessee State Boys Track and Field Champions
- The award-winning fine arts department boasts some of the District's highest-scoring students on AP Art and Design exams, with their exceptional artwork regularly featured in exhibitions across the city.

(901) 416-3031 | 306 S. Bellevue Blvd., Memphis, TN 38104

"All the world is a stage" for Colonial Middle School's diverse population of artists, performers, explorers and scholars!

Our students explore the arts and perform on stages across the country and around the world. Cultures are brought to life through enriched instruction in the classroom and exciting learning experiences beyond.

Arts and Academics

Colonial Middle School (6-8)

Points of Pride

- Our Creative And Performing Arts (CAPA) program partners with colleges, universities, and arts programs to foster students' talents in art, band, choir, creative writing, dance, drama, orchestra, and piano.
- Our CAPA students consistently win top awards in local, state, and national competitions.
- Colonial CAPA students were awarded multiple awards in the latest Scholastic Art & Writing Awards.

Academics

- Through the arts, students obtain a well-rounded, eye-opening education. They learn good judgment, problem solving, and an appreciation for multiple perspectives.
- Projects, debates, student presentations, and competitions help enhance the rigor of core subjects.
- The CLUE program and honors courses are offered for eligible students.
- High school credit can be earned in 8th grade for Algebra I, and Honors Spanish.

Activities

- Media, photography, writing, research, reporting, editing, film, and graphic design are taught and incorporated into our student-led media programs.
- Clubs and leadership programs include Girls in Pearls, Best Buddies, book club, National Junior Honor Society, CAPA Ambassadors, Beta Club, and Student Council.
- Our athletics department offers basketball, baseball, soccer, softball, football, track and field, volleyball, step team, cheerleading, and majorettes.

Come See What We Have To Offer!

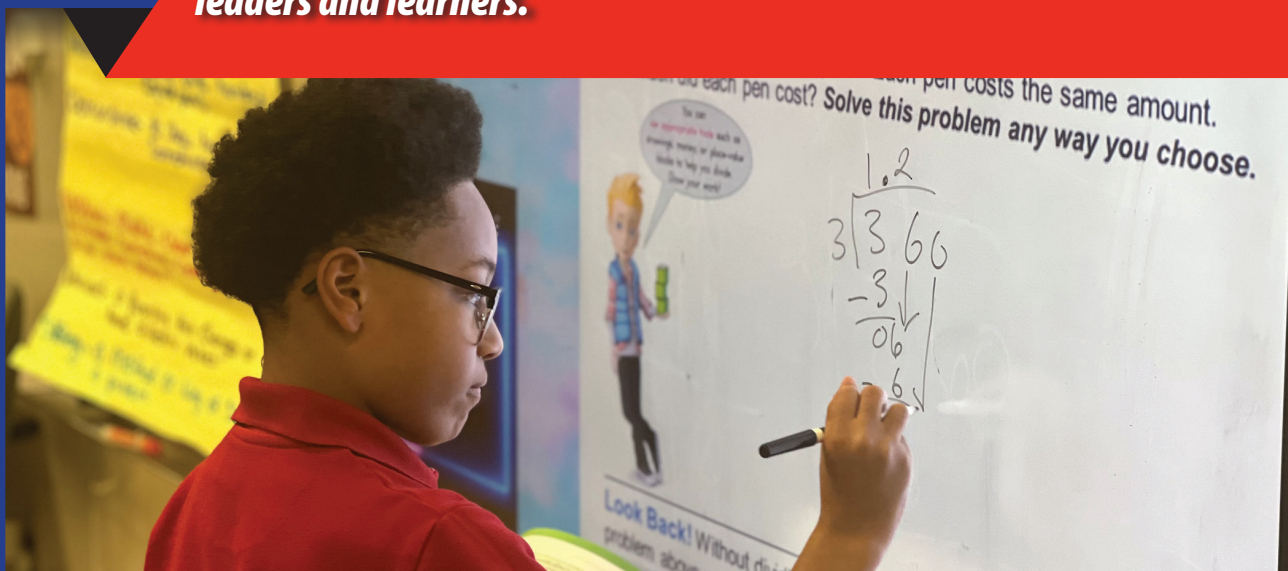

schools.scsk12.org/colonial-ms

(901) 416-5247 | 1370 Colonial, Memphis, TN 38117

Our enriched academics program develops students into global leaders and learners.

Our focus on technology integration enables students to become well-rounded, tech-savvy, creative thinkers and leaders.

Points of Pride

- Our caring and dedicated staff nurture curiosity and creativity. Students are supported academically and emotionally through our nurturing of the whole child.
- We enjoy strong connections with families and community partners, which include Partners in Education (PIE) organization, DuPont, Trinity Baptist Church, and the Boy Scouts. All support us during various family activities throughout the year.
- Students benefit from enriching experiences in weekly support classes, including music, P.E., art, and library.
- Cordova Elementary is one of 20 district schools adopted by Amazon during their recent partnership with MSCS.

Academics

- Faster-paced, higher-level instruction and enrichment best meets the needs of students who are academically advanced.
- The CLUE program is offered for eligible students in all grades.
- We believe enrichment means different work, not more work, and we strive to ensure that students are supported in skills to help them develop as global leaders and learners.
- In-school and after-school tutoring programs assist students with improving academic achievement.
- Arise2Read volunteers work with 2nd grade students to enhance reading and comprehension skills.

Activities

- Orff choir club
- Recorder club
- Folk art dance club
- Honor Society
- Gymnastics
- Art club
- Life Wise and Crossroads Kids Club

Come See What We Have To Offer!

schools.scsk12.org/cordova-es

(901) 416-1698 | 750 Sanga Rd., Memphis, TN 38018

With an invigorating focus on enriched academics, Cordova Middle engages today's learners in exhilarating tasks that fuel analytical thinking, effective communication, and great collaboration.

We are the heartbeat of Cordova! Our innovative learning unlocks all possibilities for all students to AIM HIGH!

College Preparatory

Cordova Middle School (6-8)

Points of Pride

- Orchestra and choir students are consistently recognized for All West Honor Choir and West Tennessee School Band and Orchestra Concert Festival with high honors.
- Our students participate in Junior Achievement Biztown, Junior Achievement Finance Park, and the Amazon Future Engineer program.
- Our school was a rain garden recipient.
- Community Partners: Amazon, Trinity Baptist Church, Morning Chapel Baptist Church, Hope Church, Kroger, and McDonald's (Houston Levee & Trinity)

Academics

- Students can earn high school credits in Algebra I, Spanish I, and Physical Science.
- The CLUE program is available for eligible students.
- We offer multiple honors and enriched classes featuring technology-driven learning.
- Engaging STEM instruction, activities, and challenges
- Students can earn a Microsoft Office Specialist (MOS) PowerPoint certification.
- We offer etymology, as well as vocal music, orchestra, band, visual arts, and Spanish.

Activities

- Club and leadership opportunities include National Junior Honor Society, Student Council, Student Government Association (SGA), Model UN (United Nations), announcement staff, and Cougar ambassadors.
- Athletics: football, basketball, soccer, volleyball, track, baseball, softball, and cheerleading
- The Arts: band, award-winning choir program, award-winning orchestral program, and visual arts
- STEM students participate in many engaging activities and challenges.

(901) 416-2189 | 900 Sanga Rd., Memphis, TN 38018

Craigmont High School (9-12)

College Preparatory / International Studies

Our intensive curriculum and small class sizes allow students to be immersed in world cultures and gain the interpersonal experiences needed to succeed in a diverse and ever-changing global society.

Our program prepares our students to compete globally in a diverse world while consistently performing at higher levels on state and nationally normed assessments.

Points of Pride

- Our Optional students have represented Memphis in May honored countries: Turkey, Chile, Sweden, Panama, Poland, and Canada.
- The class of 2025 exceeded \$19 million in scholarships.
- CHS students compete nationally, including the SeaPerch underwater robotics program, debate, culinary arts, and Future Business Leaders of America (FBLA).
- Global awareness is developed as scholars explore the customs and cultures of various countries and complete projects.

Academics

- Our Optional curriculum focuses on intensive English, social studies, and foreign language courses.
- Science and math are emphasized in our STEM program.
- All students can earn college credit in Advanced Placement (AP) and dual-enrollment college courses.
- Our teachers prepare students for college and beyond by challenging students to become critical thinkers and high-achieving scholars.
- International travel opportunities are available.
- AP tutoring and ACT prep are available.

Activities

- Academic Excellence: National Honor Society, Microsoft certification, robotics, Knowledge Bowl, French and Spanish clubs
- Fine Arts: orchestra, band, visual art, yearbook, and dance team
- Junior Achievement
- Extracurricular Activities: boys and girls athletic teams, quarterly international film festivals, enrichment field experiences, lunch-and-learn series, and Boys and Girls Club

Come See What We Have To Offer!

schools.scsk12.org/craigmont-hs

(901) 416-4312 | 3333 Covington Pike, Memphis, TN 38128

We equip scholars to successfully manage the rigors of high school and continue the journey toward college and career readiness. Our international studies program teaches scholars to excel in a diverse and competitive world.

Craigmont Middle School is the only international studies middle school in the District. Our scholars learn about other countries and cultures to prepare them for success in a diverse world.

Points of Pride

- Global awareness is developed as scholars explore the customs and cultures of various countries and complete projects.
- Community partners support CMS and its scholars through recognitions, educational supplies, encouragement, athletics, and much more.
- CMS is a Level 5 Reward School by the Tennessee Department of Education 4 years in a row. Reward schools typically demonstrate high levels of performance and/or growth across all indicators.
- Highly qualified teachers, many of whom hold advanced degrees, including National Board Certification
- Scholars engage in internationally themed activities throughout the year.

