PART VI: APPENDICES
APPENDIX A - SPECIAL TERMS AND CONDITIONS FOR RFP'S

These Terms and Conditions shall apply unless otherwise noted in General Terms and Conditions attached to individual bid request. It shall be the Vendor’s sole responsibility to insure they are compliant with all applicable federal, state, and city laws, rules, ordinances, statutes, etc., that may impact this contract. MMSCBE shall bear no responsibility for monitoring the Vendor’s compliance with said legal requirements. If the Vendor fails to maintain legal compliance, MMSCBE may find said Vendor in default.

1. REQUEST FOR PROPOSALS (RFP)

   a. DIRECTIONS: MMSCBE invites all interested and qualified vendors to submit proposals to this RFP in accordance with directions specified in the attached General Terms and Conditions and these Special Terms and Conditions.

   b. DEFINITIONS: For the purpose and clarity of this document only, "MMSCBE" will mean The Memphis-Shelby County Schools. Also, for the purpose and clarity of this document, “Vendor” will mean any reliable and interested broker, vendor, supplier, vendor, and/or manufacturer that want to respond to this RFP.

2. GENERAL REQUIREMENTS

   a. AUTHORIZED DEALERS: Only authorized dealers may submit a proposal on requested equipment. At the discretion of MMSCBE, a certificate, executed by the manufacturer, may be requested stating that the Vendor is an authorized agent of the manufacturer and is duly authorized to service and maintain the equipment.

   b. INSPECTIONS: MMSCBE reserves the right to have inspectors on the premises of the manufacturer during the process of manufacture of any products being furnished under this RFP for as long as may be considered necessary by MMSCBE. All expenses of the inspectors shall be borne by MMSCBE. The presence of the inspectors at the site of manufacture of the products shall not relieve the Awarded Vendor of responsibility for faulty workmanship of materials that may be discovered at any time after delivery and prior to final acceptance in accordance with the specifications. In case of factory inspection of items being manufactured for MMSCBE, every facility shall be afforded inspectors by the manufacturers for the pursuance of their work.

   c. TYPES OF PURCHASES: These specifications are intended to cover the various types of purchases of equipment, materials, supplies, or services as shown to any or to each of the various public and charter schools, offices, or to any designated warehouse or warehouses in Memphis-Shelby County.

   d. SINGLE PRICE: Unless otherwise specified in the General Terms and Conditions attached to this RFP, the Vendor will not be allowed to offer more than one price on each item even though the vendor may feel that it has two or more types or styles that will meet specifications. Vendor must determine which to offer. If said Vendor should submit more than one price on any item, all prices for that item will be rejected.

   e. AGGREGATE BIDS: Where provision is made on the proposal form for bidding items on
an individual, group or aggregate basis, the award will be made on whichever basis is in
the best interest of MMSCBE. When an aggregate bid is requested, the unit prices for
each item shall be identified in the response. The unit prices in an aggregate bid should
be consistent with the total quoted price for an aggregate bid. No bid or a combination of
items will be permitted except as noted in the General Terms and Conditions.

f. MINIMUM REQUIREMENTS: Whenever mention is made of any article, material, or
workmanship to be in accordance with laws, ordinances, building codes, underwriter's
code, A.S.M.E. regulations, or similar expressions, the requirements of these laws,
ordinances, etc., shall be construed as to the minimum requirements of these
specifications. In case of any apparent conflict between the specifications and such
laws, ordinances, etc., the Awarded Vendor shall call said conflict to the attention of
MMSCBE Director of Purchasing & Supply Services for a decision before proceeding
with any work.

g. USE OF BRAND NAMES: Brand names and model numbers are offered as a reference
for Vendors as to the style, size, weight, and other characteristics of the item(s) in the
specifications. The use of such brand names should not be interpreted to be the
exclusive brand desired unless so stated. The determination of the acceptability and/or
the criteria for acceptability of an alternate is solely the responsibility of MMSCBE.

h. PRODUCT OFFERED BY THE VENDOR: The product offered by the Vendor shall be
new, not used, and the latest version of the product. Should a product be discontinued
and/or upgraded during the course of the contract, the Vendor shall offer to MMSCBE a
new alternate product that meets and/or exceeds the established specifications, under
the same terms, conditions, and prices as the originally offered item.

