PART VI: APPENDICES

APPENDIX A - SPECIAL TERMS AND CONDITIONS FOR RFP'S

These Terms and Conditions shall apply unless otherwise noted in General Terms and Conditions attached to individual bid request. It shall be the Vendor's sole responsibility to insure they are compliant with all applicable federal, state, and city laws, rules, ordinances, statutes, etc., that may impact this contract. SCBE shall bear no responsibility for monitoring the Vendor's compliance with said legal requirements. If the Vendor fails to maintain legal compliance, SCBE may find said Vendor in default.

1. REQUEST FOR PROPOSALS (RFP)

- a. DIRECTIONS: SCBE invites all interested and qualified vendors to submit proposals to this RFP in accordance with directions specified in the attached General Terms and Conditions and these Special Terms and Conditions.
- b. DEFINITIONS: For the purpose and clarity of this document only, "SCBE" will mean The Memphis-Shelby County Schools. Also, for the purpose and clarity of this document, "Vendor" will mean any reliable and interested broker, vendor, supplier, vendor, and/or manufacturer that want to respond to this RFP.

2. GENERAL REQUIREMENTS

- a. AUTHORIZED DEALERS: Only authorized dealers may submit a proposal on requested equipment. At the discretion of SCBE, a certificate, executed by the manufacturer, may be requested stating that the Vendor is an authorized agent of the manufacturer and is duly authorized to service and maintain the equipment.
- b. INSPECTIONS: SCBE reserves the right to have inspectors on the premises of the manufacturer during the process of manufacture of any products being furnished under this RFP for as long as may be considered necessary by SCBE. All expenses of the inspectors shall be borne by SCBE. The presence of the inspectors at the site of manufacture of the products shall not relieve the Awarded Vendor of responsibility for faulty workmanship of materials that may be discovered at any time after delivery and prior to final acceptance in accordance with the specifications. In case of factory inspection of items being manufactured for SCBE, every facility shall be afforded inspectors by the manufacturers for the pursuance of their work.
- c. TYPES OF PURCHASES: These specifications are intended to cover the various types of purchases of equipment, materials, supplies, or services as shown to any or to each of the various public and charter schools, offices, or to any designated warehouse or warehouses in Shelby County.
- d. SINGLE PRICE: Unless otherwise specified in the General Terms and Conditions attached to this RFP, the Vendor will not be allowed to offer more than one price on each item even though the vendor may feel that it has two or more types or styles that will meet specifications. Vendor must determine which to offer. If said Vendor should submit more than one price on any item, all prices for that item will be rejected.
- e. AGGREGATE BIDS: Where provision is made on the proposal form for bidding items on an individual, group or aggregate basis, the award will be made on whichever basis is in

the best interest of SCBE. When an aggregate bid is requested, the unit prices for each item shall be identified in the response. The unit prices in an aggregate bid should be consistent with the total quoted price for an aggregate bid. No bid or a combination of items will be permitted except as noted in the General Terms and Conditions.

- f. **MINIMUM REQUIREMENTS:** Whenever mention is made of any article, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's code, A.S.M.E. regulations, or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications. In case of any apparent conflict between the specifications and such laws, ordinances, etc., the Awarded Vendor shall call said conflict to the attention of SCBE Director of Purchasing & Supply Services for a decision before proceeding with any work.
- g. **USE OF BRAND NAMES:** Brand names and model numbers are offered as a reference for Vendors as to the style, size, weight, and other characteristics of the item(s) in the specifications. The use of such brand names should not be interpreted to be the exclusive brand desired unless so stated. The determination of the acceptability and/or the criteria for acceptability of an alternate is solely the responsibility of SCBE.
- h. **PRODUCT OFFERED BY THE VENDOR:** The product offered by the Vendor shall be new, not used, and the latest version of the product. Should a product be discontinued and/or upgraded during the course of the contract, the Vendor shall offer to SCBE a new alternate product that meets and/or exceeds the established specifications, under the same terms, conditions, and prices as the originally offered item.
- i. **COMPLIANCE WITH SPECIFICATIONS:** The Vendor shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission but shall fully complete every part as the true intent and meaning of the drawings and specifications, as decided by the Procurement Director. Where the requirements of the specifications call for higher grade and are not in conflict with the laws, ordinances, etc., the specifications shall govern. Where the requirements of the laws, ordinances, etc., are mandatory, they shall govern. The successful Vendor, after award and before manufacture and/or shipment, may be required to submit working drawings or detailed descriptive data identified as acceptable to SCBE, which would provide sufficient data to enable SCBE to judge the Vendor's compliance with the specifications.
- j. **DEVIATIONS TO SPECIFICATIONS:** Any deviation from the specifications must be noted in detail by the Vendor, in writing, as an attachment to the response. The absence of a written list of specification deviations attached to the response will hold the Vendor strictly accountable to SCBE to the specification as written. Any deviation by the Awarded Vendor from the specifications, without prior documented approval, will be grounds for rejection of the goods and/or equipment when delivered.
- k. **Piggyback Clause:** Shelby County Board of Education reserves the right to extend the terms, conditions, and prices of this contract to other Institutions (such as State, Local and/or Public Agencies) who express an interest in participating in any contract that results from this RFP. Each of the piggyback institutions will issue their own purchasing documents for purchasing of the goods. Proposer agrees that the Shelby County Board of Education shall bear no responsibility or liability for any agreements between

Proposer and the other Institution(s) who desire to exercise this option.

