RFP 09042025MT - Chiller System Repairs

Do we need to separate the 4 copies of RFP into different envelopes?

Please separate the four (4) copies so that we know where it starts and stops. You do not need to place it in different envelopes; however, the original should be placed inside of a sealed envelope and must have the RFP information referenced on the outside of the envelope. Please follow the instructions provided in RFP Section 8. Proposal Submission.

Guarantee and warranties Paragraph B Guarantee Period Pg. 20

Can you please verify that SCS will be responsible for Rental HVAC for equipment that is down and not under Warranty.

SCS will be responsible if the equipment does not have a warranty.