i. COMPLIANCE WITH SPECIFICATIONS: The Vendor shall abide by and comply with
the true intent of the specifications and not take advantage of any unintentional error or
omission but shall fully complete every part as the true intent and meaning of the
drawings and specifications, as decided by the Procurement Director. Where the
requirements of the specifications call for higher grade and are not in conflict with the
laws, ordinances, etc., the specifications shall govern. Where the requirements of the
laws, ordinances, etc., are mandatory, they shall govern. The successful Vendor, after
award and before manufacture and/or shipment, may be required to submit working
drawings or detailed descriptive data identified as acceptable to MMSCBE, which would
provide sufficient data to enable MMSCBE to judge the Vendor's compliance with the
specifications.

j. DEVIATIONS TO SPECIFICATIONS: Any deviation from the specifications must be
noted in detail by the Vendor, in writing, as an attachment to the response. The absence
of a written list of specification deviations attached to the response will hold the Vendor
strictly accountable to MMSCBE to the specification as written. Any deviation by the
Awarded Vendor from the specifications, without prior documented approval, will be
grounds for rejection of the goods and/or equipment when delivered.

k. Piggyback Clause: Memphis-Shelby County Board of Education reserves the right to
extend the terms, conditions, and prices of this contract to other Institutions (such as
State, Local and/or Public Agencies) who express an interest in participating in any
contract that results from this RFP. Each of the piggyback institutions will issue their own
purchasing documents for purchasing of the goods. Proposer agrees that the Memphis-
Shelby County Board of Education shall bear no responsibility or liability for any agreements between Proposer and the other Institution(s) who desire to exercise this option.

Each participating jurisdiction or agency shall enter into its own contract with the Awarded Bidder(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate “directly” to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Awarded Bidder. MMSCBE does not assume any responsibility other than to obtain pricing for the specifications provided.

All contractors, vendors or service providers coming on to District premises to do work or provide services are required to have insurance. **Other Insurance Coverage That May Be Required:**

- **Professional Liability (Errors & Omissions)**: Not less than $1,000,000 per occurrence and aggregate to be maintained for the duration of the agreement and three years following its termination.

- **Umbrella or Excess Liability Coverage**: Not less than $4,000,000 per occurrence and in the aggregate.
  
  - This coverage typically sits above the underlying General Liability, Automobile Liability and Professional Liability policies. Depending on the scope and work to be performed in the proposed agreement, this policy may be required in order for the vendor to be able to meet the minimum insurance requirements.
Required for all construction, security, IT, and healthcare related contracts.

- **Cyber Risk Insurance**: Not less than $2,000,000 per claim to be maintained for the duration of the agreement and three years following its termination.
  
  - This insurance requirement applies when a third party will be using, storing or accessing private, confidential or protected information.

Higher limits of environmental liability coverage may be required depending upon the scope of work.

  Renewal certificates of insurance shall be provided annually to Procurement Services until all work is completed.

  Please contact Risk Management, Anthony Krone, kronera@scsk12.org or 416-1997 with any questions.

3. The certificate on this insurance shall be made in favor of the **Memphis-Shelby County Board of Education, Memphis TN 38112** and indicate paid up coverage for the term of the contract.

5. It will be the responsibility of the successful Respondent(s) to ensure that a **current Certificate of Insurance** is on file in the Purchasing Office during the entire period of the contract.
6. The cost of the above insurance shall be considered an overhead or operating expense to the Vendor, similar to rental costs, utilities, automobile liability insurance, and other business-related expenses. **The premiums or costs to provide the above insurance shall not be directly related to the cost of the work or services specified in this Request for Proposal.**

h. **NON-ASSIGNABILITY:** This contract shall not be assigned, or services subcontracted in whole or in part without the written consent of MSCBE. Any attempt to do so without such written consent shall be null and void of no effect.

k. **SOLE AGREEMENT:** This Contract constitutes the sole agreement between the parties hereto and no amendment, modification or waiver of any of the terms and conditions hereof shall be valid unless in writing and executed by both parties. Any prior verbal agreements or proposals shall not be considered a part of this Contract.