Academics

- Optional scholars participate in rigorous content that prepares them for Advanced Placement and honors courses in high school.
- Qualifying eighth-grade Optional scholars can earn high school credit for Algebra I, Spanish I, and Career Advising and Planning.
- The CLUE program is available for eligible students.

Activities

- There are multiple opportunities for scholars to participate in extracurricular clubs and sports activities.
- An annual International Festival features multicultural exhibitions of information, art, food, and music.
- Scholars participate in monthly celebrations highlighting various cultures.
- Scholars serve as ambassadors and on the student tech team.

Enriched Academics and International Studies

Craigmont Middle School (6-8)

Our enriched academics program affords our students the opportunity to engage with rigorous curriculum and project-based learning daily. Our students serve as Tech Experts in our Student Technology Expert Program.

Our academic program promotes STEM-enriched projects and programming with partnerships with the West Tennessee STEM Hub and Code Crew.

Points of Pride

- Level 5 Reward School by the Tennessee Department of Education for 2021-22. Reward schools typically demonstrate high levels of performance and/or growth across all indicators.
- Awarded \$50,000 for the enhancement of our band and athletic programs from Pure Entertainment Group
- Students learn financial literacy through the R.I.S.E. Foundation.
- 85% of middle school students received CCTE certification in Microsoft.
- Kindergarten to College pathway

Academics

- Our collaborative learning environment promotes problem-solving skills with a STEM focus.
- Students participate in weekly STEM club meetings where they work on robotics, coding, and STEM based projects.
- Our students can earn industry certifications that count for high school early postsecondary opportunities (EPSOs) toward graduation requirements.
- Spanish for Elementary

Activities

- Student Leadership Opportunities: Student Council, peer mediation, STEM Club, Tech Experts, and Beta Club
- STEM-focused Clubs: FIRST Lego League and VEX IQ Robotics
- Sports, including football, basketball, track, and cheerleading

Every student is held to high academic and social expectations and is encouraged to grow as dreamers, animators, innovators, and creators.

DTV NEWS

With access to advanced technology and exceptional facilities, our teachers deliver innovative, engaging lessons that promote academic excellence while nurturing students' social-emotional growth.

Information Technology

Delano Elementary School (K-5)

Points of Pride

- Recognized by the Tennessee Department of Education as a 2025 Reward School, earning this distinction multiple times since 2020 for exceeding state standards in academic achievement and growth.
- Outdoor Learning Classroom where students learn, explore, and engage in hands-on experiences beyond the traditional classroom.
- State-of-the-art facility featuring a STEM and technology lab and a digital TV studio, where students engage in hands-on activities, projects, and experiments. Students explore real-world experiences in virtual reality, artificial intelligence, animation, and coding.
- The only elementary school in Memphis with a student broadcasting program. Students create and broadcast the daily school, local, and national news through our YouTube channel, gaining hands-on experience in digital media and journalism.
- Partners with Action News 5, WKNO, St. Jude, Cadence Bank, Orion Bank, TN Probation and Parole, Clean Memphis, Enchanted, and Truth Generation Church to offer students rich academic, cultural, and real-world learning experiences.

Academics

- Learning is enhanced by 21st-century technology, preparing students to thrive in a technology-driven world. Students gain extensive hands-on experience using computers and digital media, building skills for future academic and career success.
- Technology is integrated throughout the school, providing students with a wide range of learning experiences that build the tech literacy they need to succeed in college and future careers.
- CLUE is offered to eligible students in grades KK-5.
- Spanish is offered to students in Pre-K through 2nd grade, helping them build confidence and gain early exposure to other cultures.
- Students have access to an Outdoor Classroom and Learning Garden, where learning comes to life through hands-on exploration, experimentation, and connection with nature.

Activities

- DTV-Student News
- National Junior Beta Club
- National Elementary Honor Society
- Arts Program (Chorus, Instrumental Music, Digital Arts & Animation)
- Enrichment Clubs & Student Organizations
- Participate in community service projects
- Robotics, Basketball, and Cheer Teams

Community Service and Leadership Prep

We are a hidden GEM in the heart of the Westwood Community providing a spirit of care for more than 40 years. We create life-long learners who lead with confidence, inspire others, and serve the community with pride.

ALL our students are Optional students; we focus on developing the whole child.

Points of Pride

- One of only twelve schools that begin the Optional program at kindergarten
- Our open-space learning environment promotes collaboration with teachers, staff, and students.
- Silver recipient of the Response to Intervention and Behavior Award
- Our Optional program offers social emotional learning courses, leadership development activities, and college and career ready academics.
- We have 45 years educating students in the Westwood community.
- Coronation

Academics

- We emphasize individualized instruction and small group instruction..
- Academically gifted students have access to the CLUE program.
- Classroom instruction is supported by laptops, Smart Boards, Digital Den, Media Center, and Student Devices for every child.
- Students receive extra support from Specialized Educational Assistants in grades K-2.
- Students receive intervention, leadership development, and literacy support from school adopters, including the Shelby County Links, Longtown and Mt. Vernon Baptist Church.
- Focus on TN Academic Standards that identify what students are expected to know and be able to do in each content area at each grade level.

Activities

- Student Council, Student Ambassador Club
- VIP Club, Data Club
- Community service projects
- The Wave Makers (Drummers)
- ICY ARTS Program
- Before and After School Tutoring
- YMCA Before and After School Care
- The Diamond Squad (Pom Squad)

North Memphis pride starts at Douglass High!
#HighExpectationsOverEverything

At Douglass High School we are committed to transforming all students into lifelong learners and community builders through standards-based curriculum, effective tech integration, rigorous assessments, and research-based pedagogy.

Points of Pride

- Our Optional students benefit from unique activities designed to expose them to real-world situations, involving public service and communication, and enhance their overall education.
- Our stakeholders are community leaders who offer internships and job shadowing experiences for our students.
- Our Optional students represent more than 15 countries. We promote a culture of pride and representation for our diverse student population.

Academics

- We set high academic standards for all students, and our goals are met through high-quality curriculum, pedagogy, technology integration, and assessments.
- We have expanded our course offerings to include Dual-Enrollment Coding and a STEM Practicum.
- Our students have the opportunity to enroll in honors, dual enrollment, statewide dual credit, and Advanced Placement courses.

Activities

- We offer a vast selection of programs, clubs, and opportunities to promote social and emotional learning.
- The Douglass JROTC Battalion consistently ranks among the top JROTC programs in Shelby County.
- Our orchestra benefits from a partnership with Memphis Music Initiative, connecting students to the larger Memphis music community.
- Our athletic teams consistently compete in regional and state level competitions.

Douglass School (K-8)

Public Service and Communication Arts

Our program highlights pertinent skills and abilities necessary to be college and career-ready. We develop productive researchers, skilled organizers, and effectively persuasive writers.

Our program develops student leaders and equips them to use their voices to make a difference in our community and city.

Points of Pride

- Our debate team placed in the top 20 individual speakers for the last two school years in the Debate Society.
- Our newly formed Student Council gives students a voice in school activities and bylaws.
- From third through sixth grades, our students are trained to be literate across many computer programming systems and are taught computational and algorithmic thinking skills.
- Our Optional students benefit from unique clubs designed to expose them to real-world situations and enhance their education.
- Our Optional students benefit from unique clubs designed to expose them to real-world situations and enhance their overall education.

Academics

- The CLUE program is available for eligible students.
- Douglass K-8 believes in nurturing the whole child; therefore, we provide myriad extracurricular activities that allow all students the opportunity to explore their interests.
- All students engage in computer-based Media Arts lessons and projects to expand computer knowledge concepts.

Activities

- Student Council
- Cultural Activities throughout the year including Hispanic Heritage month and Black History Month
- Award Winning Debate team (Top 20 2022-Present)
- Athletics: Basketball (Varsity & Junior Varsity), Baseball, Football, Volleyball, Softball, Track

Downtown Elementary provides a multi-faceted Optional program that inspires children to pursue and achieve their fullest potential in efforts to compete globally in the 21st century.

Our students learn from local politicians, professors, doctors, and business leaders who work Downtown and partner with our school. Our students are using state-of-the-art technology every day in our classrooms.

Points of Pride

- Our parents and community partners support our students by volunteering as mentors, tutors, Watch D.O.G. Dads, and serving on our Site-Based Decision Committee.
- Several of our dedicated staff members have received grants for technology and learning materials to extend and enrich learning beyond student textbooks.
- We have an exceptional Orff music program that participates in ChoirFest, Side by Side with the Memphis Symphony Orchestra, and various school programs.
- We are a National Junior Beta Club School of Distinction.
- The majority of our teachers hold advanced degrees, and several are National Board Certified.

Academics

- Optional students attend enriched classes in language arts, math, science, social studies, and technology.
- The CLUE program is available for eligible Kindergarten through 5th grade students.
- Our Optional curriculum is designed to maximize learning experiences and enhance the academic and social development of our students.
- Optional classes feature challenging and creative activities that require students to utilize higher-level thinking skills.
- Technology is integrated daily into our academic programs to ensure students can compete globally in the 21st century.
- Students engage in quarterly field trips that focus on our social studies theme.

Activities

- National Junior Beta Club
- Student Council and student advisory committee
- Various clubs/activities including chorus, majorettes, cheerleading, boys basketball, Gentlemen's League and yearbook.
- STEM club with St. Jude Children's Research Hospital
- School adopters include St. Mary's Episcopal Cathedral, Blue Cross/Blue Shield, the office of Shelby County Mayor Lee Harris, Lights of Glory International Church, C-Fire, and the Mary Small Chapter 70 Order of the Eastern Star.

East High School (9-12)

T-STEM / College Preparatory

Fueled by prominent business, university, and community partners, we offer world-class STEM instruction along with exciting internships and experiences in Memphis' globally renowned, tech-driven transportation industry.

Our rigorous program emphasizes STEM career opportunities, prepares students for post-secondary education and careers, and maintains a special focus on local needs and opportunities.

