QUESTIONS AND ANSWERS

IFB 03182026DEM Serving Lines for Cromwell, Holmes Rd, and Oakshire Elem

- 1. Do you have drawings of these serving lines that you can provide?**
The drawings are on file with the bid. Holmes Road has a page that was missing. It will be posted with the Addendum.
- 2. Attached is a formal request for information (clarification) of the bid Specifications for the Serving Lines for Holmes Road, Cromwell Elem, and Oakshire Elem Schools. An updated drawing has been added to show each serving line - wells location. A formal walk through was held and each vendor was allowed to visit each cafeteria, measure and ask questions. Without knowing a specific question or concern here, it is difficult to know what needs clarification.**
- 3. Please clarify the specification for the following schools:**
 - Holmes Road:**
The included drawing shows (4) 60” counters with hot wells. The specifications call for only (1) 60” counter and no hot well Drop-in. **See addendum specs (2) 4 well hot food tables will not be drop ins. (2) 3 wells hot/cold/freeze will have drop ins.**
The written specifications call for “5” dia. gray poly swivel casters & brakes”; on all included units; the drawing shows counters mounted on legs. Entire serving line must have casters
 - Cromwell Elementary:**
The written specifications call for (2) 48” counters that are not Shown on the drawings. **Picture shows counters or skeleton wall is needed for 2 48” counters**
The Hot food counters are specified to be on casters **Legs**
The 18” counters are specified to be on legs **Legs**
The 48” mystery counters are specified to be on legs **Legs**
The 30” cashier stands are specified to be on legs. **Legs**
 - Oakshire Elementary:**
The 74” counters are specified to be on casters **Entire serving line on casters.**
The 18” counters are specified to be on legs.
The 30” cashier counters are specified to be on casters.

Thank you,
