PART VI: APPENDICES
APPENDIX A - SPECIAL TERMS AND CONDITIONS FOR SEALED BIDS

These Terms and Conditions shall apply unless otherwise noted in General Terms and Conditions attached to individual bid request. It shall be the Contractor’s sole responsibility to insure they are compliant with all applicable federal, state, and county laws, rules, ordinances, statutes, etc., that may impact this contract. The SCBE shall bear no responsibility for monitoring the Contractor’s compliance with said legal requirements. If the Contractor fails to maintain legal compliance, The SCBE may find said Contractor in default.

1.0 INVITATION TO BID

A. The SCBE invites all interested and qualified vendors to submit sealed bids for the procurement of goods and services in accordance with directions specified in the attached General Terms and Conditions and these Special Terms and Conditions.

B. Bidder may be asked to submit supporting documentation for bid analysis in reference to Shelby County Schools Local Preference Purchasing Program (Policy #2011).

2.0 GENERAL BID REQUIREMENTS

A. SINGLE PRICE: The Bidder will not be allowed to offer more than one price on each item even though the Bidder may feel that it has two or more types or styles that will meet specifications. Bidder must determine which to offer. If said Bidder should submit more than one price on any item, all prices for that item will be rejected.

B. AGGREGATE BIDS: Where provision is made on the Bid form for bidding items on an individual, group or aggregate basis, the award will be made on whichever basis is in the best interest of the SCBE. When an aggregate bid is requested, the unit prices for each item shall be identified in the bid response. The unit prices in an aggregate bid should be consistent with the total quoted price for an aggregate bid. No bid or a combination of items will be permitted except as noted in the General Terms and Conditions.

C. COMPLIANCE WITH SPECIFICATIONS:

1. The awarded Bidder shall abide by and comply with the true intent of the specifications.

2. Awarded Bidder shall not take advantage of any unintentional error or omission

3. Awarded Bidder shall fully complete every part as the true intent and meaning of the specifications, as decided by the Procurement Director. Where the requirements of the specifications call for higher grade and are not in conflict with the laws, ordinances, etc., the specifications shall govern. Where the requirements of the laws, ordinances, etc., are mandatory, they shall govern.

4. The successful bidder, after award and before manufacture and/or shipment, may be required to submit working drawings or detailed descriptive data identified as acceptable to The SCBE, which would provide sufficient data to enable The SCBE to judge the bidder's compliance with the specifications.

D. DEVIATIONS TO SPECIFICATIONS: Any deviation from the specifications must be noted in detail by the Bidder, in writing, as an attachment to the bid response. Bidders are fully aware that any deviations may render their bid as non-responsive. The absence of a written list of specification
deviations attached to the bid response will hold the Bidder strictly accountable to The SCBE to the specification as written. After Bid award, any deviation by the Awarded Bidder from the specifications, without prior documented approval, will be grounds for rejection of the goods and/or equipment when delivered.

E. SUB-CONTRACTORS: The Awarded Vendor shall give its constant personal attention to the faithful execution of this contract, shall keep the same under its own control, and shall not assign by power of attorney or otherwise, the work or any part thereof without the previous written consent of the SCBE. The Awarded Bidder shall provide the name of the sub-contractor(s) it intends employing, the portion of the materials/labor to be furnished, their place of business, and such other information as requested by the bid specifications. The information may be used in considering the potential performance capabilities of the sub-contractor(s). The Awarded Vendor shall not, without prior written consent of The SCBE, assign any of the monies payable under the contract.

F. COOPERATIVE PURCHASING: The SCBE reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the State of Tennessee as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not limited to private schools, parochial schools, non-public schools such as charter schools, special districts, intermediate units, non-profit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. This is conditioned upon mutual agreement of all parties pursuant to special requirements, which may be appended thereto. The supplier/contractor agrees to notify the issuing body of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested. A copy of the contract pricing and the bid requirements incorporated in this contract will be supplied to requesting agencies.

Each participating jurisdiction or agency shall enter into its own contract with the Awarded Bidder(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Awarded Bidder. The SCBE does not assume any responsibility other than to obtain pricing for the specifications provided.