Points of Pride

- The only fully Optional high school in MSCS
- Designated a TN STEM School and a 2024 Reward School
- National Magnet School of Excellence
- Students engage in practical experiences provided by members of the transportation and STEM workforce.
- We partner with the University of Memphis, FedEx, West Tennessee STEM Hub, Cummins, the City of Memphis, Southeast Transportation Workforce Center, Southwest-Aviation, AutoZone, the Organization of Black Aerospace Professionals, Workforce Investment Network, and the Institute of Transportation Engineers.
- 14 students earned drone certifications to operate Unmanned Aircraft Systems (UAS) and five students passed the knowledge exam needed to earn their private pilot's license.

Academics

- Course offerings include AP, Honors, STEM, and Dual Enrollment for all students in grades 9-12.
- All incoming students are enrolled in at least one STEM course.
- The FedEx Flight Academy simulator lab prepares students to earn their private pilot's license. To date, students have earned three private pilot's licenses and more than 40 drone (Small Unmanned Aircraft System or sUAS) licenses.
- Aviation students who qualify may enroll in dual enrollment Aviation Flight I and II classes with Southwest Tennessee Community College. The majority of the instruction takes place at East with a certified aviation instructor.
- All classes are taught in an interactive, block-scheduling environment.
- During Genius Monday, students experience field trip opportunities where they are able to observe and apply concepts learned.
- Juniors and seniors with a 19+ ACT composite may take dual enrollment classes on the campus of U of M, including Biology I and II, College Algebra, Calculus, and U.S. History I and II.

Activities

- We offer paired mentoring programs for all students with a focus on incoming freshman.
- Our monthly CEO speaker series features prominent regional executives.
- Our athletics department offers competitive opportunities in many sports: football, soccer, volleyball, basketball, bowling, and golf, to name a few.
- Job shadowing and unique internships are offered through our partnerships.
- East hosts college representatives from MIT, UTK, Duke, and more. College tours are offered to visit schools in Georgia, Tennessee, and Mississippi.

Our Diesel Technology program affords students the opportunity to strengthen the Memphis workforce by graduating high school with industry certifications recognized by governments, markets, and trade groups.

Cummins has chosen East High as its North American site for the Technical Education for Communities (TEC) Program!

Diesel Technology

East High School (9-12)

Points of Pride

- Students gain the hands-on experience of a technical career college.
- Integral to TEC's implementation and success are coalitions of industry partners, which work together with our education partner, Tennessee College of Applied Technology, and industries to provide students with needed workplace experiences.
- The TEC program is a global initiative that targets the technical skills gap through partnerships with education programs.
- TEC delivers a standardized education program and set of tools to help East High work with its industry and education partners to develop market-relevant curriculum, teacher training, career guidance, and the practical experience needed by students.

Academics

- TEC's Five Element Framework helps East High fill the gaps in current technical offerings to students through these five elements:
 - Market-relevant skills: Students are prepared for what the Memphis workforce needs.
 - Quality curriculum: Students receive lessons and training for Memphis-relevant occupations.
 - Effective teachers: Teachers learn the technical and practical use of equipment and tools.
 - Career guidance: Students receive help to identify the right career.
 - Workplace learning: Students learn from hands-on training internships through industry partners.

Activities

- Diesel industry partners provide quality, hands-on experiences and equipment.
- Training on interpersonal communications and problem solving
- Workplace learning such as internships, apprenticeships, and job shadowing

John P. Freeman School (1-8)

Our program challenges students while preparing them for the real world.

Through creative, collaborative, and challenging academics, our students achieve at the highest level. We empower students to be independent thinkers, responsible citizens, and community leaders.

Points of Pride

- 2023 1st place winner in the MSCS 30th Annual Oratorical Contest
- All K-5 students study the customs, culture, and geography of a specific country weekly. We host our Festival of Trees, Holidays Around the World, and our annual International Festival to spotlight the countries and what our students have learned throughout the year.
- Our students and families are committed to ending childhood cancer, collectively raising a total of over \$30,000 for the children of St. Jude since 2016.
- Our students are supported academically and emotionally through the nurturing of the whole child by our dedicated staff.
- We Partner with Honor Society and IB program students from Germantown High School to strengthen community ties, foster positive peer mentorships, and develop leadership skills.

Academics

- We offer enriched academics for higher-level learners in grades K-5 and the CLUE gifted program for eligible students in K-5.
- Students learn to appreciate the global community by participating in an extensive study of different countries in every grade.
- Students participate in a conversational Spanish class once a week to build self-confidence, enhance overall academic performance, and expand future career opportunities.
- All students participate in quarterly international projects, field trips, and field experiences to enhance their academics, develop presentation skills, and prepare them as leaders in the world.
- Literacy Mid-South and Team Read volunteers work weekly with students to enhance reading and comprehension skills.

Activities

- Our students are actively involved in community service events, such as the St. Jude Walk/Run, our annual mitten tree, and yearly coat drive.
- Literacy Night, Math and Science Night, Holidays Around the World, and our year-end International Festival build and nurture strong relationships with our families.
- Participants in All-City and the Memphis Grizzlies She Can Combine event
- STEM club with St. Jude Children's Research Hospital
- Before and afterschool clubs include piano club, guitar club, St. Jude STEM Club, jog club, Beta Club, Kiwanis K-Kids, art club, yoga club, book club, and Boy Scouts.
- Students in grades 3-5 participate in the Scripps Spelling Bee.

Come See What We Have To Offer!

schools.scsk12.org/germantown-es

(901) 416-9183 | 2730 Cross Country Dr., Germantown, TN 38138

The Collegiate Academy at Germantown High School equips students for success beyond high school and prepares them to become future leaders.

We celebrate diversity of thought in our rigorous honors, pre-AP, AP, and dual enrollment advanced academics program through critical thinking and intellectual development.

Points of Pride

- Opening its doors in 1910, Germantown High School is located on a 22-acre campus with 10 academic buildings and gymnasiums.
- GHS seniors earned acceptance to nearly 300 different colleges and universities and were awarded more than \$70 million in scholarships
- Home to award-winning music, band, art, and theater programs.
- Students awarded the distinction of the College Board National Recognition Programs.
- Senior scholars selected for participation in St. Jude Research Immersion Program for high-achieving students.

Academics

- We offer more than 50 honors, pre-AP, AP, dual enrollment, and statewide dual credit classes.
- Dual enrollment and dual credit partnerships with University of Memphis, Bethel University, and Southwest Community College.
- Students awarded the distinction of the College Board National Recognition Programs for outstanding PSAT/NMSQT test scores.
- Students are Questbridge Scholars, Gates Scholars, US State Department Scholars, and AP Scholars for Academic Achievement.

Activities

- Student Government Association welcomes all students to join and participate in the planning of student activities, including homecoming, Make-a-Wish fundraising, and the college and career fair.
- GHS offers a variety of sports, including football, basketball, tennis, baseball, swimming, track, majorettes, pom, and cheer.
- Our JROTC program develops students' leadership and citizenship skills.
- GHS has more than 75 student clubs and organizations, including Model UN, mock trial, student congress, Bridge Builders, Knowledge Bowl, K-Pop Club, Anime Club, International Club, and multiple honor societies.

Collegiate Academy

Germantown High School (9-12)

Our nationally recognized CAPA program gives students college-level training in an unmatched professional setting. GHS offers six fine arts disciplines: band, choral music, film and video, orchestra, theatre arts, and visual art.

Our students consistently earn state and national honors for all forms of artistic expression. Our teachers have real-world experience in the discipline they teach.

Points of Pride

- GHS is home to our on-campus, multi-million-dollar television studio, GHS-TV. Each year, students are recognized by the National Association of Television Arts and Sciences, both regionally and nationally, with Student Production Awards. These awards are the equivalent of an Emmy for high school students.
- GHS-TV has been named the Best Educational Station in the nation an unprecedented 17 times, more than any other station in the nation.
- The GHS choral department offers a chamber choir, chorale, women's choir, and an a cappella group.
- The GHS Red Devil Band participates in band competitions throughout the region.
- The Poplar Pike Playhouse, our on-campus theatre, provides two main-stage performances during the year and is recognized more than any other MSCS school at the yearly High School Musical Theatre Awards sponsored by the Orpheum Theatre.
- The GHS visual art program consistently offers professional-level student work, which is recognized locally as well as nationally.

Academics

- Students are afforded the opportunity to produce a daily live broadcast in our communication and broadcasting studio.
- Students have performance and exhibition opportunities in all areas of the arts.
- Students in the theatre and film and video classes enjoy workshop opportunities each year with professionals in the field.
- Many of our teachers are also alumni!

Activities

- GHS has an active student government association, which offers ways to get involved in school and fun activities for the student body to express school spirit.
- GHS offers a variety of sports, including football, basketball, tennis, baseball, swimming, track, majorettes, and cheer. Students are recognized and recruited for their efforts.
- GHS offers an annual international festival with multicultural exhibitions of art, food, dance, and demonstrations.
- GHS offers more than 75 clubs and organizations where each student can explore their interests and find their place.

We are committed to providing all scholars with exceptional learning opportunities that empower, engage, and inspire them to become college and career ready citizens in our global 21st century.

Our scholars achieve and place in state and national STEM competitions. We offer three world languages for high school credit and are the only middle school that offers a year-round equestrian opportunity for students through their senior year of high school.

Points of Pride

- Our STEAM Club Students participate and compete in the following:
 - HOSA – Future Health Professionals: All participating students are CPR certified, have earned 1st or 2nd place in the 2024 and 2025 state competitions, and qualified for national-level competitions.
 - Technology Student Association: 1st and 2nd place in 2021, 2022, and 2025 in regional and state competitions.
- Through a partnership with the Southern Blues Equestrian Center, we offer year-round riding lessons to our students through their senior year of high school.
- Our adopters and community stakeholders provide extended learning opportunities to create a bridge between school and future career opportunities.
- Havenview received a 2021 Big Green grant of \$2,000 to support outdoor learning and the TSIN STEM grant, which provided a 60-gallon aquaponics system.
- We enjoy an awesome STEM partnership with the West Tennessee STEM Hub, St. Jude Children's Research Hospital, and Code Crew.

