To: Anthony W. Wright

From: James Benton, Asbestos Supervisor

Subject: Melrose Stadium renovation project

The building materials involved with the aforementioned projects have been inspected and / or tested for asbestos. In my findings, I have concluded that 9x9 asbestos floor tiles were found in the locker room. Should you have any further questions please contact James Benton at 901-578-7909.

Please contact me via email BentonJR@scsk12.org and let me know if I can be of any further assistance.