3.0 PRICES

A. UNIT PRICES: Unit Prices must be rounded off to no more than two (2) decimal places, unless so specified in the General Terms and Conditions included with the bid request. All unit prices on items bid shall be completed on the Bid sheet(s). A NO BID notation must be completed for each item not being bid. In case of error in extension of prices in the bid, the unit price shall govern.

B. UNITS OF MEASURE: Wherever The SCBE indicates the unit of measure required for bidding purposes and the Bidder's price(s) is based on a different unit of measure than that indicated in the bid, it shall be at the sole discretion of SCBE to determine whether the Bidder’s price will be recalculated. The SCBE will not accept any bids with bidder escalator clauses, unbalanced figures, or irregular features.

C. CASH DISCOUNTS: Cash discounts will not be taken into consideration in determining a contract award. All discounts, other than prompt payment, are to be included in the bid price.

D. PRICE REDUCTIONS: The SCBE reserves the right to accept price reductions from the Awarded Bidder during the term of this contract.
E. **TAXES:** SCBE is a tax-exempt entity and, as such, is exempt from the payment of taxes, including but not limited to sales and use taxes, federal excise taxes and federal highway use taxes.

F. **EXTRA CHARGES:** Unless agreed by the parties in writing, charges in excess of the amounts agreed upon in the final contract shall not be allowed.

G. **NO COMMITMENT:** This IFB does not commit SCBE to award a contract, pay any costs incurred in the preparation of any Bid submitted, procure or contract for Services from any Bidder or any other person. Accordingly, each Bidder shall be responsible for all costs incurred in the preparation and submission of its Bid or in any part of its participation in the pre-award process.

H. **CONDITIONS AND ASSUMPTIONS:** All Bids and related documents submitted shall be based on the same conditions and assumptions that will underlie any prospective final contract between SCBE and the successful Bidder. Thus, in establishing the terms of any resulting contract, SCBE may assume the conditions and assumptions underlying the Bid submitted by the successful Bidder are accurate.

I. **ETHICS IN PUBLIC CONTRACTING:** By submitting its Bid, Bidder certifies that its Bid is submitted without collusion or fraud, that it has not offered or received any kickback or inducement from any other Bidder, supplier, manufacturer, subcontractor, customer or other person in connection with its Bid and that it has not conferred on any public employee or official having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, employment, service or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

J. **PROHIBITED CONTACT:** Registered and non-registered lobbying of SCBE staff members or Board members with respect to a pending project or award is prohibited during the time period between the date the IFB is advertised and the date a final contract is awarded. ANY CONTACT BETWEEN SCBE STAFF MEMBERS OR BOARD MEMBERS AND ANY REPRESENTATIVE OF A RESPONDENT RELATING TO A PENDING PROJECT OR AWARD (WHETHER BY WRITING, TELEPHONE, EMAIL OR OTHERWISE) OUTSIDE OF PROPERLY SCHEDULED MEETINGS, OTHER THAN AS INTENDED AND INITIATED BY AN SCBE STAFF MEMBER, SHALL BE GROUNDS FOR DISQUALIFICATION OF THE BIDDER FROM THE PROCESS. By submitting a Bid, the Bidder represents and warrants that it has not made, and will not make, any contact prohibited by this paragraph.

K. **CONFLICT OF INTEREST:** Bidder certifies that no SCBE Board member, staff member or any SCBE employee has a financial or beneficial interest in the Bidder.

L. **MANDATORY USE OF FORM AND MODIFICATION OF TERMS AND CONDITIONS:** Failure to submit a Bid on any official form provided for that purpose may be cause for rejection of a Bid. Return of the complete form is required. Modification of, or additions to, the general terms and conditions of this IFB may be cause for rejection of the Bid. Notwithstanding, the SCBE Director of Purchasing reserves the right to decide, on a case by case basis, in his or her sole discretion, whether to reject such a Bid.