Academics

- Students can earn high school credits in Arabic, Chinese, and Russian.
- The CLUE program is available for eligible students.
- Honors and enriched core subjects are available for eligible students.
- Our engaging STEM instruction emphasizes coding, robotics and CTE student certifications in Microsoft Office PowerPoint.

Activities

- Vocal music, performing band, theatre, and dance
- Student leadership opportunities: Student Council, National Junior Honor Society, and Future Business Leaders of America
- STEM-focused clubs: Technology Student Association, HOSA-Future Health Professionals, aquaponics club, learning garden, and tech experts
- Sports teams (12): BridgeUp GiddyUp (equestrian), football, volleyball, basketball, track and field, baseball, softball, cheerleading, pom, and flag football
- Auxiliaries: Performing Band, majorettes, flag team, competitive cheerleading, HMS Flippers

**Guided by our motto, "Children First, EXCELLENCE Always."
Idlewild students excel in science and technology.**

Since 1903, Idlewild Elementary has empowered learners, developed leaders, and celebrated diversity through a student-centered approach. Our holistic, differentiated, and rigorous methodology to teaching and learning develops every student's talents, intellect, creativity, and character.

Points of Pride

- Designated by the Tennessee Department of Education (TDOE) as a 2022-23 STEAM (Science, Technology, Engineering, Arts, and Mathematics) school—one of only 114 statewide since 2018
- Idlewild Elementary was designated a 2024-2025 Reward School by the Tennessee Department of Education and recognized as a 2025 Top Magnet School of Excellence by Magnet Schools of America. In addition, the school met all Annual Measurable Objectives (AMO) for the 2024-2025 school year, ranking among the top four elementary schools in the district for achievement in English Language Arts, Math, and Science.
- Our teachers are continuous learners as evidenced by their advanced degree, National Board Certification, and City/State Award Winners (West Tennessee Art Teacher of the Year, New Memphis Educator of Excellence Award, Tennessee Lottery Educator of the Week, Tennessee Rising Star Award, Tennessee Robotics Coach of the Year).
- The Idlewild Robotics Team received the Innovative Project Award during the FIRST LEGO League Challenge West Tennessee Championship 2023. In 2025, Idlewild students won the Chess State Championship in the Elementary/Primary Division for the State of Tennessee. Additionally, 22 students qualified for the Perennial National Math Championship in 2025.
- Our active and involved PTO raised more than \$40,000 during the Annual Giving Campaign to support instructional needs, as well as fund school beautification projects.

Academics

- All students participate in STEAM-related, project-based learning through field experiences such as JA BizTown, Southwest Express, CLEAN Memphis, Memphis Symphony Side-by-Side, DARE, Memphis Zoo, and St. Jude.
- All students engage in Optional programming through science and technology labs. This extends into the classroom and community through participation in gardening, robotics, coding, and the Vinyl Club.
- More than 92% of teachers achieved an above average level-of-effectiveness score from the State of Tennessee during the 2024-25 school year.
- Community partners and adopters provide students with exposure to college and career readiness, including more than 1,000 hours of service learning during the 2022-23 school year.
- More than 30% of Idlewild students receive academically gifted programming through the CLUE (Creative Learning in a Unique Environment) department.
- Two unique outdoor learning spaces (Koi pond and sensory green space) foster learning through hands-on experiences.

Activities

- Weekly science lab and technology lab experiences for all students
- Chess Club with a competitive team
- Orff Ensemble
- Student Council
- STEAM Club, Competitive Robotics Team, and Competitive Math Team
- Run Club
- Vinyl Club
- Rock Band
- Junior Beta Club
- Young Authors
- Camp Invention
- Enrichment and tutoring

As a Science, Engineering, and Technology (SET) school, our students receive hands-on, real-world experiences that prepare them for college and career.

Our SET teaching and learning depends on inquiry and technology learning activities and lessons related to the real world in an outdoor classroom, science lab, and technology lab.

Points of Pride

- Memphis Storm Water provide real-world SET learning through hands-on storm drain engineering and technology.
- UniverCITY supports students in academics, social-emotional growth, and behavioral development through enriching citywide experiences.
- Amazon provides student and school incentives that help build positive culture.
- Messiah Fellowship supports the school with teacher incentives, supplies, and tutors.
- Shop with a Cop rewards selected students with special incentives.
- Highly qualified teachers, including National Board Certified educators, inspire creativity and confidence.
- Students participate weekly in Encore classes including computer, music, art, P.E., and library.

Academics

- Level 4 & 5 teachers in core subject areas.
- Caring educators support academic, emotional, social, and physical growth for all students.
- School-wide focus on Science, Engineering & Technology (SET) with hands-on lab instruction.
- Full-time technology teacher instructs students in coding, keyboarding, and robotics using Code.org, Amazon BootUp, and Sphero.
- CLUE enrichment classes for eligible Kindergarten–5th grade students.

Activities

- Enrichment activities connected to Memphis-based storm drain engineering and technology.
- SET exhibitions showcasing student learning.
- Cougar Bucks & Cougar Store incentives program.
- KESTV Student News Crew and live morning announcements.
- Field Day, multicultural events, and afterschool tutoring.
- Orff music, art shows, and Inquiry Math & Science Night with community partners.
- Extracurricular clubs including dance team, book club, drama club, and cheerleading squad.

Science, Engineering, and Technology

Keystone Elementary School (1-5)

Serving a diverse student population, our Global Health Studies Optional Program offers students advanced curriculum and experiences to prepare them for the global health science field.

We prepare students for global health by informing, engaging, educating, and empowering students to advocate for all people and their communities.

Points of Pride

- We are diverse! Twenty-three different ethnic groups are represented in our learning community.
- Students participate in the University of Memphis Re-Aim public Health ideas Hackathon, by submitting unique original projects to solve a real world problem.
- The KHS Class of 2025, were awarded \$5,240,745 in Scholarships last year.

Academics

- Now offering new global and public health dual-enrollment courses in partnership with University of Memphis for qualifying juniors and seniors. Classes range from Population Health and Society to Public Health in Action. Students will earn high school and college credit, paving the way for a college major in global and public health!
- 10th and 11th grade Optional Students take the PSAT National Merit Scholarship Qualifying Test each Fall.
- We offer Advanced Placement, Honors, Statewide Dual Credit, Dual Enrollment, and Dual Credit classes. Topics include Human Geography, Biology, Spanish Language, History of Art, Pre calculus

Activities

- We host an annual Hispanic Heritage Month Community Block Party, La Quinceanera, Food Truck Friday, Halloween Dance, and Homecoming Week.
- Clubs and Leadership Opportunities: Student Council, Homecoming Court, Garden Club, International Club, Craft Club, Voice Acting Club, Public Health Club, and many more.
- Award-winning ROTC Program, Musical Storm Band, and Chamber Choir
- 14 sports, including tennis, baseball, softball, soccer, basketball, volleyball, and football

(901) 416-6060 | 1270 N. Graham, Memphis, TN 38122

As an International Baccalaureate (IB) World School, our students create and believe their ideas, solutions, and contributions can and will make a difference in our global community.

We develop lifelong learners who solve real-world problems, collaborate with peers, respect diversity, and inspire others.

Points of Pride

- 2023 Level 5 TVAAS school for growth, Level 5 school for achievement, and overall Level 5 school
- Caring and diverse student population, which enhances our world perspective
- Authorized International Baccalaureate World School Primary Years Programme (PYP)
- Computer science partnership with the Amazon Future Engineer BootUp coding program
- School-wide action cycles to donate and help others in our community and world

Academics

- All of our K-5 students receive Mandarin Chinese instruction.
- Students use inquiry-based strategies to research concepts within transdisciplinary units of study.
- Fifth-grade students research and explore topics to change or enhance our community through the PYP culminating exhibition experience.
- Daily incorporation of the IB learner profile attributes like risk-taker, thinker, communicator, and knowledgeable showcase students' use of inquiry to solve problems.
- Students are encouraged to reflect and act on their learning experiences at school and at home.

Activities

- Monthly PYP IB Assembly to recognize students achieving attributes of the Learner Profile
- Monthly cultural celebrations highlighting our multiculturalism
- Community engagement with South Woods Baptist Church and Arise2Read
- Weekly impressive behavior recognition
- Student clubs: visual art, garden, choir, and STEM
- Student ambassador and student media team
- Amazon Future Engineer BootUp coding program
- Monthly parent and family engagement activities

International Baccalaureate Primary Years Programme

Oak Forest Elementary School (1-5)

Overton High School (9-12)

Creative and Performing Arts (CAPA)

Overton High has been producing stars in the classroom and on the stage in Memphis and Shelby County since 1959!

Our classrooms not only inspire creativity and expression at the highest levels, but also personal confidence and academic excellence.

Points of Pride

- Our CAPA Choir received first place superior finish at Music In The Park Atlanta, as well as a superior rating in sight-reading at the West Tennessee Vocal Music Educators Association (WTVMEA) Festival. More than 20 students were chosen for WTVMEA's All-Southwest Honor Choir.
- The Overton visual art department earned three Gold Keys and two Silver Keys in the 2021-22 Scholastic Arts and Writing competition.
- Student artwork has received national recognition, including being showcased in the office of a Tennessee Congressman in Washington, D.C.
- We have students who receive the highest score (5) on their AP art studio portfolios.
- The work of one of our creative writing students was recently published in the Blue Marble Review literary magazine.
- The Overton Jazz Band received superior rating at the West Tennessee School Band and Orchestra Association (WTSBOA) Jazz Festival.
- More than 20 students auditioned and were selected for the All-West Band.
- One of our CAPA dance students received the highest academic honor as the valedictorian of the Class of 2022.
- We partner with the University of Mississippi Symphonic Orchestra to host a joint concert.