Each participating jurisdiction or agency shall enter into its own contract with the Awarded Respondent(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the Awarded Respondent. SCBE does not assume any responsibility other than to obtain pricing for the specifications provided.

- i. In accordance with policy 1013 Superintendent Code of Ethics SCBE has promulgated Ethics Policies, which cover conflict of interest, financial disclosure and lobbying. All respondents are expected to comply with any and all SCBE Ethics Policies that may apply to them individually or as a business entity.

In case of error in extension of prices in the proposal response, the unit price shall govern.
- b. **UNITS OF MEASURE:** Wherever SCBE indicates the unit of measure required and the Vendor's price is based on a different unit of measure, it shall be at the sole discretion of SCBE to determine whether the Vendor's price will be recalculated.  - Identification of the solicitation
 - Statement of reasons for the protest

The protesting party shall post with the Procurement Director, at the time of filing a notice of protest, a bond payable to the Shelby County Board of Education in the amount of five percent (5%) of the lowest cost proposal evaluated or, if a protest is filed prior to the opening of cost proposals, the bond payable shall be five percent (5%) of the estimated maximum liability provided in the procurement document. The protest bond shall be in form and substance acceptable to the Shelby County Board of Education and shall be immediately payable to the Shelby County Board of Education conditioned upon a decision by the protest committee that:
 - a. A request for consideration, protest, pleading, motion, or other document is signed, before or after appeal to the Chief Financial Officer, in violation of subsection (b);
 - b. The protest has been brought or pursued in bad faith; or
 - c. The protest does not state on its face a valid basis for protest.
2. The bond shall be payable to the Shelby County Board of Education for any other reason approved by the Procurement Office. The Board of Education shall hold the protest bond for at least eleven (11) calendar days after the date of the final determination by the Procurement Director. If the protesting party appeals the Procurement Director's determination to the protest committee, the Procurement Director shall hold the protest bond until instructed by the General Counsel Office to either keep the bond or return it to the protesting party.

3. LOCAL PREFERENCE PURCHASING

I. PURPOSE

To give a local preference to businesses located in Shelby County, Tennessee for the purchase of supplies, materials, equipment, and services.

II. SCOPE

This policy applies to District level contracts with a total dollar purchase greater than \$25,000.

III. DEFINITION

- A. Local Preference Purchasing means giving preference to businesses located within Shelby County, Tennessee in the purchase of personal property, materials, and contractual services and in constructing improvements to real property or to existing structures.
- B. Local Business means a vendor or contractor who holds a valid license to do business in Shelby County, Tennessee; has a street address within the limits of said locality for a continuous period of at least six (6) months prior to bid or proposal opening date; and has proof that Shelby County Personal Taxes are current (applies to local businesses who have been doing business in Shelby County, Tennessee for a year or more).

IV. POLICY STATEMENT

The Shelby County Board of Education recognizes that a significant amount of funds are spent on purchasing personal property, materials, and contractual services

and in constructing improvements to real property or to existing structures. The Board also recognizes that dollars used in making purchases are derived largely from revenues generated from businesses located within Shelby County, Tennessee. The Board believes that funds generated in the community should be placed back into the local economy. Therefore, it is the policy of Shelby County Board of Education to provide a preference to local businesses in procurement transactions whenever the application of such a preference is reasonable in light of the dollar-value of proposals received in relation to such expenditures.

In the bidding of, or letting for procurement of supplies, materials, equipment and services, with a total price greater than \$25,000, if the lowest responsive bidder is a regional or nonlocal business, then all bids received from Local Businesses are decreased by five (5) percent. The original bid is not changed; the five (5) percent is calculated only for the purpose of determining the Local Preference. The Local Preference cost differential is not to exceed one hundred thousand dollars (\$100,000.00).

In the case of request for proposals, letters of interest, best evaluated bids, qualifications or other solicitations and competitive negotiation and selection in which objective factors are used to evaluate the responses, Local Businesses will be assigned five (5) percent of the total evaluation points up to a maximum of five (5) points.

In the event of a tie between a local and non-local business, favor shall be given to the Local Business and a coin toss method will be used to break ties between two (2) or more local businesses meeting said specifications.

Exceptions

This preference shall not apply to purchases or contracts that are funded in whole or in part by a governmental entity if the laws, regulations or policies governing such funding prohibit application of the Local Preference; when exigent emergency conditions or noncompetitive situations exist; and when a particular purchase, contract, or category of contracts for which MSCS is the awarding authority is waived upon written justification and recommendation of the Board.

Restrictions

The Local Preference shall apply to District level purchases only. The preference shall apply to new contracts for supplies, materials, equipment, and services first solicited after January 29, 2013.

V. RESPONSIBILITY

- A. The "users" of services are responsible for furnishing an objective evaluation of their needs and for identifying the specifications of the services to be delivered.
- B. The Chief Financial Officer is responsible for developing final specifications and obtaining all bids, requests for proposals, and contracted service agreements.
- C. The Chief Financial Officer is responsible for ensuring that all services have been properly approved and all procedures followed before signing contractual agreements.
- D. The Superintendent is responsible for ensuring compliance with this policy.