M. **ERRORS OR OMISSIONS:** The Bidder shall not be allowed to take advantage of any errors or omissions in the specifications set forth in this IFB. Where errors or omissions occur in this IFB, the Bidder shall promptly notify the contact person listed in this IFB and report the identified error or omission. Inconsistencies in the specifications are to be reported before Bids are submitted to SCBE.

N. **LIABILITY FOR IMPROPER DATE OR TIME PROCESSING:** By submitting a Bid, the Bidder agrees that, if it becomes the successful contractor, the Bidder will indemnify and hold harmless SCBE and the officers, employees, Board members and agents of SCBE against any claim of, or liability for, breach of any contract related to the Services that is caused directly or indirectly by the failure of
computer software or any device containing a computer processor to accurately or properly recognize, calculate, display, sort or otherwise process dates or times.

O. **AUDIT:** Unless the contract is a firm fixed price contract, SCBE shall be entitled to audit the books and records of the successful contractor or any subcontractor thereof to the extent that such books and records relate to the performance of the successful contractor’s contract with SCBE. Accordingly, the successful contractor agrees, and any subcontractor thereof will agree, to retain all books, records and other documents relative to this IFB and the related contract for a period of three (3) years from the date of final payment under the contract for the contractor and for a period of three (3) years from the date of final payment under the subcontract for the subcontractor, unless a shorter period is otherwise authorized in writing the SCBE. By submitting a Bid, the successful contractor grants to SCBE the right to perform, or have performed by its authorized agents and/or auditors, an audit of the books and records of the successful contractor. Consequently, SCBE will have full access to, and the right to examine, any of said materials following the giving of reasonable notice during said period. **BIDDERS ARE HEREBY NOTIFIED THAT ALL RECORDS OF ALL PERSONS CONTRACTING WITH THE SCBE MAY BE SUBJECT TO THE TENNESSEE PUBLIC RECORDS ACT.**

P. **COMPLIANCE WITH PROCEDURES:** The successful contractor will comply with all procedural instructions that may be issued from time to time by SCBE. However, the substantive terms and conditions of the contract shall not change without the written consent of all parties thereto.

Q. **OBLIGATION OF SUCCESSFUL CONTRACTOR:** By submitting a Bid, the successful contractor covenants and agrees, based upon its own investigation of the conditions to be met, that it fully understands its obligation and that it will not make any claim under, or have any right to cancellation or relief from, the contract because of any misunderstanding or lack of information.

R. **FORMAT OF SERVICES; SATISFACTION OF SCBE:** The Bidder agrees that, if it becomes the successful contractor, the Bidder will fully provide to SCBE, to the best of its capabilities, the Services in substantially the format, quality and scope required by, or indicated in, this IFB, including any modifications and additions hereto. Furthermore, the Bidder agrees to be responsible for providing the Services in a manner and to an extent satisfactory to SCBE.

S. **DELIVERY:** By submitting a Bid, the Bidder agrees that, if it becomes the successful contractor, the Bidder will deliver to SCBE all items required to be delivered by this IFB and the Agreement in a form, which is complete and ready for use.

T. **TAXES:** The successful contractor shall determine, be responsible for and pay any applicable taxes related to the Services or the Agreement, including but not limited to any property tax, sales tax, federal excise tax or federal highway use tax. SCBE is a tax-exempt organization and shall not be billed for, nor be expected to pay, any taxes applicable to the Services. **A COPY OF DOCUMENTATION VERIFYING THE “TAX EXEMPT” STATUS OF SCBE IS AVAILABLE AND WILL BE FURNISHED TO THE SUCCESSFUL CONTRACTOR UPON REQUEST.**

U. **SUPPORT:** If it becomes the successful contractor, the Bidder agrees and affirms that, throughout the Agreement Term, it will utilize its best efforts to assist and support SCBE in addressing any problem whatsoever relating to the Services or the Agreement.

LOCAL PREFERENCE PURCHASING

I. PURPOSE

To give a local preference to businesses located in Shelby County, Tennessee for the purchase of supplies, materials, equipment, and services.

II. SCOPE

This policy applies to District level contracts with a total dollar purchase greater than $25,000.