Academics

- Students have access to 12 Advanced Placement (AP) courses, five statewide dual credit courses, 61 honors courses, and four dual enrollment courses to prepare them for college success.
- Our Optional students receive an additional hour of instruction beyond the regular school day to develop and practice their individual programs of study.
- Our Optional students have a strong record of academic performance in the classroom that matches their exceptional performance on the stage.

Activities

- An on-site recording studio is available to all aspiring artists at no cost.
- Overton student life includes opportunities to participate in more than 40 academic, athletic, and extracurricular organizations.
- Cultural diversity is celebrated through performances, activities, and guest speakers.
- Collaboration is encouraged among CAPA programs to complete creative performances.
- CAPA students participate in numerous community service projects that support St. Jude Children's Research Hospital, LeBonheur Children's Hospital, and other important causes.
- CAPA dance students mentor middle and elementary students throughout the year.
- CAPA theatre students frequently perform at District public events.

Our program brings global learning to our Midtown community!

We are an international studies school that empowers students to grow through rigorous instruction and project-based learning. Our students develop global awareness while building a strong foundation for learning.

Points of Pride

- Our students consistently place in national and local art competitions.
- Our active parent and community partners provide valuable support through a variety of programs and initiatives, including Accelerated Reader, volunteering, tutoring, 4-H Agricenter Youth Development, Baptist Health Sciences University College of Osteopathic Medicine, Southwest Express, St. Jude, the Memphis Symphony Orchestra, the Memphis Hustle/Grizzlies, and our site-based decision-making committee.
- Peabody students actively participate in a variety of community awareness initiatives, including Pop Tab Palooza for St. Jude, Red Ribbon Week (Drug-Free Campaign), National Bullying Prevention Month, Read Across America, Jumpstart's Read for the Record, the Memphis Symphony Orchestra Side-by-Side Concert and Career on Wheels.

Academics

- Each grade level is immersed in an in-depth study of five different countries.
- Academically gifted students have access to the CLUE program.
- Peabody was designated a Level 5 2021-22 Reward school by the Tennessee Department of Education. Reward schools typically demonstrate high levels of performance and/or growth across all indicators.
- Students engage in International Studies-themed projects, field trips, a mid-year carnival, year-end festival, and they learn a world language, such as Russian.
- Peabody is a Responsive Classroom school, which focuses on students excelling academically and socially.
- Students participate in the Accelerated Reader (AR) program and other reading initiatives throughout the year designed to strengthen reading fluency and comprehension.

Activities

- Our students develop a wide range of skills that promote collaboration, creativity, and cultural understanding through our Fine Arts Department. Activities include:
 - Learning to speak Russian
 - Competing in art contests
 - Playing the piano
 - Performing in the dance ensemble.
 - Memphis Orchestra Side-by-Side Concert
 - All-City performances (districtwide)
- Our schoolwide clubs, led by dedicated teachers, provide all students with the opportunity to explore new interests, develop skills, and build meaningful connections with their peers.
- Students engage in international studies-themed projects and field trips, a mid-year carnival, and a year-end festival.
- Replace with: We offer a Junior Beta Club for students in grades 4 and 5 that encourages leadership, academic excellence, and active participation in community service projects.

Enriched Academics / International Studies

Peabody Elementary School (K-5)

As an International Baccalaureate (IB) World School, our students are taught to believe their ideas, solutions, and contributions can and will make a difference in a global society

We are one of only two high schools in West Tennessee offering the International Baccalaureate (IB) Diploma Programme, with plans to launch the IB Career Programme in the upcoming school year.

Points of Pride

- Every IB senior has received scholarship offers to college, including QuestBridge scholarships, Posse full scholarships, and many other full-tuition scholarships.
- Our IB students benefit from small class sizes and a family-oriented environment at Ridgeway High School.
- Our IB students consistently excel and win in competitions such as the All-West music competitions, choir competitions, Mid-South Scholastic Art Awards, and the Arts in the Airport competitions.
- IB students are well-rounded individuals who often contribute to community service projects and get involved in all aspects of our school community, including sports and cheer, the arts, and student government.

Academics

- IB is a rigorous, internationally recognized program of study.
- IB students can earn college credit from the scores on their End of Course IB assessments in English, Math, Biology, History, and Spanish.
- To prepare our freshmen and sophomores for the rigor of the IB courses, we offer more than 40 Honors and AP courses.
- IB courses span a two-year period to ensure that students are given time to become immersed in the detailed content.

Activities

- We promote the arts with many programs: visual arts, theater, band, orchestra, and choir.
- Our athletics program excels with various opportunities for students to compete in district and state competitions.
- We offer many sports, including football, basketball, softball, baseball, track, cheer, soccer, bowling, and volleyball.
- Every student has an opportunity to join one or more of the various school clubs and organizations.
- IB students regularly participate in community building activities in school and in the greater community around us: Best Buddies, Bridges, Student Council, campus beautification, and school programs.

Come See What We Have To Offer!

schools.scsk12.org/ridgeway-hs

(901) 416-8820 | 2009 Ridgeway Rd., Memphis, TN 38119

As an International Baccalaureate (IB) World School, our students are taught to believe their ideas, solutions, and contributions can and will make a difference in a global community.

Our International Baccalaureate Programme is the only public IB opportunity for middle school students in West Tennessee.

Points of Pride

- Our students are principled, globally minded, critical-thinkers and reflective risk-takers. Each day, we empower them to become lifelong learners, equipped to lead and thrive in a dynamic global society.
- Our IB coursework sparks global awareness, preparing students for success in the rigorous IB high school program and beyond.
- The IB curriculum is integrated across all subjects, including world languages and the arts.
- Our STEM students participate and place in the following competitions and events: K'Nex Bridge Build, MLGW A-Blazing Race Competition, the University of Memphis E-Day, Junior Achievement, Tech Explosion, and Science Olympiad.

Academics

- Students are actively engaged and challenged to be inquirers, as they acquire knowledge and gain valuable learning experiences.
- The CLUE program is available for eligible students.
- Our teachers work cooperatively to help students develop problem-solving and decision-making skills through global, project-based instruction.
- We offer Algebra I, Physical Science, and Spanish for high school credit.
- As an Amazon Future Engineer Program awardee, our STEM class and technology lab bring learning to life through hands-on interactive simulations.
- An afterschool tutoring program is available for students.

Activities

- Rugby, football, volleyball, track, soccer, basketball, cheer, and dance
- STEM program, visual arts, band, orchestra, and choir
- National Junior Honor Society, Beta Club, and Student Government Association
- Academic competitions and more than 21 school-wide club/mentoring programs
- Ongoing community service projects for all students
- Summer Bridge Program for 6th grade scholars

schools.scsk12.org/ridgeway-ms

(901) 416-1575 | 6333 Quince Rd., Memphis, TN 38119

International Baccalaureate

Ridgeway Middle School (6-8)

Riverwood Elementary School (1-5)

Environmental Science and Community Service

Located on a 30-acre natural wildlife habitat, our students learn to value their environment and community.

We focus on science, service, and enriched academics through hands-on learning; caring, highly qualified teachers; and a safe environment. Our unique learning environments include an outdoor community garden, an outdoor classroom, hydroponic growing towers, a woodland path, a butterfly garden, and a science laboratory.

Points of Pride

- Riverwood has earned a Level 5 TVAAS Rating in both ELA and Math based on the 2025 TVAAS report.
- Riverwood has been designated a certified wildlife habitat by the National Wildlife Federation.
- Riverwood is the recipient of the MSCS Community Adopters of the Year Award and fosters partnerships with the University of Memphis Botany Club, CAESAR-UofM, Project Wild, Clean Memphis, and Agricenter International to support our environmental science focus.
- The Riverwood Community Garden connects students to the foods we grow, harvest, and eat, while the Ornithology Station provides birdwatching and data collection experiences.
- Our science curriculum uses an interdisciplinary, inquiry-based approach with hands-on environmental projects, field experiences, and applied science labs.

Academics

- Riverwood's Optional students consistently outperform the District and state on standardized testing.
- Our responsive classroom philosophy emphasizes social, emotional, and academic growth to facilitate optimal student learning. We create a culture of caring, responsibility, and self-motivation for students, staff, and families.
- The CLUE program is available for eligible students beginning in kindergarten.
- Students experience hands-on, authentic learning while conducting investigations in our gardens, woodland path, and science laboratory.
- Our young scholars acquire foreign language skills.

Activities

- Riverwood's woodland path winds through 30 acres of natural habitat. Students investigate, protect, and foster the continued growth of native plants and animals.
- Students explore a wide range of Environmental Science careers through inquiry-based research, creative projects, and real-world problem solving.
- Students engage in a variety of school-wide and classroom community service projects.
- Students participate in clubs and enrichment including chess, choir, art, strings, piano, Beta Club, Student Council, Legos, dance, garden, and STEM.
- Students enjoy an in-depth exploration of various heritages and cultures, 13 of which are highlighted and celebrated during our Fall International Night.

Come See What We Have To Offer!

We offer several disciplines of the creative and performing arts: dance, music, theater, visual art, and strings. Our creative and performing arts program is nationally recognized for exemplary performances.

Beginning in Kindergarten, our students explore and express their creativity through integrated arts experiences that nurture imagination, collaboration, and a lifelong love of learning.

Points of Pride

- 2025 Nationally Certified Magnet School
- 2025 Model School
- 2025 TAA Arts-Rich Elementary School of the Year
- Rozelle offers a unique "Superstar" culture that enables students to flourish as artists and scholars in a creative and nurturing environment. Students are surrounded by like-minded, motivated peers and supportive faculty.
- We have a new space and rocket science program, along with robotics and computer coding to promote STEM and rigorous learning activities.
- We have demonstrated significant academic growth over the past few years.
- Rozelle is home to one of the Memphis 13 mural memorial projects.

