RE: Addendum #1: **IFB#01122022KC Athletic Field Prep Services (22) Locations**

Dear Bidders:

This Addendum forms a part of the Contract Documents and modifies the Plans and Specifications dated December 14, 2021. The Contractor shall acknowledge receipt of this Addendum on the Bid Form. Failure to do so may subject the Bidder to disqualification.

Item #1 – Questions & Responses

1. Is it possible to supply a map or drawings of fields to determine which fields at each 22 locations will be included in this bid? **No**
2. We are having trouble determining which fields are included at each location. Some of the locations mentioned in the bid do not have athletic facilities (Dexter, Geeter, Ridgeway) while others have multiple fields. We feel this will help us and others determine the correct pricing at each location if we knew what fields we need to include at each location. **The bid is for football practice fields**
3. The seeding section in the bid calls for Bermuda seed to be spread on bald areas at each location. In order for seed to germinate and grow it will need to be watered in on a daily basis once seeded. Do these locations/fields have irrigation or water access to the fields? **Some, not all**

Thank You,
Procurement Services
