COVER SHEET

No person or firm shall offer to perform or be hired to perform as professionals the services of inspection, preparation of management plans, designing of response actions, or supervising of response actions except as properly accredited under the provisions of the Federal Regulations Title 40, Part 763 (AHERA). The U.S. Environmental Protection Agency and the State of Tennessee recommend those persons or firms performing as professionals be registered under the registration laws of the State of Tennessee or a state which has reciprocity with the State of Tennessee. Such professionals should be independent practitioners and should have no financial or other interest in contractors, subcontractors, manufacturers, or jobbers under their jurisdiction where direct conflict of interest could occur, except as permitted.

An employee of a State or local public or private education agency (LEA) may provide the services of inspection or preparation of the management plans for their respective LEA's facilities, provided that person is properly accredited under the AHERA laws and regulations.

The signatures hereon attest to the above statement and certify that it is the intent of the signatories to carry out all other provisions of the AHERA laws and regulations.
