QUESTIONS AND ANSWERS

RFP 05312023AW Enhancing School Capacity to Address Youth Violence

1. Is there a limit on two (2) outreach workers?
 - a. The limit is one (1) worker per school providing services, with mandatory backup workers and that has no limit.

2. Is the \$3,440.00 limit per worker, and does it include the \$100 operational fee given?
 - a. It is not to exceed \$3440.00 per school, not per worker and it does include the weekly operational fee.

3. Can two (2) different workers work the during school and after-school portion respectively?
 - a. No, in order to build relationships, the worker will need to be the same during and after school to maintain consistency.

4. Can you elaborate on the ESL services?
 - a. You will need to be able to serve students were English is their second language, meaning be able to translate and etc. to students and families when needed.