Academics

- Award-winning performing arts department
- Students are taught how to code through both self-paced, game-like courses (Tynker coding platform) and our teacher-led private online classes.
- Teachers receive one and a half hours in professional learning weekly and two hours in arts integration monthly.
- We offer tutoring to our students two days a week and one Saturday per month.
- The CLUE program is available for eligible students.
- National Junior Beta Club

Activities

- The Dance Repertory Ensemble has won various recognitions at regional and local competitions.
- Our drama troupe recorded and broadcasted with local radio and cable TV stations.
- Our Art Production Company students received numerous grants and funding to support a digital learning environment. We also have partnered with the University of Memphis on art projects.
- Space and rocket science program

Enriched Academics

We offer an extensive enriched academics Optional program with a focus on arts integration.

Our students are equipped and inspired to become lifelong learners by engaging in hands-on learning and academic enrichment through visual and performing arts.

Points of Pride

- We are nestled deep in the heart of Sherwood Forest where our Ace Archers target EXCELLENCE in all that we do!
- Our students benefit from strong parental and community involvement relationships that support student success.
- We embrace advanced technology and arts integration, which enable students to approach learning in a variety of ways.
- We are conveniently located near the University of Memphis area and offer a safe and nurturing environment.

Academics

- Academically gifted students have access to the CLUE program.
- Our creative learning environments stimulate academic growth, enabling students to become reflective thinkers, problem-solvers, and active learners.
- Quarterly student assemblies recognize achievements in academic honors, attendance, behavior, and character development.
- Family Curriculum Nights focus on literacy, math, and science to help enhance learning and promote strong relationships with our families.
- Our state-of-the-art computer lab equips students to learn in a technologically evolving world.
- Students are encouraged to experiment, explore knowledge, and express themselves creatively.

Activities

- Choir and Orff Music All-City participants
- Book Club, Drama Club, Run Club, Student Council, Girls in Pearls, Guys in Ties, Safety Patrol, Science Club, and much more.
- Scholars participate in Heritage Museum projects that highlight various cultures and allow students to showcase their talents in academics, creativity, and performing arts.
- School and community events promote social emotional learning.
- Community service projects that support and bring awareness

We are Maxine Smith STEAM Academy—the No. 1 achieving middle school in the District in math, reading, science, and social studies!

The world is a better place because your child was born. We recognize and celebrate your child's talents, abilities, and individuality! Located in the heart of Memphis!

Science, Technology, Engineering, Arts, and Mathematics

Maxine Smith STEAM Academy (6-8)

Points of Pride

- The only middle school in Tennessee to achieve STEM designation status from the Tennessee Department of Education in 2018 and 2023.
- National Blue Ribbon School of Excellence
- One of the first middle schools in Tennessee to achieve STEM Designation status from the Tennessee Department of Education in 2018.
- Our students have earned awards in local robotics competitions, as well as placing in local, state, and national Technology Student Association (TSA) competitions.
- Collaborations with the Tennessee STEM Innovation Network, the Greater Memphis IT Council, Facing History Innovative Schools Network, Amazon, and the University of Memphis expose students to a variety of opportunities that prepare them for high school and post-secondary learning.
- National Magnet School of Excellence

Academics

We prepare students for high school, college, and/or career by emphasizing our KnightsCARE values:

- **Collaboration:** No one is ever alone. We ask for help and offer help when we see others struggle.
- **Attitude:** A positive attitude can make a seemingly impossible task possible. We spread joy wherever we can!
- **Responsibility:** We demonstrate responsibility through our actions, work, and words while meeting daily expectations.
- **Effort:** We try once, twice, 100 times, but we never give up! We celebrate mistakes and use them to overcome difficulties.

Activities

We offer a wide range of activities for our technicians, engineers, and inventors:

- **The Arts:** band, orchestra, dance, theater, choir, media, and visual arts
- **Student Leadership Opportunities:** STEAMBassadors, mentors, recruitment team, Student Council, Beta Club, National Junior Honor Society, and Model U.N.
- **Athletics:** baseball, softball, basketball (girls and boys), soccer (girls and boys), volleyball, track, cross-country, and cheerleading
- **Extracurricular Clubs:** film, gamers, newspaper, chess, anime, debate, robotics, culinary, calligraphy, running, and art

Treadwell Elementary School (K-5)

Dual Language Immersion

We offer a bilingual, biliterate, and multicultural education starting in kindergarten. Our Spanish-English immersion classes provide an enriched academic and linguistic foundation for students, promoting cultural understanding that impacts our neighborhood, our Memphis community, and beyond!

We are home to the ONLY K-5 public dual language immersion program in Tennessee! Our students are learning academic content – in two languages! – while also developing language skills and cultural understanding in the classroom and beyond.

Points of Pride

- Home to the only K-5 Dual Language Immersion Program in West Tennessee!
- A school environment that prioritizes and celebrates language, culture, and a love of learning
- Native speakers and bilingual staff from multiple Spanish-speaking countries
- Outstanding parental involvement with a variety of opportunities to participate on campus and connect with other parents, families, and school staff
- Located conveniently off Sam Cooper and Highland at Treadwell International Community School
- One of seven MSCS Community Schools serving and partnering with our neighbors to support students, families, and our community.

Academics

- Dual Language students participate in rich learning opportunities in all content areas in both Spanish and English.
- Teachers implement research-based strategies to support our multilingual learners.
- Dual language inspires curiosity and develops higher cognitive and problem-solving abilities.
- Students become bilingual citizens prepared to lead in an increasingly diverse and competitive global community.
- Speech, CLUE, and SPED services available for eligible students

Activities

- Student Clubs and After-School Activities: garden club, cheer, soccer, basketball, Eagles with a Voice (Choir), art club, ESL tutoring, reading/math tutoring, St. Jude STEM club, and more!
- Community Projects and Partnerships: Rhodes bilingual Cartoneras, MSCS Adult ESL classes, Rhodes Bilingual Book Club and Cartoneras, and Memphis City Beautiful campus improvements, and more!
- Parent Involvement: PAC- bilingual parent organization, campus beautification team, cultural event volunteers, and more!
- One of the highest ARISE2Read volunteer counts in MSCS
- Grant-funded Community Garden and Nature Playground for outdoor play and learning
- Student-centered programs, performances, and events throughout the school year that highlight culture, language skills, and academic achievements

Whitehaven Elementary School (1-5)

Science, Technology, Engineering, and Mathematics (STEM)

STEM education is a unique approach to teaching and learning that fosters creativity and innovative thinking in all students. It is focused on building critical and creative thinking and analysis skills by addressing how students view and experience the world around them.

At Whitehaven Elementary, STEM teaching and learning opportunities rest on inquiry, technology, and project-based learning activities and lessons that are tied to the real world.

Points of Pride

- Students have an opportunity to select and participate in over 25 different STEM Clubs.
- The first in the state to receive the Tennessee STEM School Designation and one of the first 15 schools recognized by the Tennessee STEM Innovation Network (TSIN) and the Tennessee Department of Education (TDOE)
- First elementary school in Tennessee to receive National STEM Certification by Advanced ED (Cognia)
- Three-time state champions in VEX Robotics
- Recipients of numerous STEM grants
- STEM partnerships with St. Jude Children's Research Hospital, Clean Memphis, the University of Memphis, YMCA, and others
- Principal Tommy Elliott is the recipient of the 2020 TSIN Excellence in STEM Leadership Award for supporting and encouraging teachers and schools to continually infuse STEM teaching strategies and embrace classroom innovation.
- Mrs. Cheryl Lacy is one of only 16 educators nationwide honored as a Project Lead the Way Outstanding Teacher of the Year for the 2024-2025 school year.

Academics

- Project-based learning promotes real world engagement through problem-solving skills, critical thinking, creativity, and exposure.
- Project Lead The Way (PLTW) curriculum creates an engaging environment and empowers students to develop in-demand knowledge and skills necessary to thrive in an evolving world.
- Students explore pathways in computer science, engineering, and biomedical science, developing problem-solving strategies, critical and creative thinking, and effective communication and collaboration skills through hands-on activities, projects, and real-world problem-solving experiences.

Activities

- Students engage with STEM-related businesses/organizations during the school day.
- Students learn computer science during STEM lab.
- Each summer, selected students participate in the Envision 2022 National Youth Leadership Forum: Pathways to STEM.
- Annual STEM Expo
- More than 25 after-school STEM-Focused clubs
- STEM-related field trips, quarterly projects, and monthly school-wide assemblies
- STEM Without Walls Exploration Zone provides hands-on STEM Career immersion in Environmental Science, Geology, Archeology/ Paleontology and much more!

Application Process & Entrance Requirements

Interested in applying to one of our Optional schools? Here's what you should know:

- ✓ Applications are required for every student interested in enrolling in an Optional Program and must be submitted online.
- ✓ The online application portal will be accessible on the MSCS website, www.scsk12.org, beginning at 10 a.m., Tuesday, January 27, 2026. A valid email address is required in order to submit the application online. Current MSCS students are encouraged to use their PowerSchool student number (also same as lunch number). For non-MSCS students, a social security number is requested. You will receive an email confirmation with the date and time of your application submission.
- ✓ Sibling Preference is available for qualified students who are residents zoned to MSCS with a sibling who is in the Optional Program at the same school and maintaining the Optional requirements. A sibling is a brother or sister who lives at the same address. Slots for qualified siblings are held for 10 working days. February 10, 2026 is the last day for sibling preference.
- ✓ Students are eligible for renewal transfers to the same school if they remain in that specific school's Optional Program all year and maintain the Optional school's renewal requirements. If a student wishes to attend a different Optional school, a new *Application for Optional Schools* must be submitted online.

