IFB 01212026MT – SUMMER MILK REFRIGERATED JUICE BID 2026 SY

1. I am reaching out to get clarification for the summer milk and juice bid that is currently posted, we represent Mott's which is shelf stable juice boxes. For this bid, are you only seeking refrigerated juice?

MSCS is looking for refrigerated juice only. Also, this is an "all or none" bid, so vendors would have to bid on everything, not just the juice.
