Also, for the purpose and clarity of this document, "Vendor" will mean any reliable and interested broker, vendor, supplier, vendor, and/or manufacturer that wishes to respond to this RFP.

### **2. GENERAL REQUIREMENTS**

- a. AUTHORIZED DEALERS: If applicable, Only authorized dealers may submit a proposal on requested equipment. At the discretion of SCBE, a certificate, executed by the manufacturer may be requested stating that the Vendor is an authorized agent of the manufacturer and is duly authorized to service and maintain the equipment.
- b. INSPECTIONS: SCBE reserves the right to have inspectors on the premises of the manufacturer during the process of manufacture of any products being furnished under this RFP for as long as may be considered necessary by SCBE. All expenses of the inspectors shall be borne by SCBE. The presence of the inspectors at the site of manufacture of the products shall not relieve the Awarded Vendor of responsibility for faulty workmanship of materials that may be discovered at any time after delivery and prior to final acceptance in accordance with the specifications. In case of factory inspection of items being manufactured for SCBE, every facility shall be afforded inspectors by the manufacturers for the pursuance of their work.
- c. TYPES OF PURCHASES: These specifications are intended to cover the various types of purchases of equipment, materials, supplies, or services as shown to any or to each of the various public and charter schools, offices, or to any designated warehouse or warehouses in Shelby County.
- d. SINGLE PRICE: Unless otherwise specified in the General Terms and Conditions attached to this RFP, the Vendor will not be allowed to offer more than one price on each item even though the vendor may feel that it has two or more types or styles that will meet specifications. Vendor must determine which to offer. If said Vendor should submit more than one price on any item, all prices for that item will be rejected.
- e. AGGREGATE BIDS: Where provision is made on the proposal form for bidding items on an individual, group or aggregate basis, the award will be made on whichever basis is in the best interest of SCBE. When an aggregate bid is requested, the unit prices for each item shall be identified in the response. The unit prices in an aggregate bid should be consistent with the total quoted price for an aggregate bid. No bid or a combination of items will be permitted except as noted in the General Terms and Conditions.
- f. MINIMUM REQUIREMENTS: Whenever mention is made of any article, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's code, A.S.M.E. regulations, or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications. In case of any apparent conflict between the specifications and such laws, ordinances, etc., the Awarded Vendor shall call said conflict to the attention of SCBE Director of Procurement for a decision before proceeding with any work.

- g. **USE OF BRAND NAMES:** If applicable, Brand names and model numbers are offered as a reference for Vendors as to the style, size, weight, and other characteristics of the item(s) in the specifications. The determination of the acceptability and/or the criteria for acceptability of an alternate is solely the responsibility of SCBE.
- h. **PRODUCT OFFERED BY THE VENDOR:** The product offered by the Vendor shall be new, not used, and the latest version of the product. - i. **COMPLIANCE WITH SPECIFICATIONS:** The Vendor shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission but shall fully complete every part as the true intent and meaning of the drawings and specifications, as decided by the Procurement Director. Where the requirements of the specifications call for higher grade and are not in conflict with the laws, ordinances, etc., the specifications shall govern. Where the requirements of the laws, ordinances, etc., are mandatory, they shall govern. The successful Vendor, after award and before manufacture and/or shipment, may be required to submit working drawings or detailed descriptive data identified as acceptable to SCBE, which would provide sufficient data to enable SCBE to judge the Vendor's compliance with the specifications.
- j. **DEVIATIONS TO SPECIFICATIONS:** Any deviation from the specifications must be noted in detail by the Vendor, in writing, as an attachment to the response. The absence of a written list of specification deviations attached to the response will hold the Vendor strictly accountable to SCBE to the specification as written. Any deviation by the Awarded Vendor from the specifications, without prior documented approval, will be grounds for rejection of the goods and/or equipment when delivered.
- k. **Piggyback Clause:** Shelby County Board of Education reserves the right to extend the terms, conditions, and prices of this contract to other Institutions (such as State, Local and/or Public Agencies) who express an interest in participating in any contract that results from this RFP. Proposer agrees that the Shelby County Board of Education shall bear no responsibility or liability for any agreements between Proposer and the other Institution(s) who desire to exercise this option.

Each participating jurisdiction or agency shall enter into its own contract with the Awarded Respondent(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate "directly" to the ordering jurisdiction for each unit purchased. **Shelby County Board of Education**

**Issued Date: 01/29/13**  
**Revised: 08/31/21**

**LOCAL PREFERENCE PURCHASING # 2011**

**I. PURPOSE**

To give a local preference to businesses located in Shelby County, Tennessee for the purchase of supplies, materials, equipment, and services.

**II. SCOPE**

This policy applies to District level contracts with a total dollar purchase greater than \$25,000.

**III. DEFINITION**

- A. Local Preference Purchasing means giving preference to businesses located within Shelby County, Tennessee in the purchase of personal property, materials, and contractual services and in constructing improvements to real property or to existing structures.
- B. Local Business means a vendor or contractor who holds a valid license to do business in Shelby County, Tennessee; has a street address within the limits of said locality for a continuous period of at least six (6) months prior to bid or proposal opening date; and has proof that Shelby County Personal Taxes are current (applies to local businesses who have been doing business in Shelby County, Tennessee for a year or more).

**IV. POLICY STATEMENT**

The Shelby County Board of Education recognizes that a significant amount of funds are spent on purchasing personal property, materials, and contractual services and in constructing improvements to real property or to existing structures. The Board also recognizes that dollars used in making purchases are derived largely from revenues generated from businesses located within Shelby County, Tennessee. The Board believes that funds generated in the community should be placed back into the local economy. Therefore, it is the policy of Shelby County Board of Education to provide a preference to local businesses in procurement transactions whenever the application of such a preference is reasonable in light of the dollar-value of proposals received in relation to such expenditures.

In the bidding of, or letting for procurement of supplies, materials, equipment and services, with a total price greater than \$25,000, if the lowest responsive bidder is a regional or nonlocal business, then all bids received from Local Businesses are decreased by five (5) percent. The original bid is not changed; the five (5) percent is calculated only for the purpose of determining the Local Preference. The Local Preference cost differential is not to exceed one hundred thousand dollars (\$100,000.00).

In the case of request for proposals, letters of interest, best evaluated bids, qualifications or other solicitations and competitive negotiation and selection in which objective factors are used to evaluate the responses, Local Businesses will be assigned five (5) percent of the total evaluation points up to a maximum of five (5) points.

In the event of a tie between a local and non-local business, favor shall be given to the Local Business and a coin toss method will be used to break ties between two (2) or more local businesses meeting said specifications.

### **Exceptions**

This preference shall not apply to purchases or contracts that are funded in whole or in part by a governmental entity if the laws, regulations or policies governing such funding prohibit application of the Local Preference; when exigent emergency conditions or noncompetitive situations exist; and when a particular purchase, contract, or category of contracts for which MSCS is the awarding authority is waived upon written justification and recommendation of the Board.

### **Restrictions**

The Local Preference shall apply to District level purchases only. The preference shall apply to new contracts for supplies, materials, equipment, and services first solicited after January 29, 2013.

## **V. RESPONSIBILITY**

- A. The "users" of services are responsible for furnishing an objective evaluation of their needs and for identifying the specifications of the services to be delivered.
- B. The Chief Financial Officer is responsible for developing final specifications and obtaining all bids, requests for proposals, and contracted service agreements.
- C. The Chief Financial Officer is responsible for ensuring that all services have been properly approved and all procedures followed before signing contractual agreements.