For additional information about the application process, including application dates and submission details, please download our FAQs at www.scsk12.org/optional.

Optional School Entrance Requirements

- ✓ Specific entrance requirements vary by school and program and are generally based on report cards and nationally normed test scores.
- ✓ All applicants must have satisfactory conduct and attendance, including promptness to school, with no more than a total of 10 absences, and no more than 10 tardies/early dismissals for the year.
- ✓ A copy of the student's current comprehensive report card and nationally normed test scores are required (unless official online access is available).
- ✓ Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- ✓ Transportation is the responsibility of the student's parents/legal guardians.
- ✓ Final approval is contingent upon review of student's second semester/final report card issued by May 29, 2026.

Each Optional school's entrance requirements appear in alphabetical order on pages 53 - 67.

Entrance Requirements

Balmoral-Ridgeway Elementary School

- First and second grade applicants must score at or above the 70th percentile on the school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); non-MSCS students without i-Ready scores must take the Optional Schools admittance tests, scoring at or above the 70th percentile in reading and mathematics.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Second – fifth grade applicants must have a B average or above in all academic subjects and satisfactory grades in special subjects.
- Third - fifth grade applicants must score at or above the 70th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 70th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- All applicants must have satisfactory conduct and attendance, including promptness to school, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- If a family chooses to move outside Balmoral-Ridgeway School's boundaries, the student must meet the Optional Program's requirements to remain at the school.
- To remain in the Optional program, a student must maintain the entrance requirements for grades (academic and support subjects), conduct, skills and behaviors, and attendance.

- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Second – eighth grade applicants must have a B average or above in all academic and support subjects and satisfactory conduct.
- Third – eighth grade applicants must score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- All applicants must have satisfactory attendance, including promptness to school, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, a student must maintain an average of C or S in each subject, each semester. All students must maintain the entrance requirements for standards in academic and support subjects, conduct, skills and behaviors, and attendance.

Delano Elementary School

- Kindergarten applicants must score 70% or higher on the school-based administration of the Brigance test. Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Second – fifth grade applicants must have no semester or final grades below C and satisfactory or above grades in special subjects.
- Third – fifth grade applicants must score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- All applicants must have satisfactory conduct and attendance, including promptness to school, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional program, students must maintain the entrance requirements for grades (academic and support subjects), conduct, skills and behaviors, and attendance.

Double Tree Elementary School

- Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First - fifth grade applicants must provide a copy of most recent comprehensive report card. First - fifth grade applicants must have satisfactory conduct and/or skills and behaviors.
- All applicants must have satisfactory attendance, including promptness to school, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- If a family chooses to move outside of Double Tree's boundaries, the student must meet the Optional Program's requirements to remain at the school.
- To remain in the Optional Program, students must maintain all of the entrance requirements.

Entrance Requirements

Douglass High School

Applicants to the program must:

- Score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading assessment (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts assessment; Total Reading/ Reading Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Score at or above the 50th percentile on a TCAP English End of Course test and/or another acceptable nationally normed achievement assessment, including the ACT or Pre-ACT (Reading), PSAT or SAT (Evidence-Based Reading and Writing) with the assessment being administered in person no more than one year prior to the date of application for Optional Schools.
- Have A's or B's with no more than two C's as semester averages.
- Have satisfactory conduct and attendance (including promptness to school and to each class), with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, students must maintain grades of A's, B's, or C's, with no grade lower than a C for a semester average in any class, and have satisfactory conduct and attendance, including promptness to school and to each class (no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year).
- The PSAT/NMSQT is required in the 10th and 11th grades.

Douglass School (K-8)

- Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on most recent kindergarten report card.
- Second - fifth applicants must have satisfactory conduct, C's or above in all academic subjects, as well as satisfactory grades in all support subjects on most recent comprehensive report card.
- Sixth- eighth grade applicants must have satisfactory conduct; report card grades of Cs or above, with no grades below a C as a semester average.
- All applicants must have satisfactory attendance, including promptness to school and to each class, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional program, students must maintain all of the entrance requirements, including grades (academic and support subjects), conduct, skills and behaviors, and attendance.
- Students who are accepted into the Optional Program at Douglass Middle School and who meet renewal requirements will be accepted into the Douglass High School Optional Program on a continuation basis.

Downtown Elementary School

- Kindergarten applicants must score 70% or higher on the school-based administration of the Brigance test. Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Second – fifth grade applicants must have no semester or final grades below C and satisfactory or above grades in special subjects.
- First – fifth grade applicants must have satisfactory conduct and attendance, including promptness to school with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- Third- fifth grade applicants must score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- To remain in the Optional Program, students must maintain the entrance requirements for grades, conduct, and attendance.

Entrance Requirements

East High School - Diesel Technology (Grades 9 and 10)

Applicants to the program must:

- Have a comprehensive report card with a 2.75 GPA with no D's or F's as a semester average in any subject.
- Have satisfactory or above conduct (no N's or U's and no suspensions/expulsions) and attendance, with no more than a total of 10 absences, and no more than a total of 10 tardies/early dismissals to school and to class for the year.
- Students and parents/guardians will be required to sign a Parent/Guardian/Student Agreement.
- Preference will be given to qualified students who live within two miles of the school for 50 percent of the available slots for the first 10 working days of the Optional Application process. The remaining slots will be open to students who qualify.
- To remain in the Optional Program, students must maintain the entrance requirements for grades, conduct, and attendance and take the required courses. Additionally, a mid-year review will be held for all students.
- **** Students who maintain the renewal requirements for Maxine Smith STEAM Academy will be accepted into East High School on a continuation basis.**

East High School T-STEM (Entry Grade 9)

Applicants to the program must:

- Score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Score at or above the 50th percentile on a TCAP English and Mathematics End of Course test and/or another acceptable nationally normed achievement assessment, including the ACT or Pre-ACT (Reading and Math), PSAT or SAT (Evidence-Based Reading and Writing and Mathematics) with the assessment being administered in person no more than one year prior to the date of application for Optional Schools.
- Submit a copy of the most recent comprehensive report card showing a 3.0 GPA with no grade lower than a C for the semester
- Have satisfactory or above conduct (no N's or U's and no suspensions/expulsions) and attendance, with no more than a total of 10 absences, and no more than a total of 10 tardies/early dismissals to school and/or to class for the year.
- Students and their parents/ guardians are required to attend an orientation prior to final approval. Students and parents/guardians will be required to sign a Parent/Guardian/Student Agreement.
- Preference will be given to qualified students who live within two miles of the school for 50 percent of the available slots for the first 10 working days of the Optional Application process. The remaining slots will be open to students who qualify.
- To remain in the Optional Program, students must maintain a semester average of C or above in each subject, remain in four years of a T-STEM program, enroll in all courses required for graduation at the Honors, Advanced Placement, or Pre-Advanced Placement levels, and maintain the entrance requirements for conduct and attendance.
- ****Students who maintain the renewal requirements for Maxine Smith STEAM Academy will be accepted into the T-STEM Academy at East High School on a continuation basis.**

John P. Freeman Optional School (1-8)

Applicants to the program must:

- Score at or above the 65th percentile on the school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); non-MSCS students without i-Ready scores must take the Optional Schools admittance tests, scoring at or above the 65th percentile in reading and mathematics (applicants for first and second grades).
- Have satisfactory skills and behaviors and demonstrate mastery of standards in academic and support subjects on most recent report card (applicants for first grade).
- Third – eighth grade applicants must score at or above the 65th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 65th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Have satisfactory conduct in academic and support subjects and all A's and B's, with no more than one C as a semester average in all subjects on latest comprehensive report card (applicants for second through eighth grades).
- For renewals, applicants must maintain an overall C average or above in academic courses and satisfactory or above grades in support subjects for semester averages, with no F's or U's on the report card.
- For all grades, all new and renewal applicants must have satisfactory conduct, skills and behaviors, and attendance, including promptness to school and to each class (no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year).

Entrance Requirements

Germantown Elementary School

- Kindergarten applicants must score 85% or higher on the school-based administration of the Brigance test. Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Third – fifth grade applicants must score at or above the 65th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 65th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Second through fifth grade applicants must have all A's, B's, E's, G's and S's in all subject areas on most recent comprehensive report card.
- All applicants must have satisfactory conduct (E's, G's and S's) and attendance, including promptness to school, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, students must maintain the listed requirements for grades (academic and support subjects), conduct, skills and behaviors, attendance, and parent support. Application for admission must be renewed yearly.
- Students who maintain the Optional renewal requirements for Germantown Elementary School will be accepted into Germantown Middle School's Optional Program on a continuation basis.

Germantown High School – College Prep (Collegiate Academy)

Applicants to the program must:

- Submit a copy of the most recent comprehensive report card showing A's and B's, with no more than one C as a semester average in academic subjects, with no D's or F's as a semester average in any subject.
- Score at or above the 65th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 65th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/ Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Score at or above the 65th percentile on a TCAP English and Mathematics End of Course test and/or another acceptable nationally normed achievement assessment, including the ACT or Pre-ACT (Reading and Math), PSAT or SAT (Evidence-Based Reading and Writing and Mathematics) with the assessment being administered in person no more than one year prior to the date of application for Optional Schools.
- Have satisfactory conduct grades and attendance (including promptness to school and to each class), with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the program, a student must maintain an average of C or above in each subject per semester. Students must enroll in the appropriate courses each year to meet the program's requirements. The entrance requirements for conduct and attendance must be maintained.

