RFP Questions and Answers

1. On Page 3 of the RFP, under 2.0 Scope of Services, the school district states, "Product Availability - selected vendors will provide Demo Unit within 14 days trucks". We believe that this was intended to say "Product Availability - selected vendors will provide Demo Unit within 14 days of notification", as in a prior paragraph on the same page, and would like to request confirmation from the school district whether this is the case.
   Revised Product Availability – selected vendors will provide demo unit within 14 days of notification.

2. On Page 48 of the RFP, in the POS Hardware Minimum Requirements, the Ports minimum requirements is listed as "Base dimensions minimum 8X8 inches Max 10X10 inches". The subsequent Minimum Requirements on the same table appear to be misaligned. We would like to confirm if this is the case, and request that the school district confirm the updated minimum requirements.

Memory	8GB RAM Minimum