l. **PROTECTION OF PROPERTY:** Vendor will use reasonable care to avoid damaging existing buildings, equipment, and property at MSCBE sites and all material furnished by MSCBE (“Property”). If the Vendor’s failure to use reasonable care causes damage to any property, Vendor must replace or repair the damage at no expense to MSCBE as directed by the Contracting Officer. If the Vendor fails or refuses to make such repair or replacement, the Vendor will be liable for the cost, which may be deducted from payments due Vendor.

m. **PUBLIC STATEMENTS:** Vendor shall not use or reference the Name or Emblem of MSCBE in issuing any press releases or otherwise making any public statement with respect to this Contract (unless such press release or statement is required by applicable law regulation or the requirements of any listing agreement with any applicable stock exchange) without the prior written consent of MSCBE, which consent will not be unreasonably withheld. Purchase by MSCBE of any articles, material, merchandise, or service does not imply that MSCBE has either adopted or endorsed the product of service, and the use by any manufacturer, Vendor, merchant or other person of the name or emblem of MSCBE in any advertisement that they are furnishing products or services is not authorized. The unauthorized use of the name or emblem of MSCBE is prohibited by the United States Criminal Code - Section 706.

LOCAL PREFERENCE PURCHASING

I. PURPOSE

To give a local preference to businesses located in Memphis-Shelby County, Tennessee for the purchase of supplies, materials, equipment, and services.

II. SCOPE

This policy applies to District level contracts with a total dollar purchase greater than $25,000.

III. DEFINITION

A. Local Preference Purchasing means giving preference to businesses located within Memphis-Shelby County, Tennessee in the purchase of personal property, materials, and contractual services and in constructing improvements to real property or to existing structures.

B. Local Business means a vendor or contractor who holds a valid license to do business in Memphis-Shelby County, Tennessee; has a street address within the limits of said locality for a continuous period of at least six (6) months prior to bid or proposal opening date; and has proof that Memphis-Shelby County Personal Taxes are current (applies to local businesses who have been doing business in Memphis-Shelby County, Tennessee for a year or more).
IV. POLICY STATEMENT

The Memphis-Shelby County Board of Education recognizes that a significant amount of funds are spent on purchasing personal property, materials, and contractual services and in constructing improvements to real property or to existing structures. The Board also recognizes that dollars used in making purchases are derived largely from revenues generated from businesses located within Memphis-Shelby County, Tennessee. The Board believes that funds generated in the community should be placed back into the local economy. Therefore, it is the policy of Memphis-Shelby County Board of Education to provide a preference to local businesses in procurement transactions whenever the application of such a preference is reasonable in light of the dollar-value of proposals received in relation to such expenditures.

In the bidding of, or letting for procurement of supplies, materials, equipment and services, with a total price greater than $25,000, if the lowest responsive bidder is a regional or nonlocal business, then all bids received from Local Businesses are decreased by five (5) percent. The original bid is not changed; the five (5) percent is calculated only for the purpose of determining the Local Preference. The Local Preference cost differential is not to exceed one hundred thousand dollars ($100,000.00).

In the case of request for proposals, letters of interest, best evaluated bids, qualifications or other solicitations and competitive negotiation and selection in which objective factors are used to evaluate the responses, Local Businesses will be assigned five (5) percent of the total evaluation points up to a maximum of five (5) points.

In the event of a tie between a local and non-local business, favor shall be given to the Local Business and a coin toss method will be used to break ties between two (2) or more local businesses meeting said specifications.

Exceptions

This preference shall not apply to purchases or contracts that are funded in whole or in part by a governmental entity if the laws, regulations or policies governing such funding prohibit application of the Local Preference; when exigent emergency conditions or noncompetitive situations exist; and when a particular purchase, contract, or category of contracts for which MSCS is the awarding authority is waived upon written justification and recommendation of the Board.
Restrictions
The Local Preference shall apply to District level purchases only. The preference shall apply to new contracts for supplies, materials, equipment, and services first solicited after January 29, 2013.

V. RESPONSIBILITY

A. The "users" of services are responsible for furnishing an objective evaluation of their needs and for identifying the specifications of the services to be delivered.

B. The Chief Financial Officer is responsible for developing final specifications and obtaining all bids, requests for proposals, and contracted service agreements.

C. The Chief Financial Officer is responsible for ensuring that all services have been properly approved and all procedures followed before signing contractual agreements.

D. The Superintendent is responsible for ensuring compliance with this policy.