Germantown High School – Creative and Performing Arts (CAPA)

Applicants to the program must:

- Submit a copy of the most recent comprehensive report card showing A's, B's, and no more than three C's in academic subjects, with no D's or F's as a semester average in any subject.
- Score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/ Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Score at or above the 50th percentile on a TCAP English and Mathematics End of Course test and/or another acceptable nationally normed achievement assessment, including the ACT or Pre-ACT (Reading and Math), PSAT or SAT (Evidence-Based Reading and Writing and Mathematics) with the assessment being administered in person no more than one year prior to the date of application for Optional Schools.
- Have satisfactory conduct grades and attendance records (including promptness to school and to each class), with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- Schedule an appointment with the Creative and Performing Arts Faculty Council for an interview and/or audition.
- Creative and Performing Arts (CAPA) students are required to participate in preparation, rehearsals, business management, and performances beyond the regular school day. Students enrolled in the CAPA program pursue a major in one area of the Creative and Performing Arts while working to meet all state requirements for graduation.
- To remain in the program, a student must maintain an average of C or above in each subject per semester. Students must enroll in the appropriate courses each year to meet the program's requirements. The entrance requirements for conduct and attendance must be maintained.

Entrance Requirements

Germantown Middle School

Applicants to the program must:

- Have A's and B's, with no more than one C on the most recent comprehensive report card as a semester average.
- Score at or above the 65th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 65th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/ Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Have satisfactory conduct and attendance, including promptness to school and to each class (no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year).
- To remain in the Optional Program, students must maintain an average of C or above in each subject each semester, as well as satisfactory conduct and attendance.

Grahamwood Elementary School

- Kindergarten applicants must score 85% or higher on the school-based administration of the Brigance test. Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Third – fifth grade applicants must score at or above the 75th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 75th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/ Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Second - fifth grade applicants must have A's, B's, E's, and S's in all subject areas and satisfactory conduct on most recent comprehensive report card.
- All applicants must have satisfactory attendance, including promptness to school, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, students must maintain the listed requirements for grades, conduct, skills and behaviors, academic and support subjects, attendance, and parent support. Application for admission must be renewed yearly.

Havenview Middle School

Applicants to the program must:

- Have A's and B's, with no more than one C as a semester average in all subjects on the most recent comprehensive report card.
- Score at or above the 55th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 55th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/ Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Have satisfactory conduct and attendance, including promptness to school and to each class (no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year).
- To remain in the Optional Program, students must maintain a semester average of C or above in all subjects, with no D's or below in any subject. The entrance requirements for conduct and attendance must be maintained. Students must enroll in the required Optional courses for each grade to remain in Havenview's Optional Program.

Idlewild Elementary School

- Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First - fifth grade applicants must provide a copy of most recent comprehensive report card.
- First grade applicants must have satisfactory skills and behaviors on most recent kindergarten report card. Second – fifth grade applicants must have satisfactory conduct on most recent comprehensive report card.
- All applicants must have satisfactory attendance, including promptness to school, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, students must maintain entrance requirements.
- If a family chooses to move outside Idlewild School's boundaries, the student must meet the Optional Program's requirements to remain at the school.

Entrance Requirements

Keystone Elementary School

- First and second grade applicants must score at or above the 50th percentile on the school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); non-MSCS students without i-Ready scores must take the Optional Schools admittance tests, scoring at or above the 50th percentile in reading and mathematics.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on most recent kindergarten report card.
- Third – fifth grade applicants must score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Second - fifth grade applicants must have a C average or above in all academic subjects and satisfactory grades in special subjects and conduct on the most recent comprehensive report card.
- All applicants must have satisfactory conduct and attendance, including promptness to school, on most recent comprehensive report card, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, students must maintain an overall C average in all academic subjects, S's or E's in support classes, and satisfactory conduct, skills and behaviors, and attendance (including promptness to school, early dismissals and tardies).

Kingsbury High School

Applicants to the program must:

- Submit a copy of the most recent comprehensive report card showing all A's and B's, with no more than two C's as semester average in academic subjects, with no D's or F's as a semester average in any subject.
- Score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Score at or above the 50th percentile on a TCAP English and Mathematics End of Course test and/or another acceptable nationally normed achievement assessment, including the ACT or Pre-ACT (Reading and Math), PSAT or SAT (Evidence-Based Reading and Writing and Mathematics) with the assessment being administered in person no more than one year prior to the date of application for Optional Schools.
- Have satisfactory conduct and attendance (including promptness to school and to each class), with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- The PSAT/NMSQT is required in the tenth and eleventh grades.
- To remain in the program, students must maintain a C or above in each subject per semester, enroll in the appropriate courses each year to meet the program's requirements, and have satisfactory conduct and attendance (including promptness to school and to each class).

Oak Forest Elementary School

- First and second grade applicants must score at or above the 65th percentile on the school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); non-MSCS students without i-Ready scores must take the Optional Schools admittance tests, scoring at or above the 65th percentile in reading and mathematics.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Third – fifth grade applicants must score at or above the 65th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 65th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Second - fifth grade applicants must have a B average or above in all academic subjects and satisfactory grades in special subjects and conduct on most recent comprehensive report card.
- All applicants must have satisfactory conduct, skills and behaviors, and attendance, including promptness to school, as shown on most recent report card, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, students must maintain a B average in all academic areas, as well as the entrance requirements of satisfactory conduct, skills and behaviors, academic and support subjects, and attendance. If a family chooses to move outside Oak Forest's boundaries, the student must meet the Optional Program requirements to remain at the school.

Entrance Requirements

Overton High School

Applicants to the program must:

- Have a 2.0 grade point average with no grade lower than a D for each semester or final grade, along with satisfactory conduct and attendance, including promptness to school and to each class, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals.
- Successfully complete an interview and audition, in addition to the academic, conduct, and attendance requirements.
- Creative and Performing Arts (CAPA) students must attend an extra hour each day in a specialized CAPA class and agree to meet all the requirements of the student's major department. Students transferring on a continuation basis from Colonial Middle School's CAPA Program must complete an audition to determine class-level placement.
- Students will be contacted by Overton's CAPA staff to schedule audition and interview.
- To remain in the CAPA program, students must maintain program requirements and maintain the admission requirements for grades, attendance, and conduct.

Peabody Elementary School

- Kindergarten applicants must score 70% or higher on the school-based administration of the Brigance test. Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Third – fifth grade applicants must score at or above the 50th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 50th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Second - fifth grade applicants must have A's, B's, E's, and S's in all subject areas and satisfactory conduct on most recent comprehensive report card.
- All applicants must have satisfactory attendance, including promptness to school, with no more than a total of 10 absences, and no more than 10 tardies and/or early dismissals for the year.
- To remain in the Optional Program, students must maintain the listed requirements for grades, conduct, skills and behaviors, and attendance. Application for admission must be renewed yearly.

Entrance Requirements

Ridgeway High School

Applicants to the program must:

- Score at or above the 60th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 60th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/ Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Score at or above the 60th percentile on a TCAP English and Mathematics End of Course test and/or another acceptable nationally normed achievement assessment, including the ACT or Pre-ACT (Reading and Math), PSAT or SAT (Evidence-Based Reading and Writing and Mathematics) with the assessment being administered in person no more than one year prior to the date of application for Optional Schools.
- Have A's or B's and no more than one C as a semester average in an academic subject. D's or F's are not acceptable for a grade in any semester average. Applicant's report card must show satisfactory conduct and attendance, including promptness to school and to each class, with no more than a total of 10 absences, and no more than a total of 10 tardies and/ or early dismissals for the year.
- Students must enroll in at least six IB courses in their junior year and complete their required IB coursework in their senior year. Participation in Ridgeway's IB Preparatory Program or equivalent honors courses in ninth and tenth grades is required for students to enroll in the IB Diploma Programme in the eleventh grade. Other specific admissions criteria, including coursework and End-of-Course requirements, must be fulfilled prior to admission. Such criteria are grade-specific and are available to parents and students once the initial Application for Optional Schools is approved.
- In addition to the IB Diploma Programme requirements, students are required to take all courses required for graduation by the State of Tennessee.
- To remain in the Optional Program, students must maintain a yearly average of 3.0 in academic subjects with no semester average below a C, enroll in the required courses, and maintain satisfactory conduct and attendance.

Ridgeway Middle School

Applicants to the program must:

- Score at or above the 60th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 60th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/ Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Have A's and B's, with no more than one C as a semester average in an academic subject. D's or F's are not acceptable for a grade in any semester average.
- Have satisfactory conduct and attendance, including promptness to school and to each class (no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals for the year) on report card.
- To remain in the Optional Program, students must maintain an overall C average or above in all subjects, as well as satisfactory conduct and attendance, including promptness to school and to each class.
- Students who maintain the Optional renewal requirements for Ridgeway Middle School will be accepted into Ridgeway High School's Optional Program on a continuation basis.

Riverwood Elementary School

- First and second grade applicants must score at or above the 70th percentile on the school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); non-MSCS students without i-Ready scores must take the Optional Schools admittance tests, scoring at or above the 70th percentile in reading and mathematics.
- First grade applicants must have satisfactory skills and behaviors and achieve mastery in all academic and support subjects on the most recent kindergarten report card.
- Third – fifth grade applicants must score at or above the 70th percentile on school-based administration of the i-Ready Diagnostic Reading and Math assessments (2025-26); or score at or above the 70th percentile on one of the following assessments: TCAP Achievement English Language Arts and TCAP Achievement Mathematics assessments; Total Reading/Reading Composite and Total Mathematics/Mathematics Composite of an acceptable nationally normed achievement test. Acceptable tests in person must be dated Spring 2025 or later.
- Second - fifth grade applicants must have a B average or above in all academic subjects and satisfactory grades in special subjects, conduct, and attendance, with no more than a total of 10 absences, and no more than a total of 10 tardies and/or early dismissals on the most recent comprehensive report card.
- To remain in the Optional Program, students must maintain the listed requirements for grades (academic and support subjects), conduct, skills and behaviors, attendance, and parent support.

Entrance Requirements

Rozelle Elementary School

- Kindergarten applicants must submit a document to verify their birthdate, such as an original copy of the birth certificate, passport, visa, I-94, etc.