III. DEFINITION

A. Local Preference Purchasing means giving preference to businesses located within Shelby County, Tennessee in the purchase of personal property, materials, and contractual services and in constructing improvements to real property or to existing structures.

B. Local Business means a vendor or contractor who holds a valid license to do business in Shelby County, Tennessee; has a street address within the limits of said locality for a continuous period of at least six (6) months prior to bid or proposal opening date; and has proof that Shelby County Personal Taxes are current (applies to local businesses who have been doing business in Shelby County, Tennessee for a year or more).

IV. POLICY STATEMENT

The Shelby County Board of Education recognizes that a significant amount of funds are spent on purchasing personal property, materials, and contractual services and in constructing improvements to real property or to existing structures. The Board also recognizes that dollars used in making purchases are derived largely from revenues generated from businesses located within Shelby County, Tennessee. The Board believes that funds generated in the community should be placed back into the local economy. Therefore, it is the policy of Shelby County Board of Education to provide a preference to local businesses in procurement transactions whenever the application of such a preference is reasonable in light of the dollar-value of proposals received in relation to such expenditures.
In the bidding of, or letting for procurement of supplies, materials, equipment and services, with a total price greater than $25,000, if the lowest responsive bidder is a regional or nonlocal business, then all bids received from Local Businesses are decreased by five (5) percent. The original bid is not changed; the five (5) percent is calculated only for the purpose of determining the Local Preference. The Local Preference cost differential is not to exceed one hundred thousand dollars ($100,000.00).

In the case of request for proposals, letters of interest, best evaluated bids, qualifications or other solicitations and competitive negotiation and selection in which objective factors are used to evaluate the responses, Local Businesses will be assigned five (5) percent of the total evaluation points up to a maximum of five (5) points.

In the event of a tie between a local and non-local business, favor shall be given to the Local Business and a coin toss method will be used to break ties between two (2) or more local businesses meeting said specifications.

Exceptions
This preference shall not apply to purchases or contracts that are funded in whole or in part by a governmental entity if the laws, regulations or policies governing such funding prohibit application of the Local Preference; when exigent emergency conditions or noncompetitive situations exist; and when a particular purchase, contract, or category of contracts for which SCS is the awarding authority is waived upon written justification and recommendation of the Board.

Restrictions
The Local Preference shall apply to District level purchases only. The preference shall apply to new contracts for supplies, materials, equipment, and services first solicited after January 29, 2013.

V. RESPONSIBILITY

A. The "users" of services are responsible for furnishing an objective evaluation of their needs and for identifying the specifications of the services to be delivered.

B. The Chief Financial Officer is responsible for developing final specifications and obtaining all bids, requests for proposals, and contracted service agreements.

C. The Chief Financial Officer is responsible for ensuring that all services have been properly approved and all procedures followed before signing contractual agreements.

D. The Superintendent is responsible for ensuring compliance with this policy.

SUBJECT: Asbestos in Schools – Formal Notification

The Environmental Protection Agency issued a final rule under Section 203 of Title II of the Toxic Substances Control Act (TSCA), 15 U.S.C. 2643, and effective December 14, 1987, to require all educational agencies to identify Asbestos Containing Materials in their school buildings and take the appropriate actions to control release of Asbestos Fibers. The local educational agencies are required to describe their activities in management plans which must be made available to all concerned persons and submitted to State Governors. This final rule requires that local educational agencies use specially trained and certified persons to conduct inspections for asbestos, develop management plans, and design or conduct major actions to control asbestos.

The Division of Facilities and Real Estate Management, Memphis City Schools, has developed a plan for each school facility that shows where Asbestos Containing Materials or suspected Asbestos Containing Materials are to be found therein. This plan is available in the main office at each of our schools or facilities.

Therefore, any short-term worker/vendor/contractor installing services/equipment or making repairs in any facility of Shelby County Schools will be responsible for determining whether or not their work will be in an area with Asbestos Containing Materials, it will be imperative that Shelby County Schools, Division of Facilities and Real Estate Management, Office of Facilities Support, be advised and approve performance of such work before it is started.
